**Officers Associations,  
All Indian Railways.**

**Sub: Default in payment of Annual Subscription.**

The FROA is a Federation of Group-A Officers Associations of Zonal Railways and other Railway Units. As members of the Federation, all affiliated units are required to pay an annual subscription to the FROA. FROA does not collect any other subscription. This money is used for running day-to-day activities, holding GBM, lunch during GBMs and meeting expenses on stationery and other office paraphernalia. The current state of finances is poor and it becomes difficult to arrange even lunch during GBMs.

Payment history of subscription has been compiled for the last few years. It is regretted that most Associations have not paid their subscriptions for years at a stretch. Attached please find a table showing payments made and due from each Association.

During the GBM on 24-4-12, the Constitution of FROA was amended and following subscription rates were fixed:

**Open-line Zonal Associations: Rs. 6000.00 p.a.**

**Other Affiliated Associations: Rs. 3000.00 p.a.**

The attached table takes into account these changes. All Associations are requested to send their subscription at the earliest.
