No.2015/FROA/4

New Delhi, dated 23.07.2015

Hon'ble Minister for Railways,

Railway Bhawan,

New Delhi

Sub:- Appreciation and gratitude on behalf of officers community.

As a result of your persistent effort and personal meetings with Hon'ble Finance Minister, the long pending issue of admissibility of work charged posts for cadre review proposals of Group 'A' Railway services, has been resolved by Ministry of Finance. Consequently, the cadre review proposals returned by DOP&T on this account, are now likely to be processed further.

On behalf of the officers community of Indian Railways, FROA conveys its high appreciation and deep gratitude for your great efforts in this regard.

However, to capitalize on the above development, it is kindly requested that the revised cadre review proposals of Group 'A' Railway Services should be submitted to DOP&T immediately by Ministry of Railways, otherwise the above initiative taken by your goodself may become infructuous.

With kind regards,

Yours faithfully,

(R.N.SINGH)

Secretary General/FROA
