ACCOUNTS DIRECTORATE

ACCOUNTS –I (COMPILATION) – A/cs –I(Comp.)

1. Finance and Revenue Accounts of the Govt. of India (Railway Portion) [and Appendix B, Account No. 110] and Account of contingency fund and Financial Results on the working of Indian Railways; Finance Accounts.

(i) Central Government.

(ii) Railways; Review of Balance (Debt Head Report); Capital and Revenue Accounts (Annual) Accounting Adjustment and Post purchase problems of Railways; Compilation and closing of monthly and annual accounts;

(iii) Opening of major and minor heads of accounts;

(iv) Statement of transfer without financial adjustments;

(v) Financial statements for Volumes I & II and Railway Board’s Administrative Report; Adjustment of interest on DRF, Development Fund, Pension Fund and Capital Fund Balances; Payments to General Revenues – Dividend and payments to in lieu of tax on Railway passenger fares; compilation of Approximate Accounts Current and allied statements; Coaching and Goods Earning under detailed heads; Expenditure from Development Fund on passengers and other Railway User’s amenities, (Expenditure on 5 year plan), Expenditure on capital, OLWR, DRF and DF; Working Expenses, Class wise passenger earnings’ Review of outstanding under Accounts with States Rate of Interest advice for; Reconciliation of Transfer Transactions with Railways; (Parliament Questions relating to above subjects;) statement showing short term liabilities payable to foreign individuals etc.

(vii) Accountal of outstanding dues pertaining to Bangladesh Railways.

(viii) Accountal of outstanding dues pertaining to Pakistan Railways.

(ix) Compilation of net results of Indian Railways.

(x) Compilation of Primary Unit wise Ordinary Working Expenses.

(xi) Disposal of ATN & RTI cases relating to AC-I Branch.

(xii) Parliament Questions on above including profit and loss on Railways, Insurance cover by Railway for immovable and movable assets.

******

1
ACCOUNT (I) Appropriation – A/cs (App.)

1. PART – I (REVIEW)
PART – II Compilation of Detailed Appropriation Accounts Comprising following Accounts. Annexures and Statements.

i) Grand Summary of Appropriation Accounts, by Grant and Appropriation.

ii) Appropriation Account of Grant Nos. 1 to 16.

iii) Depreciation Reserve Fund account.

v) Pension Fund Account.

vii) Stores Accounts and Stock Adjustment Accounts.

viii) Profit and Loss Accounts of Catering Department.

ix) Statement of Outstanding Balances under Suspense.

x) Annexure – ‘A’ – Statement of expenditure held under objection and not regularised by competent authority upto 1st July.

xii) Annexure – ‘C’ – Statement showing remission and abandonment of claims to revenue.

xiii) Annexure – ‘D’ – Statement of expenditure on important open line works and New Construction.

xiv) Annexure – ‘E’ – Statement showing revenue and Capital Expenditure relating to strategic lines.

xv) Annexure – ‘F’ – Statement of Estimated and Actual credits or recoveries.
xvi) Annexure – ‘G’ – Compilation of Block Account (including capital statements comprising Loan A/cs), Balance Sheet, Profit and loss Account.

xviii) Annexure – ‘I’ – Statement showing irregular re-appropriations.

xix) Annexure – ‘J’ – Statement of important misclassifications and mistakes detected.

xx) Defects in Budgeting.

xxi) Distribution of the expenditure of miscellaneous charges relating to Railway Board, ADAI (Rly.) etc. for inclusion in the Profit and Loss Accounts of Railways.

xxii) Compilation of Appropriation Accounts of Civil Grants, viz., Interest of Debt and other obligations.

xxiii) Compilation of Appropriation Accounts of Civil Grants – Loans and Advances, Pre-partition Payments.

xxiv) Maintenance of Register of Budget Allotments.

xxv) Explanatory Notes on excesses under Grants, shown in Appropriation Accounts, Brief on Paras of Railways Audit Report pertaining to Appropriation Accounts, Civil Grant, excess demands for regularisation by Parliament of excesses shown in Appropriation Accounts and memoranda on public Accounts committees recommendations regarding Appropriation Accounts.

*****
ACCOUNT-II – A/cs-II

1. References regarding accounting procedure relating to all branches of Railway Accounts.

2. Classification of expenditure (except allocation as between Capital Revenue, DRF etc. which is dealt with by F(X). Apportionment of earnings amongst Railways.

3. Scrutiny of major deviation of Codes rules relating to Accounting procedures as & when reported by the Railways.

4. Examination of preliminary report of losses exceeding Rs. 50000/- on Railways/Units. Detailed report and write off proposal of losses are to be dealt with by the concerned nodal Dte in consultation with Associate Finance.

5. Review of Half Yearly Report of loss above Rs.50,000/-. 

6. Policy regarding Grant of permission for additional chances Appendix-II & Appendix III (IREM Examination).

7. Tendering advice on references concerning staff of Accounts Department from Establishment Dte.

8. Sanctioned strength of Accounts department on all the Railways.

9. Matters relating to FA&CAOs conference.

11. Maintenance of monthly distribution statement of charges held by IRAS officers in the Accounts department of Indian Railways.

12. Training Facilities relating to Accounts Staff.

13. Matters relating to reduction in cash handling on receipt & payment side including payment of salary through Bank/ECS.

14. Monitoring implementation of recommendation of V, VI CPC relating to Pensioners/Family Pensioners in Account Offices (individual representations to be dealt with by E(Rep), Public Grievance Cell, E(O)II as the case may be).

15. Monitoring of Focal Point Banking System.

16. Pay Roll and independent Models (PRIME) Application {being handled independently by ED/AIMS}.

17. Issues/Orders relating to accounting of Funds pertaining to New Pension Scheme (NPS), issues relating to modalities for implementation & operationalisation of NPS, instruction about Trustee Bank and other procedural issues relating to NPS etc.

*****

4
ACCOUNT-II (Computer Co-ordination)-A/cs-II(CC)

1. Computer coordination work of Accounts department matters relating to HQ EDP Centre of Railways & PUs and System Development Team functioning on Railways.

2. Matters relating to Sr. EDPM Conference.

*****
ACCOUNT-III – A/cs-III

1. Complaints from Firms & Individuals regarding delay in payments.

2. Distribution of Codes, allotments of Advance Correction Slip Numbers and allied work.

4. Quarterly Review of Audit Objection and Recoverable Dues.

5. Write off or inefficient Suspense Balances beyond Railways’ own powers.

6. Claims on foreign agencies like NTPC, Electricity Boards, Oil companies etc., policy relating thereto.

7. Recovery of Interest and maintenance charges for sidings/level crossings.

*****
1. Acceptance, scrutiny and adjustment of expenditure received monthly through transfer certificates regarding bulk order expenditure from Indian Railways, I.C.F., C.L.W., D.L.W., etc.

2. Compilation and maintenance of Account Registers regarding expenditure relating to the Railway Board’s Rolling Stock Bulk Orders.

3. Distribution of expenditure adjusted in this office to the allottee Railways after the revised estimates and final modification during the course of the year. Preparation of bills/vouchers for raising debit to various Railways and issue of TC’s in this connection.

4. Compilation of periodical information and figures concerning detailed expenditure on Bulk Orders from M. Budget, R.S., Railway Planning and other branches of this office.

5. To work out the variations between the budgetary figures and the actual expenditure against each Bulk Order Item at the end of the financial year.

6. Work regarding the closing of Accounts of Completed Bulk Orders both over the allottee Railways and in this office, viz., issue of closure advice, Scrutiny of CRs received from various Railways and posting of items in the register and monthly review of the outstanding position and correspondence thereof.

7. Compilation of monthly approximate Account and Annual Appropriation Account relating to Bulk Orders.

8. Posting and maintenance of ‘Order Books’ containing particulars of Contracts & Orders placed by R.S. Branch for the procurement of Rolling Stock for the purpose of proper adjustment of expenditure in that connection.

9. Upkeep of register and all other work regarding the verification etc. of closing balance in the Railway Fund to end of each month. Compilation of Railway Balances as advised by RBI every month.

10. Compilation/Adjustment of Income Tax and Interest, as advised by the Railways/Units, for submission to the C.B.D.T./A.G.C.R and maintenance of detailed record thereof.

11. All work in connection with the compilation of the monthly Revenue and Capital accounts current of the Railway Board’s Office, including receipt and issue of lists of transfer transactions, their reconciliation with the Railways/Units and the compilation of monthly Approximate Account Current.

12. Adjustments of items of magnitude on Proforma Basis outside the Books of RBI for the claims not settled through RBI through regular account pertaining to Non-Railway Officers.

13. Indicating various items of Pools of Wheel sets and Wagon component Parts in the Expenditure Register from the statement furnished by RS(B) Branch.
14. Linking of the items of Maintenance requirements from the statement received from E. Railway for raising Debit against the concerned Railways.

15. Review of Debits received towards IRFC fund as well as balance of the Fund running upto the end of the year.

16. Affording of credit to various Railways to meet expenditure for procurement of Rolling Stock by the Railways out of the Funds provided by IRFC.

17. Compilation of monthly Plan head wise/source wise expenditure, under Grant 16 Annexure ‘A’ & Allied statements i.e. preparation of Plan Head wise actual as per module provided by Budget Directorate.

20. Compilation of Statement No.11 showing investment of Union Government (Rlys) in the Statutory Corporation, Government Companies, other Joint Stock Companies & Cooperative bank & investment of Union Government (Rlys) in the share of railwaymen’s Consumer Cooperative Societies.

21. Compilation of Statement No.4 showing Guarantees given by the Central Government in respect of interest on share capital raised by the branch line companies.

22. Revenue earned from advertisements on Railway Stations.

*****
ACCOUNTS ( EXAM ) – A/cs (Exam)

1. Matters relating to Planning, coordination and conduct of Appendix-3 (IREM) Examination on All Indian Railways (including PSUs)

2. All matters relating to issue of Notification, Block Roll Nos., permission to change center etc.

3. All matters relating to nomination of paper setters, evaluators, translators etc. on year-to-year basis.

4. All matters relating to finalisation and declaration of results, issue of mark lists, awards to meritorious candidates.

5. All matters relating to payment of Honorarium to the paper setters, evaluators, translators etc.

6. All matters relating to Court Cases pertaining to Conduct of Appendix-3 (IREM) Examination.

7. Preparation of vacancy position of SO(A)/TIAs/JSAs on all India Basis.

*****
PAY AND ACCOUNT OFFICE – PAO

1. Dealing with audit observations.

2. Grant of increments, fixation of pay on promotion and on changes in rules concerning Pay and allowances (generally as a result of recommendation of Pay Commissions).

3. Issue of pay slips and verification of Last Pay Certificates.

4. Passing of monthly Salary Bills, Supplementary bills, Travelling Allowance Bills etc.

5. Maintenance of Salary Audit Registers and Cadre Check Registers.

6. Certification of eligibility of leave and maintenance of personal files of Officers. Compilation of Service Cards for the officers.

7. Non-gazetted:– Passing of monthly pay Bills Supplementary bills, Travelling Allowance Bills, Educational Assistance Bills, overtime and Maintenance of Scale Check Registers. Maintenance of Suspense Registers for various advances given to staff and review of Suspense balances. Certification of proposals for fixation of pay, allowances, stepping up of pay etc.

9. Check of variation memo and statements (e.g. of variation, PF and rent deduction), absentee statements etc., certificates journals and other annexures received along with the bills.

10. Maintenance of Registers of recoveries.

11. Check of scales of pay of Class IV staff for one month in a year with service records.

13. Certification of special contribution to Provident Fund and other settlement dues of employees quitting service.

17. Checking of check sheets from P.F. Ledger Cards.
18. Calculation of interest and bonus, noting of gratuity amount on P.F Ledger Cards.

19. Comparison of balances of P.F. Ledgers at the end of the year carried over to the next year, annual closing of P.F. Accounts.

20. Issue of P.F. slips to subscribers.

22. Review of unposted items and accounts and closed accounts.

23. Advance review of superannuation cases and check against delays in payment of settlement dues and withdrawals from P.F.

24. Check and certification of qualifying service in case of pension.

25. Check of the rate of monthly pension, amount of commuted pension, issue of pension payment orders.

26. Dealing with debits from treasuries etc. regarding pension payments made by them.

27. Maintenance of register for nominations.

28. Scrutiny and timely payments of advances and withdrawals from P.F.

29. Passing of supplier bills and other miscellaneous bills.

30. Internal check of contingent expenditure of Railway Board.

32. Compilation of Monthly Approximate Accounts-Current and Final Accounts, Appropriation Account, Policy Formation, Expenditure Grant I and Grant II, Exp. Pay and allowances, cheques received from other departments sent to Baroda House for encashment.

34. Checking monthly reconciliation of various suspense heads viz. Miscellaneous Advances Demands payable.

35. Check of postings in the abstracts of bills and in the requisition of cheques.

36. Post-check of paid bills, maintenance of register of remittance transactions.
37. Arranging surprise check of cash of the cashier.

38. Compilation of various returns for the purpose of statistical compilations.

39. Disposal of Accounts Inspection Reports parts I & II.

40. Discussion of draft inspection reports with the heads of the offices inspected.

41. Arranging payments to various committees of Railway Board.

42. Passing of foreign payments bills preparation of debit schedules pertaining to Railway Board’s Officers and other than Railway Board’s Officers.

43. Dealing with Exchange Memo Bills received from Ministry of External Affairs.

44. Maintenance of Suspense Register like HBA, MCA, Computer Advance, Scooter Advance and verification of the interest calculation sheets of individual officers in regard to above advances.

45. Verification of Income Tax Cards of gazetted Officers of individual officers, then issuance of Form No.16 to individual officers and preparation of Form No.24 for filing of return to Income Tax Department.

46. Payments related to IRFC and Konkan Railway Corporation Limited.

47. Arranging foreign currency payments of different membership, subscription fee and other Misc. payments with RBI & SBI Main Branch. Acceptance and reconciliation of local and foreign.

48. TCs from other Railways, local Railways accepted by Railway TCs. Raising TCs against other Railways.

49. Maintenance of Suspense Registers & PF Account of CRIS staff.

50. Arrange to send the schedules of CPWD at Nirman Bhawan Branch every month.

******
1. Railway Bridges
   i) Strengthening
   ii) Rehabilitation
   iii) Maintenance

   All Committees/conferences and other Institutions dealing with Bridge issues; Accident reports on Bridges.

2. Floods & Breaches
   a) Floods & Breaches
      i) Damage due to flood
      ii) Cyclones
      iii) Earthquake
      iv) Flood protection work
      v) Drainage
      vi) Aircraft for Aerial Survey in connection with floods
      vii) Emergency stores for flood protection works
      viii) Works & Tanks affecting Railways (RAW, RAT)
   
   b) All Committees regarding flood protection, RAW, RATs – State Engineers’ Committee, State Govt. Manual on RAW

3. Engineering (Bridge) Workshops, Bridge Directorate - RDSO

5. Safety and other Engineering devices.
   i) Patrolling of track during monsoon.
   ii) Ghat lines.

6. All works programmes chargeable to Plan Head 32; Bridge Works

8. C.R.S. cases in respect of Railway Bridges.

10. CA-III reference, RTI, Draft Para/Audit Para, Parliament question and other issues related to Parliamentary committees in respect of Railway bridges.

11. Draft Para for Railway Boards Administrative Report in respect of Railway Bridges for "Railway Year Book" and "Annual Reports and Accounts Book".

12. Tunneling and relating matter – All technical matters and proposals under Plan head 32.

13. Technical matters related to design etc. of FOBs.

14. In addition to the above subjects, any other issue relating to Bridges/Tunnels, Natural Calamities, Bridge Engineering etc. would be dealt with by CE-I excluding the following relating to works under Plan head 32 and SRSF which would be dealt by Works Directorate.
   
a) Tenders which require acceptance of Board for Bridge Works pertaining to PH 32 and SRSF.

b) All post-contractual issues would be dealt with by Works Dte. as execution of contracts is done by Construction Organisation.

   However, all issues relating to the policy of bridges would be referred to Civil Engineering Directorate with reason, remarks, site & other details.

   *****
**CE-III**

1. **Road Over/Under Bridges/Foot Over Bridges:**
   
i) Sanction and Monitoring of Construction of Road Over/Under Bridges in lieu of busy level crossing qualifying for replacement by ROB/RUB.

   ii) Sanction and Monitoring of construction of Foot Over Bridges for General Public, at places not covered under Passenger Amenity Works.

   iii) Works Programme for Plan Head-30 Railway Safety-Road Over Bridges/Under Bridges/FOBs.

   iv) Coordination of correction slips related to LCs and ROBs/RUBs.

   v) CA-III reference, RTI, Draft Para/Audit Para, Parliament question and other issues related to Parliamentary committees item in respect of Level Crossings/ROB/RUBs/Public FOBs.

   vi) Draft Para for “Annual Report & Accounts Book” & Railway’s Year Book on Road Over Bridges/Road under Bridges etc.

   vii) Research Centre-Coordination all committee’s Reports in respect of ROB/RUB/FOB.

   viii) Works Programme related to ROB/RUBs.

2. **Level Crossing**
   
i) Provision of new level crossings.

   ii) Manning of unmanned level crossings.

   iii) Upgrading of level crossing.

   iv) Provision of lifting barriers at non-interlocked level crossings.

   v) Closure of level crossings.

   vi) Re-opening of level crossings.

   vii) Stop Boards and other road warning boards at level crossings.

   viii) Detention of Road traffic at level crossings outside Station limits.

   ix) National Highways in respect to level crossing works (Civil), Chargeable to Plan Head 29: Road Safety Works-Level Crossings.

   x) Correction slips of Engineering code, Engineering Standing Orders etc. in respect of level crossing.

   xi) Draft Para for Railway Board Administrative Report in respect of level crossings for “Railway Year Book and Annual Reports and Accounts Book”.

*****

15
1. Sidings
   i) Private sidings During construction stage
   ii) Assisted siding only. Pre construction and
   iii) Defence siding/Military Post-commissioning stages
       Works to be dealt by TC/FM Directorate.

2. I.R. Works Manual:
   i) Policy regarding reprinting and distribution.
   ii) Co-ordination of correction slips.

3. Safety and other Engineering devices:
   i) Gang strength formula
   ii) Matters relating to Trackmen facilities.
   iii) Matters pertaining to Gangman Facilities
   iv) Working condition of Trackmen.
   v) Laying of oil pipelines (Crossing of pipelines, transmission lines etc.)
   vi) Permission for plying of trolleys by private parties.

4. General conditions of contracts and allied matters pertaining to works contracts:
   i) Contract Policy and matters relating to contracts & its management/implementation/clarification.
   ii) Engineering Code.
   iii) General Conditions of Contracts (GCC)
   iv) Arbitration policy and related matters including Arbitration Tribunal.
   v) Black-listing, Suspension or removal of contractors relating to Civil Engg.
   vi) Standardisation of forms – Engineering series.
5. All matters relating to Seminars/Conferences and Training etc.
   i) Civil Engineering Training Institutes.
   ii) Man-Power Planning & Human Resources Development.
   iii) IRSE Probationers.

6. All matters relating to Works Manual.

7. Works Programme – Nodal Officer for Indian Railways: Coordination with Zonal Railways, Production Units etc. and all Directorates in Railway Board, Meetings & Finalisation for Budget Documents.

10. Inspection Manuals, Compendium of Instructions.

13. Civil Defence and related matters.

14. Miscellaneous work.

*****
C.E.-II

1. Track Renewal Works – Policy matters and sanction of abstract/revised estimates and completion of reports.

2. Scrutiny of out-of-turn track renewal works, etc.

3. Scrutiny of new track renewal proposals costing Rs. 50 lakhs and above each and to communicate Board’s approval thereto for inclusion in the PWP/FWP of the Railways. Preparation of consolidated Memo of all new track renewal works costing Rs.50 lakhs and above for MR’s approval.

4. Railway Accident Committee’s recommendations connected with track.

5. CCRS’s/CRS recommendations on accidents due to failure of track.

6. Policy matters relating to running of high speed trains connected with track.

7. Principal Chief Engineers Conference; coordinating information for holding Chief Track Engineer’s/Principal Chief Engineer’s Meeting for assessment of requirements of P.Way materials.

8. Policy decisions regarding progress of speed restrictions.

9. Preparation of paras for Railway Board’s Audit Report regarding items connected with track renewals and speed restrictions and ballasting of track.

10. Scrutiny and obtaining Board’s orders of Track Standard Committee’s Reports/Recommendations.

13. Supply of Tools to watchmen.

15. Ballastless Track – All proposals under Planhead – 31 except technical matters.

16. Nodal Directorate to deal with International Heavy Haul Association (IHHA).

17. Issues related to running of trains at a speed of more than 130KMPH and upto 160 KMPH.

18. Parliament Questions on above, killing of railway workers while working on railway tracks, speed restrictions, permissible axle load of tracks and wagons, permissible operating speed of trains.

*****

18
CEDO (attached with CE-IV)

1. Examination of the applications received from the Zonal Railways in connection with the sanction of condonation of infringements to various dimensions shown in Indian Railways Schedule of Dimensions (B.G., M.G. and N.G.)

2. Issue of sanctions for condonation of infringements to RDSO in the New Design of Locos, Coaches, Track Machines, OHE Inspection Cars and Wagons at Design stage.

3. Issue of sanctions to the Zonal Railways for first time running of new types of Locos, Wagons, Coaches, Cranes, Track Machines and OHE Inspection cars and vertical clearance and free board of bridges on Railways and dealing with policy matters and drawing work connected thereto.

4. Scrutinising and examination of Commissioner of Railway Safety’s inspection reports in connection with the opening of New lines, Doublings, Conversions, Diversions etc. and confirmation of the opening of the above along with the drawing work connected thereto.

5. Printing of the 'Rules for Opening of a Railway or Section of a Railway for the public carriage of passengers’ and Schedule of Dimensions’, B.G., M.G. and N.G. and amendments to the above books.

6. All drawing works pertaining to Civil Engineering Branch, Maintenance of System Maps, Track Diagrams, Axle load Diagrams, Bridge List, Index Plans and Section, Station Yard Diagrams and collection of information thereto.

7. Upkeep and Maintenance of the 2 mile, 4 mile, 16 miles survey sheets, guide maps of important cities, Provincial maps, road maps and alphabetical list of stations of all Indian Railways.

*****
1. Civil Defence Policy
   i) Review of civil defence measures.
   ii) Evaluation of civil defence measures.
   iii) Duty allowances.

2. Conferences and meetings.

3. Evacuation.

4. Lighting restrictions.

5. Essential equipments.

6. Medical arrangements.

8. Protective measures.

9. Progress reports (from Zonal Rlys./Production Units).

12. Running of Trains on receipt of warning messages.

13. Staff and Establishment.
   i) Awards
   ii) Uniforms
   iii) Employment of retired officers.
   iv) Grant of permission to Central Government employees to join duty.
   v) Utilization of services of CDIs by other agencies.
   vi) Grant of honorarium to instructors.
14. Training  
  i) Civil Defence Staff Course at National Civil Defence College, Nagpur.  
  ii) CD Instructors Course at NCDC, Nagpur.  
  iii) CD Specialist Course at NCDC, Nagpur.  
  iv) CD Industrial Staff Course at NCDC, Nagpur.  
  v) CD Lady Officers Course at NCDC, Nagpur.  
  vi) CD Refreshers Course at NCDC, Nagpur.  
  vii) CD Training in Unexploded Bombs at NCDC, Nagpur.  
  viii) CD Training in Unexploded Bombs at college of Military Engineering, Pune.  
  ix) CD Training in fire fighting at National Fire Service College, Nagpur.  
  x) CD Training in Camouflage and concealment at C.M.E., Pune.  
  xi) Demonstrations/Exercises.  
  xii) Professional and Sports Meet.  
  xiii) Annual Camps.  
  xiv) Issue of Certificates.  
  xv) Training Allowances.

15. Vehicles.

16. Warning Messages  
  i) Provision of Wireless sets.  
  ii) Provision of direct lines.  
  iii) Early warning through control phones.  
  iv) Testing of sirens.

17. Miscellaneous References  
  i) Publicity materials.

*****

21
1. All references regarding introduction/extension/augmentation of trains/increase in frequency of trains, change in timings of trains, acceleration, provision/curtailment of halts and of connections of junctions, pertaining to all Indian Railways (All Zonal Railways including Konkan Railway), detention to road traffic at level crossings (station limits) and punctuality performance of particular trains.

2. Running of circular/EMU/DMU trains (Suburban Services).

3. Links/changes in roster duty of Guards.

4. Redressal of Public Grievances pertaining to Coaching including references received from President’s Secretariat, PM Secretariat, etc.

5. Collection of the data and material pertaining to running of trains of All Zonal Railways for holding Indian Railway Time Table Committee Meeting. All issues related to Train At Glance and its distribution.

6. Coaching Stock Management matters relating to RSP (coaches).

7. Requirement of coaches, Production Plan of PCVs & OCVs.

8. Allotment of different type of coaches from production programme to Zonal Railways as per their demand and availability.

10. Movement of milk tankers in piecemeal form and CRS sanction for running of special type of coaches.

11. Shifting of primary maintenance and secondary maintenance of trains and Conversion of coaches into Departmental Stock and NMG.

14. Withdrawal of coaches from poorly patronized trains.

15. Provision of stoppages of important trains like Rajdhani, Yuva, Shatabdi, Duronto, policy matters regarding stoppages, review etc.

16. Budgetary works pertaining to introduction, extension and increase in frequency of Budget and non-Budget trains.
17. Issues related to Budget Speech.
18. Booking of reserved carriages, special coaches (FTR & others), Inspection carriages, Saloons.
19. Running of special trains, Mela trains, festival trains, etc.
20. Temporary stoppages of trains during festivals, special events, etc.
21. Operational aspects regarding running of various luxury Tourist trains like Deccan Odyssey, Golden Chariot, POW, RRW, Pan India luxury trains and special trains like Life-Line Express, Science Express etc.
22. Military Movements, Special/special coaches for Para Military operations/movements, election officials etc.
24. Policy matters pertaining to coaching trains operations.
25. Measures to combat overcrowding.
26. Fixing maximum and minimum speeds of trains. All issues related to declaration of trains as Superfast.
27. Vestibuling, marshalling etc.
28. Representations pertaining to change in Roster duties of Guards/consequent to allotment of working of trains from one division to another division.
29. Movement of motor cars in bulk by passenger trains.
30. Movement of horse boxes.
31. Marshalling of Anti telescopic coaches (Mehri Commission Recommendations and those of the two subsequent Committees headed by Dr. Kunzru and Justice Wanchoo).
32. Parliament Questions on above including train operation in naxalite affected area, detention of train on account of loco failure, operational efficiency, requirement of coaches, special train/branded train, suburban train facilities, package for trouble-free train operations, private train operation etc.

*****
**PUNCTUALITY CELL**

1. All cases related to punctuality and factors affecting punctuality.
2. All correspondence related to punctuality within the organization/other organization.
3. Punctuality drives.
4. All issue and correspondence related to COA and ICMS.
5. All issues related to rescheduling, diversion, short termination and cancellation etc.
6. Issues related to policy, requirement and review of coaching loco links and guard and crew links or passenger carrying trains.
7. All proposals related to traffic blocks and Non Interlock working.
8. All matters pertaining to movement of Parcel Vans and its maintenance.
10. Loading/unloading of RBI currency.
12. All public grievance cases related to Punctuality.
13. Policy regarding speed limit in Elephant corridors.
14. Naming of trains (existing on new introduced) and all other related matters.

*****
COACHING MOVEMENT CELL

1. Day-to-day monitoring of new built coaches turned out from RCF, ICF and BEML by keeping constant co-ordination with officials from Production Units.

2. Day-to-day monitoring of dispatch of new built coaches to owning Railways and their arrival at owning Railways, arrangement of coaches for new services etc.

3. Maintenance of record regarding new built coaches turned out from Production Units.

4. Monitoring of transfer (permanent/temporary) of coaches ordered by Railway Board and balancing of coaches between various Railways.

5. Day-to-day attachment of extra coaches in different trains for clearance of rush as per demand received from Commercial Directorate and also on Full Tariff Rates.

6. Planning and arranging of special trains and special coaches for movement of troops.

7. Co-ordination with officials of Central Police Forces (BSF, CRPF, CISF, ITBP, SSB and State Armed Forces) regarding demand of coaches/specials before and after of any Elections.

8. Arranging coaches and rakes for special trains during and after Elections.

9. Monitoring of running of special train carrying Central Police Forces and Election officials during and after Elections and also during emergency moves.

10. Finalization of operational itineraries for Special trains e.g. Luxury Tourist Trains (POW, RROW, Deccan Odyssey, Golden Chariot, IRCTC Maharaja Trains, Buddhist Train) Exhibition Trains (Science Express, Red Ribbon Express, Sanskriti Exhibition Train, Vivekananda Exhibition Train, Mother Express Exhibition train, Technology Express, etc) running from time to time.

11. Arrangement of rakes for these Exhibition specials.

12. Arranging and managing conference of CPTM/Dy.COM/STM level in course of preparations for movement of these special trains.

14. Movement of Inspection Carriages of VVIP, Railway Ministers, Board Members and senior officers of Railway Board.

15. Movement of Board pool carriages on Full Tariff Rates.

16. Movement of carriages for Zonal Railways officers by Board restricted trains.

17. Preparing daily position showing status of Railway Board Pool carriages.

18. Temporary transfer of carriages from Railway Board pool to Zonal Railway, when demanded by Railway in case of POH due etc.

19. Planning and monitoring, running of special trains during peak seasons like summer, winter and festivals, arrangement of rakes for these special trains.

20. Preparing position of these special trains (summer, winter and festivals), for Senior Officers and Board’s information.

21. Issuing messages and receiving messages to and from Railways through COIS system.

22. Miscellaneous works on daily basis pertaining to above subjects.
1. **General:**

   (a) C&IS is a nodal Directorate for implementation of all projects on Indian Railways, which are charged to planhead Computerisation.

   (b) Development of norms, standards, maintenance manuals in the area of computerization.

   (c) Preparation of IT plan for Indian Railways.

   (d) Coordinating training effort in IT areas.

2. **Project Based Administration:**

   C&IS Dte. Handles issues pertaining to IT projects sanctioned by Railway Board under Plan Head-17 such as:-

   (i) Formulation of proposals and estimates for Works Programme.

   (ii) Co-ordination with Zonal Railways and various Directorates of Railway Board for inclusion of works in Final Works Programme.

   (iii) Preparation and monitoring of budget.

   (iv) Monitoring of progress of works.

   (v) Planning and sanction of expansion.

   (vi) Software and hardware improvements.

   (vii) Nomination of nodal officers/executing agencies for IT projects.

   (viii) Annual/Five Year/Corporate Plan for IT projects.

   (ix) Processing for sanction of Annual Maintenance of various computerization works.

   (x) Codal life of IT equipment.

   (xi) Specification for network equipments for PRS & FOIS.
(Xii) Technical scrutiny and vetting of proposals received from Railway Board as well as field offices (viz. Pus, Zonal Railways etc.).

3. **Policy Formulation Areas:-**

   (a) Formulation of policy for sanction of locations of PRS/UTS/UTS-cum-PRS.

   (b) Formulation of policy on IT matters for Zonal Railways and other units.

   (c) Delegation of powers on IT matters and their review when necessary.

   (d) Standardising IT project procedures.

   (e) Technical assessment of IT platforms.

   (f) Policy making for IT Security over IR.

   (g) Policy for Disaster recovery Centre and recovery site.

   (h) Coordination with other Ministries/associations on matters related to IT.

   (i) Policy for operation and maintenance of IT systems.

4. **Operation of Railway Board Computer Center (RBCC):-**

   (i) Running the Computer Center including monitoring and working of Input/Output Cell, Data Entry Section, TP Section and the console Section.

   (ii) Monitoring, receipt and processing wagon interchange data and generation of relevant reports.

   (iii) Maintenance of BG and MG Wagon Masters and Coaching Masters.

   (iv) Conducting of BG and MG Wagons Census & Coaching Census, compilation of Census data.

   (v) Software development and maintenance:

      (a) Railway Employees Information System.

      (b) Development and maintenance of RTI Website for Railway Board.
(c) Pay Roll System for Railway Board staff and officers.

(d) Development of software applications for generation of various statistical reports for Directorates of Railway Board.

(vi) Maintenance of Computers in Railway Board:-

(a) Maintenance/Upgradation of all computer equipments installed in Railway Board except for Railnet equipment.

(b) Procurement of computer equipments and peripherals for Railway Board including finalization of their specifications, excluding consumables like printer, ribbon/Cartridge and Railnet/Network equipment.

(vii) Maintenance of Railway Board Website.

5. **PSU/Societies under C&IS Dte.:-**

All issues pertaining to Center for Railway Information System (CRIS) including personnel, financial, Budget, reviewing performance of CRIS, changes in Memorandum of Understanding, changes in Memorandum of Association, tabling of yearly Audit and Account reports on the table of both Houses of Parliament etc.

*****
1. Economic appraisal of project proposals of Railways relating to construction of new railway lines, gauge conversion, doubling, railway electrification, etc.

   Review of methodology for economic appraisal of projects.

   Clarifying concepts/methodological issues, etc. to Zonal Railways and other Directorates on appraisal related matters on specific projects appraised in the Economics Directorate.

2. Conducting studies on economic issues of Railways on the direction of the Board.

3. Preparation & Circulation of (i) Annual Economic Review and (ii) monthly factsheet covering some important economic indicators of the Indian economy.

4. Rendering advice to other Directorates in the Board and other Ministries/Departments on specific economic matters.

5. Participation in committees and groups on specific subjects.

6. Participation in Five Year Plan Working Groups/sub-groups.

8. Participation in specific budget related works, exercises required by the Financial Commissioner.

9. Material for Railway Yearbook which includes (i) Chapter on ‘Economic Review’ and (ii) Selected Economic Indicators and other related information.

10. Material for Minister of Railways’ Budget Speech relating to ‘General Economic conditions, industrial development, traffic prospects etc.’

11. Preparation and supply of material pertaining to ‘Mid-Year Review’ to the Ministry of Finance.

12. Coordination of work relating to preparation of material for the annual Economic Survey brought out by the Ministry of Finance.

13. Any other exercise/work assigned by FC/Board involving economic analysis.

*****

30
EFFICIENCY AND RESEARCH DIRECTORATE

E&R

1. Monitoring of Equipment Failures on Railways.

2. Co-ordination of works of RDSO including IRCAMTACH (Concerned Directorates will, however, directly deal with RDSO in all matters pertaining to them).

3. Dealing with individual representation in respect of non gazetted Staff of RDSO in consultation with the concerned directorates.

4. Works programme of RDSO and Zonal Railways under the Plan Head “Railway Research”.

5. Co-ordination of work connected with the Governing Council for RDSO, IRCAMTECH, & CBRR.

6. Undertaking studies/appraisal in respect of different facets of Railway working as directed by Board from time to time.

7. Policy regarding reorganization of Zones/Divisions on Indian Railways, including shifting of headquarters of Zones/Divisions.

8. Assessment of workload of Zonal Railways/Divisions.

9. Monitoring the work of Zonal Work Study Organisations.

11. Co-ordination work pertaining to Award of Pt. Govind Ballabh Pant Efficiency Shield to the Best Zonal Railway.

12. Co-ordination work pertaining to General Manager’s Conference.

13. Co-ordination work with respect to D&G Charges in various estimates.

15. Monitoring of “Assistance Required from Board’s Office by all Zonal Railways, PUs, CORE/Allahabad and RDSO.”
16. Co-ordination for IRCA for Organisational matters only (Technical Establishment matter etc. will, however, be dealt with directly by concerned Directorates).

17. Policy matters relating to Quality (Quality in respective disciplines must be dealt with by the concerned Directorates).

18. Benchmarking of “On roll” manpower in various activity centres of Indian Railways.

19. CRB’s Action Plan.

20. All work related to Innovation Promotion Group.

22. Award of Suggestion Scheme of ‘Best Innovations’.

23. MCDO highlights for note to Cabinet Secretariat and for perusal of CRB.

25. Submission of drafts for speeches of PM/President’s Address on Republic Day/Independence Day etc.

*****
ELECTRICAL ENGINEERING DIRECTORATE

ELECTRICAL(TRS)

1. All technical matters related to maintenance, operation, modernisation updating etc. of electric locomotives.
2. Reliability & Availability of electric locomotives.
3. Reports/returns regarding performance and utilization of electric locomotives.
4. Monitoring of anti-fire modifications to electric locomotives.
5. Planning for requirement of electric locomotives.
6. Rationalisation of electric loco holding.
7. Allotment/transfer of electric locomotives.
8. Allotment of initial capital spares of electric locomotives to Railways.
9. Rolling Stock Programme and budget relating to electric locomotives, initial capital and maintenance spares.
10. Punctuality of trains hauled by electric locomotives.
11. Co-ordination with RDSO, BHEL, DOE and other agencies.
14. Chief Electrical Engineers’ Conference and Chief Electrical Loco Engineers’ Conference.
15. POH & mid-term rehabilitation of electric locomotives.
16. CLW performance.
17. CRS sanctions for various Rolling Stock (Electric Loco).
18. Benchmarking of staff in electric loco sheds.
19. Loco links and electric loco holding.
21. Commissioner of Railway Safety (CRS) Reports pertaining to electric locomotives.
22. Training of Electric loco drivers.
23. All matters connected with running staff (electric loco).
24. Collaboration Agreement with Foreign firms on equipment of electric locomotives.
25. Three-phase locos.
26. Rewinding of Traction Machines.

*****
1. Working performance and all technical matters related to AC coaches and train lighting.

2. Allotment/working performance and all technical matters relating to EMUs / MEMUs/Metros except running staff matters.

4. Lights, fans and other electrical fittings in coaches.

5. Headlights of EMUs & MEMUs and Speedometers for EMUs/MEMUs.

6. Punctuality Reports and meetings.

7. CRS’ Accident Report pertaining to above subjects.

8. Setting up of EMU/MEMU car sheds.

9. Provision of additional rakes and coaches for suburban train in metropolis.

10. Maintenance of Metro Railway for electrical items including Rolling Stock.

*****
**Electrical Energy Management Cell**

1. All issues related to Clean Development mechanism.
2. Availing power through IPPs.
3. Follow-up action of setting up of power by NTPC at Nabinagar.
4. Co-ordination with Ministry of Power, Central Electricity Authority, CERC and SERCs.
5. Problems of Indian Electricity Act, Rules and Regulations.
8. Electrification of stations. Staff quarters and service buildings including street lighting, yard lighting etc.,
9. Provision of electric lifts, escalators, water coolers. DG sets electrical pumps, air conditioners and AC plants in Railway buildings/premises.
11. All electrical works to be included in Works Programme etc.,
12. M&P, RSP And Revenue Budget related to Traction Distribution and General Services and Carriage/Electrical.
15. Alternative and renewable energy services.
16. Finalisation of replies to Audit Paras, overall co-ordination of Parliamentary matters.
17. Railway Reforms Committee and other general recommendations.

*****
**Electrical Engineering Development Cell**

1. All contractual issues related to the ongoing projects GP-194 and MRVC for provision of 3 phase AC/DC drive in EMUs in Mumbai area (Phase-I).

2. Pursuing of projects and matters relating with the Clean Development Mechanism/Carbon Credits/Carbon Participation Fund.

3. Pursuing introduction of high technology for Electric Rolling Stock in consultation with traction rolling stock directorate.

4. All matters connected with the set up of Electric Loco Factory at Madhepura and acquisition of 12000 HP locomotives.

5. All matters connected with the setting up of EMU factory at Kanchrapara.

6. All matters connected with setting up of Ancillary Unit of CLW at Dankuni.

7. All matters connected with acquisition of 9000 HP locomotive for Western DFC and coordination with DFCCIL/JICA for the project under STEP component of the loan for Western DFC.

8. All matters related with induction of high speed trains and high speed rail authority on IR including golden corridor between New Delhi-Mumbai on Western Railway.

9. Indigenisation of 3 phase IGBT propulsion systems for electric locos/EMUs and MEMUs.

11. Training of Gazetted and Non-Gazetted Officers/staff concerning Electrical and RE Departments.

12. Nodal Officers for dealing with all references including Parliament Questions pertaining to Developments of 3 phase Technologies.

13. Development of high horse power (7000 HP and above) locos.

14. IGBT Propulsion Factory at Shyamnagar.

15. Setting up of Green Field MEMU Manufacturing facility by BHEL at Bilawara for IR.

*****

36
1. Functioning of the Permanent Negotiating Machinery and conduct of PNM Meetings with both AIRF and NFIR.

2. Facilities to be extended to the representatives of the recognised unions for attending PNM Meetings at various levels.

3. Functioning of the Joint Consultative Machinery and co-ordination with Department of Personnel in this regard.

4. Attending to Co-ordination work relating to National Council Meetings and its Committee Meetings.

5. Arranging and conduct of Departmental Council Meetings and the meetings of its Committees.

6. All matters relating to providing facilities to the Departmental Council Members.

8. Dealing with matters relating to appointment of adhoc Tribunals in respect of PNM items.

9. Conduct of Adhoc meetings of the Federations with the Railway Ministers.

10. Matters relating to staff councils in Production Units and references emanating from such Staff Councils.

11. Arranging Staff Council meetings with the Board.

12. Clarifications to the Railways on all matters relating to conduct of PNM meetings with both AIRF and NFIR.

13. References on Labour Relations from RDSO Staff.

*****
E(Labour Relations) - II

1. Strikes, Lockouts and other agitations by Railway Staff and Officers.

2. Treatment of the absence of staff due to strikes etc.

3. Appreciation of Trade Union activities on Railways, Intelligence reports etc.

4. Co-ordination of references from recognised unions and unrecognised unions of loco running staff, Station Masters and Guards.

*****
1. Policy and procedure relating to recognition of Unions and Associations.
2. Dealing with representations from all Associations/Unions of serving employees for grant of recognition.
3. Co-ordination of references from both the Federations.
4. Deputation of Railway employees to Unions.
5. Policy and procedure regarding grant of facilities for Federations, Unions and their representatives.
6. Holidays and closure of offices on special occasions excluding elections.
7. Policy regarding transfer of Union officials.
8. Guidelines for putting up Banners/posters on Railway Stations by Railway Trade Unions.
9. Participation of Railway Employees in Management (PREM) Group.

*****
Establishment(Military)-E(ML)

1. All Establishment matters relating to the Territorial Army on the Railways.

2. Co-ordination of references from unrecognised unions, associations of serving railway employees other than those of loco-running staff, Station Masters and Guards.

3. Workers Education Scheme.

*****
1. Payment of Wages Act, 1936.

17. Tenure of Railway Sectional Officers with C.B.I.
18. Special pay in individual cases.

*****
1. Formulation of Policy regarding direct recruitment in Group ‘C’ & Group ‘D’ posts on the Railways:

   (a) Grant of approval of the Board against filling up of vacancies of Group ‘D’ posts on the Railways/PUs from open market.

   (b) Laying down of minimum educational qualification for recruitment to Group ‘C’ & ‘D’ posts (except Railway School Staff).

   (c) Laying down of upper and lower age limit for recruitment to Group ‘C’ & ‘D’ posts.

   (d) Mode of filling up of Group ‘C’ & ‘D’ posts viz. percentage of direct recruitment vis-a-vis promotion etc.

   (e) Amendment and addition of new provisions regarding recruitment to Group ‘C’ & ‘D’ in the IREM & IREC.

   (f) Preparing Board’s Memoranda & ATSs on various PNM/JCM/Staff Council items.

   (g) Dealing with Parliament Questions, Standing Committee items regarding recruitment against Group ‘D’ posts.

   (h) Examination of cases forwarded by MPs, MLAs & other VIPs regarding Group ‘D’ recruitment.

2. Policy regarding recruitment against Cultural-cum-Scouts & Guides quota.

3. Policy regarding recruitment against ex-servicemen quota.

4. Formulation of policy regarding recruitment against Physically handicapped Quota in Group ‘C’ & ‘D’ posts on the Railways.

   (a) Compilation of Monthly progress report regarding the progress made in filling up the 3% quota earmarked for the physically handicapped and clearance of backlog of such quota.

   (b) Dealing with Parliament Question, PNM items, Board’s Memorandum for various committees.

   (c) Dealing with notices from the office of Commissioner for Disabilities regarding infringement of the Persons with Disabilities, Act 1995 and non filling of the vacancies earmarked for recruitment against physically handicapped quota.
5. Formulation of Recruitment policy for appointment against compassionate ground.
   (a) Examination of delayed cases sent to Board by Railways/PUs for approval of appointment on compassionate ground, which are beyond the powers of the General Managers.
   (b) Compilation of monthly progress report of various Railways/PUs on the subject of compassionate ground appointments;
   (c) Examination/advice on the files sent by various branches viz. E(Rep)I, II, III sections etc. on compassionate ground appointment.
   (d) Preparing Board’s Memoranda and ATSs on various PNM/JCM/Staff Council items.
   (e) Dealing with Parliament Questions, Standing Committees items etc. on the subject of compassionate ground appointments.
   (f) Examination of (compassionate ground appointments) cases sponsored by VIPs.

6. Policy regarding appointment of members of families displaced as a result of acquisition of land for establishment or projects on Railways.

7. Engagement of retired Railway employees on daily rate basis.

8. Substitutes-Engagement, Terms and conditions of service.

9. Casual Labour – Policy, Terms and conditions of service.

12. Fixation of pay of ex-Grainshop staff.

13. Incentive increments to sportsperson.

14. War service candidates.

15. Creation of shadow posts, etc.

16. References on establishment matters pertaining to non-Gazetted RDSO staff governed by Railway Establishment Rules.

17. Issues related to jobs on Railways for preventing train accidents.

18. Parliament Questions on above including employment to dependents of Rail accidents/blast victims, women employees in Railway services, female gang man, engagement of retired Railway non-gazetted staff, recruitment of local people.

******
1. Formulation of policy regarding organisation, (fixation of area of operation) establishment and development of consumer Cooperative Societies on the Railways.

2. Opening of fair price shops at stations having concentration of 300 or more Railway employees either through the agency of the Railwaymen’s consumer co-operative societies or that of State authorised dealers – Board’s policy reg.

3. Grant of facilities and concessions to the Railwaymen’s Consumer Cooperative Societies – Policy regarding.

4. Grant of Board’s approval to the organisation of societies in respect of un-approved centres.

5. Credit sales to the Members of the societies – Policy reg.

7. Levy of taxes, e.g., sales tax and Municipal taxes on Co-operative societies.

8. Levy of fee for work done for Consumer Cooperative Societies on account of credit sales and recovery through pay bills – Policy reg.

10. Consideration of the complaints regarding the working of the Credit Societies.

11. Recovery of Credit Societies dues from the P.F. assets of the Member Railway employees

12. Board’s policy regarding nomination of Railway officers as office bearers and Directors on Cooperative Credit Societies managements.

14. Statements of Quarterly reports in the Progress made in the working of the Societies by the Railways.

15. Matters concerning policy on cooperatives considered by Estimates and Public Accounts Committees.

17. All issues related to Railwaymen’s Cooperative Housing Societies – on the Railways – Matters relating to.

18. Complaints regarding working of the Cooperative Housing Societies.

19. Celebration on Railways regarding the Co-operative Societies – All India Cooperative Week Celebration.

20. All issues related to Labour Cooperative Societies – Policy regarding.

22. Grant of facilities to Cooperative Labour Societies

23. (i) Examination/clarification of extant policy regarding cooperative aspect; and
(ii) Matters involving change in the existing policy or evolving new policy on Co-operative aspects concerning: -
   (a) Goods and Parcel Handling Contracts
   (b) Coal, ash and cinder picking contracts.

24. Liaison with the National Cooperative Union of India/National Federation of Labour Cooperatives and other agencies/organisations connected with Cooperation.

26. Rent of Building, Electricity, Subsidy etc. related to Consumer Cooperative Society – Policy regarding.

*****
**E(Rep) - I, E(Rep) - II and E(Rep) - III**

1. All Individual & Joint representations/references, etc. received from non-gazetted Railway staff, serving or retired, which are received directly or through MPs/MLAs, other public men and various Social Organisations/Trade Unions/Political parties etc on their service matters including pension and other related matters, excluding the following:-

   a) References dealing with matters of general policy as distinct from individual grievances.

   b) Court/CAT cases and Railways’ proposals.

   c) All Individual representations in respect of Gazetted Officers/RPF personnel.

   d) All individual representations for appointment against Sports Quota.

   e) All individual representations received from or in respect of the employees/ex-employees belonging to the SC/ST Communities.

   f) Complaints against gazetted/non-gazetted railway officials by public/railway staff which are not connected to service grievance/day to day work.

1.1 All Individual/Joint Representation relating to NPS received from serving or retired non-gazetted Railway employees either directly or through MPs/MLAs/VIPs or from Associations/Federations.

2. In addition to the above E(Rep)II Branch exclusively deals with the following:-

   a) All individual requests for direct appointment for all Railways/PUs

   b) All individual representations from employees working in other Ministries/Departments in Delhi either from employees themselves or through MPs/MLAs etc. for transfer and appointment on the Railways on humanitarian/compassionate grounds. These are to be dealt with like other individual representations from Railway employees on staff matters.

E(Rep)I Branch deals with references pertaining to North Western, West Central, Central, South Central, Western and Metro Railways, Production Units (excluding RDSO) viz. CLW, DLW, ICF, RWF, DMW, all MTPs (except MTP/DLI), COFMOW, R.E.

E(Rep)II Branch deals with references pertaining to East Coast, NCR, North Eastern, South Eastern, South East Central Railway and Northeast Frontier Railways.

E(Rep)III Branch deals with references pertaining to Northern, Southern, Eastern, South Western and East Central Railways.

Finance (Stores) - I

(I) All Cases of RS(I) Branch pertaining to procurement of following items

1. Wagons.
2. Composite Brake blocks for freight & Coaching Stock.
3. Composite Brake Blocks for Diesel & Electric Locos.
4. CTRBs.
5. Spares of CTRBs.
6. Couplers.
7. Spares of Couplers.
8. Air Brakes.
10. Distribution Valves.
11. Laminated bearings & Springs

(II) All cases of RS(PF&FC) Branch

1. C.S. Bogies.
2. H.S. Bogies.
3. Wagons procured under ‘OYWS’.
5. Finalisation of prices of coaches.
6. Final modification of wagons.
7. Final modification of coaches.
10. Modified Adaptors.
11. Elastomatic Pads.
12. Procurement of BTPGLN, BTPN, BOM, BWTA & BVZC Wagons
(III) **All cases pertaining to RS(F) Branch dealing with import of following items :-**

1. Critical Items of Rolling Stock namely viz. 4000 H.P. D.S.L. electric Locos.
2. 4000 H.P. electric Passenger Locos.
4. 6000 H.P. electric locos.
5. 140 T Brakedown cranes (full assembled).
6. LHB Coaches, Imported Coaches.
7. Wheelsets.
8. Crane Kits.
9. Light Weight Coaches.

(IIIA) **Procurement of Computers – RS(IC)**

1) Oil fired steam locos for Darjeeling Hills.
2) Electrics for EMUs (Imported).
3) Re-railing equipments.
4) Rate contract for crane spares (Cowans Sheldown & Gottwald).
5) Any other imported item to be procured under A.D.B./World Bank Loans pertaining to Electric and Mechanical Dtes.

(IIIB) **Procurement of wheels & axles from WAP & SAIL**

Procurement of kits and spares indigenously manufactured from M/s Jallan, Durga and AgroMach

(IV) **All cases pertaining to Development Cell**

1) Flasher light for diesel locos.
2) Marked light for diesel locos.
3) ‘L’ type composite brake blocks for M.G. Diesel Locos.
4) ‘K’ type C.B. brakes for EMUS and Coaching and ‘L’ type for Diesel & Electric locos.
5) Centre Buffer couplers for coaches.
6) 3 Phase small meter with Built in Inverter for Diesel Electric locos.
7) Traction Motor, FRP Gear case for WDM-2 Locos.
8) Bogie Mounted Brake System.
10) Elastomatic pads.
11) Micro processor based control system for Diesel locos.
12) Lube oil filter for Diesel Locos.
13) Fuel Projection equipment for Diesel locos.
14) Twin Beam Headlight.
15) Solid wheels for EMUs.

(V) **Cases pertaining to RS(G) Branch**

Steel requirement for wagons, Examination of final modification, reimbursement of excise duty on bogies and couplers for in-house manufacturers.

(VI) **M(C) Branch:-**

1. Rolling Stock Programme-Coaching Stock.
2. Production Programme of Coaches.

(VII) **M(L) Branch:-**

1. Supply of Capital Spares.
2. Finalisation of Rolling Stock Programme (locos) and individual Railways Itemised RSP pertaining to all Mech. And Elect. Items under RSP.
3. Premature condemnation of diesel locos.

(VIII) **M(N) Branch:-**

Rolling Stock Programme – Pertaining to wagons

(IX) **M(W) Branch:-**

1. Works Programme – Workshop Steam, Diesel Loco Shed including M(M&P) integrated in works programme.
2. Production Programme of Wagons.

(X) **All cases pertaining to Insurance, Sales Tax and Delegation of Powers**

1. Purchase of Stores.
2. Local Purchase of material of small value.
4. *Subject* transferred to RS(POL) vide Office Order No. 69 of 2015 dated 14.08.2015.
5. Cases related to Sales Tax disputes regarding lease wagons of IRFC transaction.
6. RS(G) Branch-Policies relating to procurement of stores requiring Finance concurrence.
7. All Policy matters other than the ones initiated from RS(G).
8. Delhi Value Added Tax.
9. Proposals from various Zonal Railways pertaining to Entry Tax.

*****

*All Policy matters concerning Marine Insurance of Railway Property from import.*
FINANCE (Stores) - II

Associate Finance for cases received from:

1. **Track Directorate**

   All cases of Track-I Branch pertaining to procurement of Track materials namely Rails, Fish Plats, C.I. Sleeper Plates, CMS Crossings, Switches & Crossing and Thick Web Crossings, Procurement of imported steel materials, Glued Joints, Heat-Treated Welded Crossings etc.

   Scrutinising and vetting of indents received from Zonal Railways with regard to above items. Checking and vetting the tender documents before floating of tenders. Checking the quotations and vetting the comparative statements, draft contracts and all other connected post-contractual work etc.

2. **Track-II**

   All cases of Track-II Branch pertaining to procurement of Concrete Sleepers Elastic Rail Clips, H.M. Fastening and Special Cement, GFN Liners, G.R.S.P, Sal Wooden Sleepers, HCI/SGCI Inserts, HTS Wire, Metal liners, Switch expansion Joints etc.

   Scrutinising and vetting of indents received from Zonal Railways with regard to above items. Checking and vetting the tender documents before floating of tenders. Checking the quotations and vetting the comparative documents, Checking of draft contracts and all other connected post-contractual work etc.

3. **Track III**

   All cases of Track-III Branch pertaining to procurement of Track Machines, Tie Tampers, Flash Butt Welding Machines Equipment, ‘On-track Tampers, ballast cleaning machines, ballast tampers, rail straightening presses, imported gear components, Dynamic Track stabilizer, different types of tampers, rail-cum-road vehicle, camping coaches, Track recording car etc.

   Scrutinizing and vetting of indents received from Zonal Railways with regard to above items. Checking and vetting the tender documents before floating of tenders. Checking the quotations and vetting the comparative documents, checking of draft contracts and all other post-contractual work etc.
4. **R.E.(S)**
All cases of RE(S) Branch regarding procurement of Railway Electrification Stores Items, Cables Transformors, Electrical Signalling equipments, Insulator, Lightening arrestors, Relays, Copper bars Accessories, Circuit breakers etc.

Scrutinizing and vetting of indents received from Zonal Railways with regard to above items. Checking and vetting the tender documents before floating of tenders. Checking the quotations and vetting the comparative statements, draft contracts and all other connected post-contractual work etc.

5. **R.S (Sig)**
All cases of RS(Sig) Branch regarding procurement of Invertors, Roof mounted AC package unit, RC fans, Thermal time element Relays, Brush less Alternators, Track Relays, Point Machines, Point Contractor Unit, Microwave Trans Receiver, Signal lenses, Token less Block Instrument.

Scrutinizing & vetting of indents received from Zonal Railways with regard to above items. Checking & vetting the tender document before floating of tenders. Vetting the comparative statements. Checking the draft contracts & all other related post-contractual work.

6. **All cases pertaining to M(M&P) Branch :-**
   a) Annual M (M&P) Programme of all Railways/PUs.
   b) All matters pertaining to out-of-turn sanction for M(M&P), revised cost estimate etc.
   c) Rail cranes-140 tonne-Provision in RSP.
   d) Rolling Stock Programme – Out of turn sanction of RSP Items and enhance cost.

7. **All cases pertaining to Steel Items.- RS(S) Branch.**
Examining and vetting of indents, abstracts, contracts and post contract work in respect of following items.-

   a) Corrosion Resistant Steel Sheets and Plates.
   b) Copper Bearing Mild Steel Sheets and Plates.
   c) Structurals and ‘Z’ Sections.
   d) Special Quality Steel to IS.8500.

8. **All cases pertaining to RS(Scrap) Branch.**
   a) Disposal of Scrap.

*****

74
**F(S)-III**

**WTA Items: WTA Branch**

Examining and vetting of pre and post contract work in respect of following types of Misc. Wheels: -

(i) LHB Loco Wheels.
(ii) ABB Loco Wheels.
(iii) GM Loco Wheels.
(iv) NG Loco Wheels.

2. All cases relating to procurement of Steel Tyres.

3. Procurement of EMU Wheel Centres through Global Tender and related work.

4. B.G. Coaching Axles, Axles for Boxn Wagons and IR Bogies.

5. Wheels for metro Coaches and Motor and Trailer Coaches.

**All cases pertaining to RS(B) Branch:**

a) Compilation of Board’s rolling Stock Budget in respect of locos, coaches, wagons and under frames including revised estimates.

b) Compilation of Board’s rolling Stock Programme including revised estimate.

c) Compilation of pools of free supply items, i.e. wheelsets, center buffer couplers, roller bearing axle boxes, etc.

d) Preparation of Annual Plan Proposal in respect of Rolling stock. Planning relating to wagon production and free supply items.

e) Allotment and distribution of free supply items such as wheelsets, CBCs, RBABs, air brakes, laminated springs to Railway workshops.

f) Compilation of wagon production review.

g) Permission for stabling of wagons and chasing their releases.

h) Ordering of wagons to be manufactured in Railway workshops.

**Items of RS(P) Branch:**

Examining and vetting of indents, abstracts, tender documents, contracts and cases in respect of delivery period extensions for the following items:-

1. Lead Acid Batteries 8 volts /450 AH for BG Locos.
2. Lead Acid Batteries 8 volt /290 AH for MG Locos.
3. Lead Acid Train lighting Batteries 120 Ah and 800AH for Coaches.
4. Lead Acid Batteries 210 AH for AC coaches.
5. VRLA Batteries.
7. T.L Batteries.
8. Pre and Post contract works for procurement of Traction Electrics from M/S BHEL for M/S Jessop and BEML.
9. Examining and vetting of cases related to fixation of final and provisional prices of BHEL Electrics.
11. Vetting of Appreciation Committee Cases received from all Zonal Rlys and PUs.

**Electrical TRS**
2. Vetting and examination of cases related to TOT contract.
3. Estimates for Retro fitment and procurement of three phase AC/DC EMU.
4. Pre and post contract work for procurement of Air Drier.

**Electric development**
1. Estimates for development and procurement of Electrical equipments.
2. Tender work related to setting up of various new projects.

**Electric (G) Branch**
Vetting and examination of cases received for procurement of Electrical Items.

**RS(POL) Items – RS (POL) Branch**
Vetting of indents abstracts tender documents, contracts and post contract work related to under mentioned items:-
1. Lubricating Oils for Machinery Plant and Automotives application-all grades.

2. Branded Oils for Locos and Rolling Stock applications
   Servo System-81,100 Servo Press 150, Servo Torque 10, Servo super 40 and Servo gear HP 90,140, SM-140, Servo Lube 100 and Servo Mesh SP257.

3. Multi Grade Oil.

4. Turbine Oil.

5. Servo Grease RR-1(IOC).

9. HSD (High Speed Diesel).

10. Primary Oils:- SKO, FO, LDO.

11. AAR approved Greases of CTRBs.

**RS (Cab) Branch**

Vetting of post contract work related to items mentioned below:-

Signalling cables Screened/Un-Screened Sizes.

2x1, 2x2.5, 4x1.5, 4x2.5, 6x1.5, 8x1.5 9x1.5, 9x2.5, 10x1.5, 12x1.5, 14x1.5, 16x1.5, 18x1.5, 19x1.5, 20x1.5, 24x1.5, 30x1.5, 37x1.5

**RS (Tex)**

Vetting of post contract work related to items mentioned below:-

1. Cloth Cotton
   a. Drill : cloth IS 177/89 or latest for fabrication.
   b. Cellular : Cloth to IS 1144/80

2. Cloth woolen :
   a. Serge V.No. 1    ISS 2319/87
   b. Serge V.No.4    IS 2319/87
   c. Angola Shirting IS 8331/93

77
d. Great Coat Cloth IS 679/74
e. Blanketing Blue IS 895/57
f. Water Resistant Cloth IS 679/74

3. Cloth Polyester cotton
   a. Shirting IS 11815/86
   b. Suiting IS 11248/95

**Security Directorate**

Cases received from Security regarding sale of scrap of cartridges.

**Cases related to Excise and Custom Duty as detailed below :-**

1. Cases received from all Zonal Rlys, Production Units and various Directorates of Railway Board for obtaining High Power Committee's Policy decision on ED/CD disputes.
2. Appointment of Lawyer for contesting the cases of all Railways in High Court and Supreme Court.
3. Holding of Meetings among Ministry of Finance, Cabinet Sectt., Zonal Rlys and Production Units.
4. Liaison work with Ministry of Law and Justice, Cabinet Sectt, High Court and Supreme Court.

1. Participation in Trainings, Seminars, Workshops, Conferences of Officers and staff in Non-Railway Organizations.

2. Preparation of Budget Estimates for officers/staff working in Railway Board for:
   - (a) Training in India in non-Railway organisations;
   - (b) Training abroad; &
   - (c) Participation in Seminars/Conferences/Workshops.

   2.1 Nodal branch for processing of proposals relating to training/seminars/conferences/workshop in India by non-railway institutes and nodal branch for Training/study visit abroad.

3. Training on Indian Railways of:
   - (a) Foreign nationals;
   - (b) Officials of Central Government/ State Government / Government and Semi Government Organisation; &
   - (c) Officials of other non-Railway Organisation.

4. Training abroad of Railway personnel
   - i) under Aided schemes;
   - ii) at Government expenses;
   - iii) under contract with foreign firms; &
   - iv) under miscellaneous arrangement.

5. Policy and work regarding forwarding of applications received from Railway employees against overseas scholarships advertised by other coordinating Ministries.

6. In service training of officers including probationers of eight organised services in Railway Training Institutions.

7. All matters relating to departmental training including examination during probationary training of probationers of eight organised services.

8. Training of probationers at the Lal Bahadur Shastri National Academy of Administration (LBSNAA/Mussourie).

9. Assessment Reports of probationers of eight organised services appointed through UPSC.
10. Resignation of probationers of eight organised services.
11. Technical Reports in respect of officers and staff trained abroad.
12. Service Agreements for Special Class Apprentices.
13. Grant of advance increment to individual probationers, subject to their passing of Departmental Examination.
14. All policy matters concerning initial fixation of pay and counting of service in previous Government employment of probationers of the eight organised services.
15. All policy matters concerning training in consultation with E(MPP).
16. Grant of incentives to Railway employees for acquiring higher qualifications.
17. Language examination for directly recruited officers.
18. Parliament Question on above including shortage of qualified engineers on railways.

*****
E(RRB)

1. Policy, Procedure, Monitoring of recruitment for Group ‘C’ staff through RRBs.
2. Appointment of the Chairmen, Member Secretaries, Assistants Secretaries of Railway Recruitment Boards.
3. Posting/Transfer of Non-Gazetted Staff in the RRBs.
4. Review of strength of RRBs.
5. Service conditions of Non-Gazetted staff in the RRBs.
6. Matters relating to procurement of Mechanical aids for the RRBs.
8. All matters relating to the recruitment viz. from the stage of placing indents to the stage of issuing offer of appointment, to the candidates for Group ‘C’ categories.
9. Examination fee and allied matters.
10. Court Cases and allied matters.
12. Matter relating to special recruitment drives for SCs/STs etc.
13. Implementation of Official Language and allied matters by the RRBs.
15. Engagement of Retired Railway Employees for casual work in the RRBs.
16. References from Federations relating to recruitment of Group ‘C’.
17. Alternative appointment to Group ‘C’ candidates recruited through RRBs.
18. Individual references from the candidates relating to recruitment through RRBs.
19. Transfer of panels beyond the jurisdiction of RRB.
20. Cancellation of indents/panels.
21. Cancellation of examinations partially or fully.
22. Reduction/increase in the notified vacancies through RRB.
23. Matters relating to the Railway Recruitment Control Board.
24. Meetings of Railway Recruitment Control Board with RRBs.
25. Parliament cases/RTI cases regarding Group ‘C’ recruitment through RRBs.

MECHANICAL ENGINEERING DIRECTORATE

MECHANICAL (COACHING) – M(C)

1. Coach Building Programme in Railway workshops.
2. Fixation of authorised stock – All types of coaches including AC & Non AC PCVs & OCVs.
3. Replacement requirements, distribution allotment and readjustment in the authorised holdings of coaching stock.
4. Layouts and Design of all passenger carrying coaching vehicles (PCVs) including AC coaches, EMUs, DMUs, MEMUs, etc. and other coaching Vehicles (OCVs).
5. Condemnation of coaching stock.
7. Sanction to estimates of coaches.
11. Vestibuling of coaches.
13. Complaints in respect of above.
14. Design safety aspects of all coaching vehicles including AC & Non-AC PCVs, OCVs, EMUs, DMUs and MEMUs.
15. Coach maintenance infrastructure, planning and design of maintenance facilities.
17. Coaching toilet policy and design & maintenance of coach toilet systems.
18. Rail Tourism: Design of special coaches & designer coaching stock and maintenance arrangement for such trains.
19. All issues related to Bed Rolls.

20. Issues related to on board passenger amenities.

21. Parliament Question on above including ISO certification of trains, on-board facilities/amenities on trains including local and EMUs/DMUs garbage management in trains, on Board Diagnostics on locomotives, handicapped friendly coach, Pit lines, anti-climbing features to reduce the impact during collisions, automatic fire detection and fire alarm system on trains, etc.

*****
MECHANICAL (N)

1. Requirement and distribution of wagons.
2. Sale of wagons from line.
3. Condemnation of wagons.
4. Processing of Minutes of Carriage and Wagon Standards Committee.
5. Carriage & Wagon Advisory Committee Meetings.
6. Sanction of estimates and completion reports pertaining to wagons ordered on ‘Private building’ only.
7. Wagon design collaboration.
8. Wagon designs.
9. Inter Railway Transfer of wagons.
10. Conversion of wagons from one type to another.
11. Policy regarding fitting of the Centre Buffer Couplers Stock.
12. Use of Aluminum/Stainless Steel in wagon building.
13. Amendments and modification to IRCA Conference Rules, Part III pertaining to wagons.
15. Maximum permissible speeds for Rolling Stock (wagons).
16. Improvements in brake systems on goods stock.
18. Overloading of wagons.
19. Policy regarding maintenance and repairs of wagons.
20. Patents of new wagon designing and components.
21. NRUCC and Operating Committee items pertaining to wagon designs and defects.
22. Maintenance charges of wagons and sale of wagons to outside parties.
23. Wagons design loan charges.
24. Wagons required by Defence Department and their modification.
25. Neutral Control Examination of wagons by the NCO staff.
27. Change in Headquarter offices of Drivers.
28. Parliament Questions on above including Mechanical failure/train parting, Neutral Control Wing of Indian Railway, rolling stock spread across Railway Track, steps taken to increase the freight carrying capacity of trains.

*****
MECHANICAL (LOCO) – M(L)

1. All policy matters related to maintenance and operation of diesel/steam locomotives, DMUs, Rail buses and rail cars.
2. Planning for requirement of diesel/steam locomotives, DMUs, Rail buses and rail cars.
3. Allotment/transfer of diesel/steam locomotives, DMUs, Rail buses and rail cars.
4. All policy matters related to technological upgradation and modernisation of diesel/steam locomotives, DMUs, Rail buses and rail cars. Diesel Hydraulic, Diesel Electric, Battery operated and Hybrid Shunting Locomotives.
5. Planning for capital spares for diesel locomotives, DMUs, Shunting Locomotives, rail buses and rail cars.
6. Monitoring of punctuality of trains hauled by diesel/steam locomotives, DMUs, rail bus and rail cars.
7. Monitoring of performance parameters such as engine failure, outage, unit cost and utilization of diesel/steam locomotives, DMUs, Shunting Locomotives, rail buses and rail cars.
8. Coordination with RDSO, CAMTECH, DLW, DLMW, ICF, Dankuni, Haldia regarding technical matters pertaining to diesel/steam locomotives, DMUs, rail buses and rail cars.
9. Coordination in respect of Bulk Indent Meeting (BIM), Diesel Maintenance Group (DMG) and Loco Standards Committee (LSC).
10. Policy matters relating to management and training of crews, running allowance, simulators, etc.
11. Policy matters relating to running room, running room staff, box porter, call boy. Nodal Directorate for issues pertaining to running staff management.
12. Policy matter relating to diesel and steam maintenance staff.
13. Material for annual Budget documents pertaining to diesel/steam locomotives, DMU, Shunting Locomotives, rail buses and rail cars.
15. Development of alternative sources of energy such as fuel cells, LNG, CNG, Bio-diesel, gas turbine Locomotives, Multi Gen set Locos, etc.
16. Staff strength on mechanical department.
17. Running Room Improvement Committees recommendations and Running Room Shield.
18. Entitlement of running room facilities.
19. Crashworthy design of locomotives.
20. Policy regarding sale of diesel locos to non-IR users.
22. Distribution power for long haul and push-pull train operation.
23. Speedometer, speed recorders, event recorders, GPS based remote monitoring and optimized driving and on-board safety devices for locomotives.
24. Parliament Questions on above including demand for Drivers and other staff required for introduction of new trains, over aged locomotive in operation, reduction in work load of loco pilots.

*****
1. All policy matters related to procurement of high speed diesel oil, lubricants, loco coal and hard coke for use in diesel and steam locomotives on Indian Railways.

2. Monitoring of the consumption of high speed diesel oil, lubricants, loco coal and hard coke.

3. All policy matters related to dispensation of high speed diesel oil and lubricants through Railway diesel installations.

4. Monitoring of the quality of high speed diesel oil and lubricants supplied to Railways.

5. Monitoring of implementation of fuel economy measures on Indian Railways.

6. Liaison with organisations such as IOC, BPCL, HPCL, CIL, BCCL for supply of high speed diesel oil, lubricants, hard coke and coal for use on Railways.

7. Liaison with RDSO for technical specifications of high speed oil and lubricants used on diesel locomotives.

8. Liaison with CMA/Dhanbad for supply and quality of loco coal/hard coke to Railways.

9. Collection and compilation of statistics from Railways regarding consumption of high speed diesel oil, lubricants, loco coal and hard coke.

10. Energy conservation on Railways.

11. Development of alternative sources of energy such as bio-diesel, fuel cells, LNG, CNG, etc.

12. Budget for fuel consumed on Railways.

*****
MECHANICAL (SAFETY) - M(SAFETY)

1. Accident due to mechanical defects on all Zonal Railways.
2. Implementation of RAEC recommendations.
3. Annual Safety reviews of Indian Railways.
4. Correspondence regarding accidents/derailment etc. with Zonal Railways and other Directorates.
5. All Safety matters concerning Mechanical Directorate.
6. Any other work entrusted by Additional Member (ME).
7. CRS recommendations.

*****
MECHANICAL(DRAWING) – M(D)

1. Maintenance of Charts and graphs concerning operation, workshop activities & Mechanical planning.
2. Preparation of tracings and Maps.
5. Maintenance of Index section of all Indian Railways.
6. Maintenance of IRS and ISI Specifications concerning Mechanical Department.
7. Maintenance of the approved layout of BG, MG & NG Coaching stock.
9. Ineffective time of engine on POH in the workshops, rolling stock taken off the line, Position of overages rolling stock, daily ineffective position of wagons. Monthly Ineffective position of Rolling stock and such other statistics concerning to Mechanical Department.
10. Typewise ownership of wagons.
14. Detailed particulars of type wise coaches owned by the railways(BG&MG yearly).

*****
MECHANICAL ENGINEERING (P.U.) & (W) DIRECTORATE

**M(M&P)**

1. Annual Machinery and Plant Programme of all Railways /Production Units.
2. All matters pertaining to out-of-turn sanction for M&P, revised cost estimates etc.
4. Review of utilization of M&P in Railway Workshops.
5. Procurement of special purpose machine tools for Railways and Production Units.
6. Liaison with COFMOW on all matters.
7. Inventory and age of M&P on Railways.
8. External Aid/Loans for M&P.
9. Accidents and implementation of committee’s recommendation.
10. Rail cranes on Railways, planning and provision in RSP.
11. Accident Relief Trains on Railways.
13. Children’s Train.
15. Painting Technology.
16. Inventions & Patents pertaining to Mechanical Directorates.
17. Correspondence with Bureau of Indian Standard pertaining to Mechanical Branch.
18. Arrangement of training for technicians of Railways and Production Units in maintenance and operation of machine tools.
20. Coordination on behalf of Mechanical Directorate for Wheel Maintenance Hub.
22. Policy pertaining to Staff deployed for Disaster Management including Yardsticks, Selection, Training, Allowances, Incentives, Personal Protective Equipment and Uniform.

*****

126
**MECHANICAL (W) – M(W)**

1. **Works Programme:** Workshops Steam and Diesel locomotives sheds, sickliness and depots of all Railways and the Production Units viz., C.L.W., D.L.W., I.C.F., RWF, R.C.F., and D.M.W. (including machinery and Plant integrated in works programme).

2. **Rationalization of workshop capacity.**

3. **Productivity, Planning, Control and Management.**

   Incentive Scheme in Railway Workshops (Mechanical, Electrical, Civil Engineering and S&T Workshops), Work Study in Railway Workshops.

4. **Development of repair and maintenance facilities.**

5. **Development of maintenance facilities:**
   Expansion and remodeling of existing steam/diesel loco sheds, sick lines etc. Setting up new sheds, sick lines etc.

6. **Other miscellaneous items concerning repair, maintenance and manufacture of rolling stock in Railway Workshops and Production Units.**

7. **Processing the minutes of meetings of C.M.Es.**

8. **Overall incharge of all activities of development Wing of the Railway Board.**

9. **Maintains liaison with Railway Stores Directorate in respect of the following:**

   i) Smooth flow of inputs for Wagons Production.

   ii) Wagon Production from various Units.

10. **Liaison with Addl. Director (I&L), RDSO, Lucknow and his organization in respect of Wagon components and Wagons.**

11. **Parliament Questions on above including Maintenance Yard, Rail Industrial Parks in the country, reduction in number of workers in Railway PUs.**

******

127
**Mechanical (PU) - M(PU)**

1. Rolling Stock Programme – Coaching Stock (Coaches, EMUs, DMUs, MEMUs, OHE Cars, Rail Buses etc.), Wagons, Locomotives (Diesel & Electric), Overall coordination of RSP, allotment of funds under RSP and reappropriations.

2. Issue of Production Programme relating to Coaching stock, Diesel/Electric Locomotives, Wheels and Axles from Production Units.

4. Planning of production in the Production Units for export and Non Railway Customers including exports through PSU’s.

5. Liaison with other Directorates in the Railway Board and also with other Ministries regarding matters relating to Production Units.

6. Deal with all matters in respect of Production Units connected with reference from:
   a) Public Accounts Committee.
   b) Estimates Committee.
   c) Parliament Questions.
   d) Queries from MPs and other Committees which are set up from time to time.

7. Processing of Itemized Rolling Stock Programme of various Zonal Railways received from the respective Directorates, after financial vetting and inclusion thereof in the Pink Book against programmed deliveries and New Acquisitions.

8. Maintenance of registers for production programmes of locos and coaches.

9. Other miscellaneous items concerning repair, maintenance and manufacture of Rolling Stock in Production Units.

10. Liaison with Railway Stores Dte. And others in respect of BEML & other PSUs on manufacturing for Railways.

11. Coordination for International Railway Equipment Exhibition (IREE).

12. Coordination for items pertaining to Railways for Index of Industrial Production (IIP).

*****
1. Self Sufficiency and Import Substitution:

i) Development of items other than Signalling (Electrical Spares Components also).

ii) Placement of Developmental orders for new technology items, imported components and/or short supply items necessitating multi-sourcing. This prima- facie includes:

(a) Procurement work.
(b) Progress and Post contractual work.
(c) Monitoring the performance of products supplied against developmental orders.
(d) Decentralization of developed items for purchase on Railways and Production Units.

iii) Liaison with the Ministry of Industry, Department of Science & Technology, Ministry of Steel, Department of Electronics, DGFT for special licensing.

iv) Processing of Customs Duty Exemption for RDSO and other projects of Economic Development.

v) To examine and recommend applications for foreign collaborations & Industrial Banks.

vi) To deal with policy matters on indigenous development and import substitution.

vii) To review the progress of indigenisation of rolling stock in Production Units viz DLW, CLW, ICF, RCF and DMW.

vi) Liaison with Ministry of Finance for export promotion and other incentives/benefits to compete in international market.

2. Introduction of New Technologies:
   (In consultation with concerned ED)

   a) Technological upgradation of rolling stock.
   b) Import of rolling stock with transfer of technology.
   c) Import of rolling stock components with Transfer of Technology
d) Finalisation of arrangements for TOT i.e inclusion/adoption of new technology on IR or in the Public Sector on merit basis

e) Joint Venture with Foreign and Indigenous suppliers/Firms.

3. Export/Sale Promotion:

a) Nodal Directorate for coordinating Export Promotion Committee meetings.
b) Single window clearance for export enquiries for Railway Rolling Stock (new and second hand) the components & other equipments e.g DG sets etc.
c) To receive quotations from the Production Units for export of rolling stock.
d) Scrutiny of the quotations with a view to make it competitive.
e) To coordinate with Export Agencies viz RITES & IRCON etc.
f) To coordinate with Ministry of Commerce in the matter of Export Promotion.
g) Sale of rolling stock (new & old) and other equipments such as DG sets, Power Packs & Spares to PSUs and Private Sector.
h) To deal with policy of Export/Indigenous sales.
i) To explore potential trade with other countries arising out of Government to Government agreements & Soft Loans etc.

4. Development of New/Alternative Materials for Rolling Stock Components in Liaison with RDSO, other Ministries and Research Institutes in India and Abroad.

5. Multi-sourcing of rolling stock items having limited sources to develop healthy competition.

7. Coordination with RA/Berlin for information exchange and potential technology transfers with European Organizations to be reviewed quarterly.

8. Coordination of IT applications of Mech. Department.

9. Miscellaneous:

i) Sale of Tender documents.
ii) Liaisioning with International Organizations such TTCI, AAR, UIC and other Institutions connected with railway transportation.

iii) Liaisioning with Government Research Agencies like TIFAC & IITs etc.

iv) Assistance for setting up of Railway Pavilion for Rolling Stock models/Equipment in exhibitions in India & Abroad.

v) To attend working of the following committees:

   a) Development Council for the Scheduled Industries.
   b) Development Council for non-ferrous metals.
   d) High Level Committee for Import Substitution.
   e) Panel on Steel Casting Industry.
   f) Panel on Steel forging industry.
   g) Committee for Secretaries on Public Sector Enterprises.
   h) Licensing Committee meetings.
   i) Development Commissioner, SSI and Ancillary Industries Meeting.

10. Weigh bridges – Policy and important instructions.

11. Parliament Questions on above including manufacture of high axle load wagons, installation of Wild System.

   *****
OFFICIAL LANGUAGE DIRECTORATE

HINDI(OL) - I

1. Creation of gazetted and non-gazetted posts of Hindi on Railways & in Railway Board.

2. Administrative and miscellaneous matters concerning gazetted and non-gazetted staff and all establishment matters related to Hindi Directorate of Railway Board.

3. Use of Hindi in correspondence, noting, drafting -Policy & complaints.

4. Use of Hindi in Name-Boards, Sign-Boards, Recruitment/ Departmental examination, Reservation Charts -policy & complaints.

5. Circulation of Annual Programme received from Ministry of Home Affairs.

6. Holding meetings of Mukhya Rajbhasha Adhikaris and Senior Rajbhasha Adhikaris, issuing of minutes and action thereon.

7. Making arrangements for inspection of various Railway Offices by Parliamentary Committee on Official Language and follow up action on the assurances.

9. To notify Railway offices and specify subjects for implementation of Hindi:-
   i) under Rule 10(4) of OL Rules, 1976.
   ii) under Rule 8(4) of OL Rules, 1976.
   iii) for doing cent -percent work in Hindi in Board’s Office and on Railways.

10. Follow up action on PCDO’s of GMs.

11. Follow up action on the items related to the branch mentioned in the minutes of the following meetings:-
   i) Railway Board Official Language Implementation Committee.
ii) Railway Hindi Salahakar Samiti.

iii) Zonal Railway Official Language Implementation Committees.

iv) Divisional Official Language Implementation Committees.

vi) Station Official Language Implementation Committees.

12. Conversion of all Electronic Equipments, Computers etc. in bilingual form and to ensure purchase of these equipments in bilingual form in the beginning.

14. To organize Computer Exhibitions/Demos.

15. All issues related to Official Languages Act including use of Regional Languages on Railways.

16. Parliament Questions on above including importance to be given other regional/national languages, sign Boards of Railway stations in regional language, use of language on Railway Information Boards, naming of Railway stations in regional languages etc.

*****
1. Compilation and Review of Quarterly Progress Reports received from the following:-
   i) Zonal Railways.
   ii) Production Units.
   iii) Attached & Subordinate offices.

2. Compilation and review of Quarterly Progress Reports received from various Sections of Railway Board and sending the compiled report to Ministry of Home Affairs in every Quarter.

3. To organize meetings of Director OL with Board Members, AMs, Executive Directors for Hindi Implementation from time to time issuing of minutes and follow up action thereon.

5. Follow up action on the Inspection Reports of officers of OL Directorate of Railway Board and Mukhya Rajbhasha Adhikaris, Dy. Mukhya Rajbhasha Adhikaris & Senior Rajbhasha Adhikaris of Zonal Railways/PUs etc.

6. Follow up action on the Inspection Reports of officers other than Hindi Department of Railway Board & Zonal Railways etc. regarding use of Hindi.

7. Compliance of Section 3(3) of Official Language Act on Railways and in Railway Board and setting up of check points.

8. Use of Hindi in correspondence, noting & drafting, Name Boards & Sign Boards, various items of official working - Implementation.

9. Compliance of targets fixed in Annual Programmes through Quarterly Progress Reports.

10. Follow up action on the items related to the branch mentioned in the minutes of the following meetings:-
   i) Railway Board Official Language Implementation Committee.
   ii) Railway Hindi Salahakar Samiti.

134
iii) Zonal Railway Official Language Implementation Committees.

iv) Divisional Official Language Implementation Committees.

v) Station Official Language Implementation Committees.

vii) Meeting of Mukhya Rajbhasha Adhikaris.

viii) Meeting of Dy.Mukhya Rajbhasha Adhikaris/Senior Rajbhasha Adhikaris.

11. To provide material in respect of use of Hindi for “Indian Railway Year Book” and “Indian Railway Annual Reports and Accounts”.

12. To provide material regarding use of Hindi to be included in the Budget Speech of MR.

13. Submission of reply of RTI cases relating to above subjects.

*****
1. Hindi translation, vetting and typing of the following documents received from various branches of Railway Board:

i) Letters.

ii) General Circulars.

iii) Office Orders.

iv) Orders.

v) Office Memorandum.

vi) NBR Certificates.

vii) Search Memos etc:

viii) Gazette Notification of general type.

ix) Cabinet Notes on Economic Affairs and Cabinet summary.

x) Resolutions.

xi) Commendation Certificate etc.

*****
HINDI (G) - II

1. Hindi Translation, vetting and computer typing of the following documents received for Minister/ State Minister, CRB, Board Members:

i) Reply to the letter received from various MP’s.

ii) Speeches.

iii) Messages.

iv) Interviews.

v) Tour Programmes.

******
1. Hindi Translation of Codes, Rule-books and Manuals/Training Modules published by the Railway Board.
2. Hindi rendering of corrections of Codes, Manuals/Training Modules etc. and the circular letters under which such corrections are to be notified or circulated.
3. Hindi rendering of Tender Notices, Bid Invitations, Expression of Interest, Request for Qualification (RFQ), RFP and their Corrigendum, Tender Forms, Recruitment Rules, Financial Sanctions and Statutory Notification.
4. Compilation of English-Hindi equivalents of terms and expressions commonly used in notings on files in Railway offices.
6. Hindi rendering and proof checking of Railway Board’s Telephone Directory.
7. Nomenclature of Railway Offices, Institution etc in Hindi and to prepare their abbreviated forms.
9. Compilation and review of reports received from Zonal Railways & PUs etc. regarding Hindi translation of Rule Books, Station Working Rules etc. follow up action thereon.
10. Follow up action on the items related to the branch mentioned in the minutes of the following committees.
   i) Railway Board Official Language Implementation Committee.
   ii) Railway Hindi Salahakar Samiti.
   iii) Zonal Railway Official Language Implementation Committees.
   iv) Divisional Official Language Implementation Committees.
   vi) Station Official Language Implementation Committees.
   vii) Meeting of Mukhya Rajbhasha Adhikaris.
   viii) Meeting of Dy.Chief Rajbhasha Adhikaris/Senior Rajbhasha Adhikaris.
11. Publication and supply of Rajbhasha Calendar, Poster and MR Sandesh (Hindi Diwas).
13. Parliament Questions and RTI issues related to the Branch.

13. Hindi translation of minutes of various meetings to be held in Railway Board.

15. Inspection notes, Tour notes of officers below the rank of Board Members.

16. Compilation of quarterly Hindi reports of local, standard and statutory forms received from all Zonal Railways.

17. To collect the information regarding the bilingual form of tariffs of all Zonal Railways.

*****
HINDI (Parliament)

Hindi rendering of the following papers/documents required to be laid before Parliament:-

1. Statements to be made by the Ministers in Parliament in response to different motions/notice, Assurances, Promises etc.

2. Replies to the points raised by MPs in the Parliament during the discussion on Railway Budget.

3. Parliamentary proceedings in Hindi/English.

4. Hindi rendering of recommendations and Action Taken Notes including minutes relating to Parliamentary committees, C&AG reports viz PAC, Estimates Committee, Standing Committee, Consultative Committee etc.

5. Points raised by MPs in the meetings of the Informal Consultative Committee pertaining to all Zonal Railways.

6. Agenda, Memoranda and Minutes of the meetings of the National Railway Users Consultative Council.

7. Budget documents and other reports presented to Parliament alongwith the Railway Budget.

9. Brochures, Reports by the Commissions, Committees and Tribunals covering Ministry of Railways which are required to be presented in Parliament.

10. Memoranda and Action taken Notes pertaining to Committee on the welfare of SCs/STs.

11. Questionnaires pertaining to individual Railway required to be submitted before the Commission for the welfare of SC & STs.

12. Official Reports like Study Group Reports of Efficiency & Research Directorate of Railway Board which are circulated to Railways and other Attached and Subordinate Offices.

13. Translation, Printing etc. of Annual Statistical Statement of Indian Railways.
14. Translation of all the letters/circulars, office memorandum, fax messages related to Budget and Parliament affairs and all types of Govt. Reports required to be laid before Parliament or not and correspondence related to these reports.

15. Any other work regarding Hindi rendering for presentation in Parliament.

16. Translation, proof-reading and printing of the following three books:-
   i) Appropriation Accounts Part I – Review.
   ii) Appropriation Accounts Part II.

*****
**HINDI (Samiti)**

1. Railway Hindi Salahakar Samiti:
   i) Constitution/Reconstitution:
   ii) Arranging meetings in every quarter.
   iii) Preparation of Action Taken Reports, Agenda, Briefs on new items, minutes and other ancillary work connected with the meetings of Salahakar Samiti.
   iv) Issue of Card passes to members of Railway Hindi Salahakar Samiti and their renewal.
   v) Making necessary arrangements for inspection of the various Railway Offices by the Members of Railway Hindi Salahakar Samity and follow up action on the inspection reports.
   vi) Nomination of the Members of the Railway Hindi Salahakar Samity as ‘Observer Member’ for attending the meeting of Official Language Implementation Committees for various Zonal Railways/other Offices participation in the meetings and related to follow up action.

2. Railway Hindi Salahakar Sub - Committee:
   i) Constitution/Reconstitution.
   ii) Arranging its meetings periodically.
   iii) Preparation of Action Taken Report, Agenda, Briefs, Minutes and other ancillary work related to it.

3. Railway Board Official Language Implementation Committee:
   i) Constitution/Reconstitution.
   ii) Arranging its meetings in every quarter.
   iii) Preparation of Action Taken Report, Agenda, Briefs on new items, Minutes and other ancillary work connected with the meetings of Railway Board Official Language Implementation Committee.

4. Zonal Railway, Divisions, Workshops and Stations Official Language Implementation Committees:
   i) Keep watch on the regular meetings.
   ii) Review of the minutes of these meetings.
5. Issue of card passes to various Hindi Organizations engaged in propagation of Hindi.

6. Follow up action on the items related to the branch mentioned in the minutes of the following meetings.
   i) Railway Board Official Language Implementation Committee.
   ii) Railway Hindi Salahakar Samiti.
   iii) Zonal Railway Official Language Implementation Committees.
   iv) Divisional Official Language Implementation Committees.
   vii) Station Official Language Implementation Committees.
   viii) Meetings of Mukhya Rajbhasha Adhikaris.
   viii) Meetings of Dy.Chief Rajbhasha Adhikaris/Senior Rajbhasha Adhikaris.

7. Follow-up action on the reports of Officers of OL Directorate regarding participation in the meetings of OLICs set up on Zonal Railway and PUs.

8. Hindi Libraries:
   i) Setting up of Hindi Libraries in Railway offices/stations.
   ii) Arranging furniture etc.
   iii) Provision of reading room etc.
   iv) Honorarium to the part time Librarians.
   v) Incentive for trainees.
   vii) Review of the expenditure incurred by Railways on purchase of books.
   viii) Other ancillary work connected with purchase of books & magazines.

9. RTI cases related to the Branch.

10. Preparation of the information related to the section in regard to the inspection of Parliamentary Official Language Committee.

*****
HINDI (Traning)

1. Medals/ Awards for commendable work in Hindi:

i) Rail Mantri Rajbhasha Medals to SAG officers for doing commendable maximum work in Hindi.

ii) Kamla Pati Tripathi Gold Medal to GMs for doing commendable work in Hindi.

iii) Rail Mantri Silver Medal to HODs for doing commendable work in Hindi.

iv) Lal Bahadur Shastri Taqniki Moulik Lekhan Puraskar Yojana for writing books in Hindi on technical subjects.

v) Premchand Award Scheme for writing excellent fiction in Hindi.

vi) Maithilisharan Gupt Award Scheme for writing excellent poetry in Hindi.

vii) Individual Cash Award Scheme for doing maximum work in Hindi for Railway employees/officers.

viii) Hindi Dictation Award Scheme for giving maximum number of Hindi dictations in a year.

ix) Branch-wise collective Cash Award Scheme for doing maximum work in Hindi.

x) Rail Yatra Vrittant Scheme for writing experiences in Hindi about railway journey.

xi) Circulation & follow up action on the Award Scheme of various Ministries/Departments.

xii) Follow up action in regard to Indira Gandhi Puraskar Yozana of the Deptt. of official Language, Ministry of Home Affairs as well as Incentive Scheme of other Ministries.

xiii) Incentive scheme for doing official work (Noting/drafting) in Hindi.

2. Shield/Trophies for doing maximum work in Hindi.

i) Rail Mantri Rajbhasha Shield/Trophy to be given to Railways/PUs for doing maximum work in Hindi.
ii) **Acharya Kishori Das Vajpai Running Shield** for Railway Board Directorates.

iii) **Acharya Mahavir Prasad Dwivedi Running Shield** for best Division situated in “A” & “B” regions.

iv) **Acharya Raghuvir Running shield** for best division situated in “C” regions.

v) **Shiv Sagar Mishra Running shield** for Production Units in “A” & “B” regions.

vi) Rail Mantri Rajbhasha Shield/Trophy for production Units situated in ‘C’ region.

3. **Organizing Various Hindi Competitions:**

i) Rail Mantri Hindi Essay Competition for writing essays in Hindi.

ii) All India Railway Hindi Essay, Elocution and Noting and Drafting Competitions.

4. **Organizing Rajbhasha Exhibitions/Celebrations:**

i) Rajbhasha Exhibitions.

ii) Akhil Bhartiya Rail Natyotsava.

iii) Celebration of Hindi Diwas/Hindi Week on Zonal Railways as well as in Railway Board.

iv) Poetic symposium.

v) Technical and other seminars.

5. **Training of officers/employees:**

i) To organize Practical Hindi Training for non-Hindi Railway Employees.

ii) To organize conversational Training in Hindi on Southern, South-Central, Eastern & S.E. Railways.

iii) Grant of personal pay after passing Hindi Examinations under Hindi Teaching Scheme.
iv) Holding of training programmes for officers/employees yet to be trained in Hindi by way of arranging regular classes, intensive courses, correspondence courses etc.

v) Interaction with Voluntary Organizations conducting Hindi Examinations for training of non-Hindi speaking employees of Railways.

vi) Nomination of Railway staff to Central Translation Bureau for training in Translation.

vii) Review of the half year reports of all Zonal Railways/PUs for opening training centres in consultation with OL Department of Ministry of Home affairs.

viii) Honorarium to part-time teachers.

ix) Imparting Hindi key board training on bilingual computer.

x) Quarterly report in regard to imparting training through Hindi in Central Training Institutes, Zonal and other training centres.

xi) RTI cases pertaining to Hindi Training Branch.

6. **Follow up action on the items related to the branch mentioned in the minutes of the following meetings:**

i) Railway Board Official Language Implementation Committee.

ii) Railway Hindi Salahakar Samiti.

iii) Zonal Railways Official Language Implementation Committees.

iv) Divisional Official Language Implementation Committees.

vi) Station Official Language Implementation Committees.

vii) Meetings of Mukhya Rajbhasha Adhikaris.

viii) Meetings of Dy.Mukhya Rajbhasha Adhikaris/Senior Rajbhasha Adhikaris.

*****
1. To collect books containing orders regarding implementation of Hindi and other books/magazines on Official Policy and their distribution.

2. Miscellaneous work related to printing of books and magazines etc.

3. To prepare mailing list/telephone numbers of various officers related to Official Language, Hindi literators and persons engaged in propagation of Hindi.

4. Printing of Rail Rajbhasha Patrika and other related work.

5. Compilation of orders.

6. Preparation of messages/speeches of MR, MOS(R)/ Board Members and other Senior Officers.

7. RTI matters related to Rail Rajbhasha Patrika Section.

PAY COMMISSION DIRECTORATE

PAY COMMISSION – III/P.C.-III

I. **P.C.-III(Cadre Restructuring)**

1. Reclassification of Artisan staff.
2. Cadre restructuring of Group ‘C’ & ‘D’ categories on Railways/PUs/RDSO.
3. Railway Employees Insurance Scheme.
4. Central Government Employees Group Insurance Scheme.
6. Annual Review of Gr. ‘C’ & ‘D’ cadres on Railways/PUs/ RDSO.

II. **P.C.-III(Court Case)**

1. Court cases pertaining to PC-III, PC-IV, cadre restructuring of Group ‘C’ & 'D', reclassification of artisan staff etc.

*****
PAY COMMISSION – IV/P.C. –IV

1. Implementation of 3rd & 4th Pay Commission’s recommendations and clarificatory orders on the same.

2. DA/DP/Dearness Relief/Interim Relief applicable to Railway servants during 3rd & 4th Pay Commission period.

3. 3rd & 4th PC scales of pay of Railway servants.

4. Fixation of pay in revised (3rd & 4th PC) scales of pay.

5. Classification of services in revised (3rd & 4th PC) scales of pay.

7. Rates of stipend to Apprentices/Trainee during 3rd & 4th CPC period.

8. Rates of various allowances during 3rd & 4th CPC period.

10. Stagnation increment in 4th CPC scales of pay.

13. Pay structure and other matters relating to Library staff on Indian Railways arising out of recommendations of review committee.

*****
PAY COMMISSION/P.C. - V

1. Issue of instructions pertaining to implementation of the V\textsuperscript{th} Pay Commission’s recommendations, in regard to pay scales.

2. Clarificatory orders on the above.

3. Revision of following Allowance on implementation of V\textsuperscript{th} CPC’s recommendations:
   
   i) Medical Allowance to Railway Pensioner/family pensioners.
   
   ii) Transport Allowance.
   
   iii) Family Planning Allowance.

4. Departmental Anomalies Committee.

5. Revision of rates of stipend after V\textsuperscript{th} Pay Commission.

6. Classification of Service.

7. Dearness Allowance and Dearness Relief – revision of scale.

8. Modified Assured Career Progression Scheme (MACP).

*****
PAY COMMISSION/P.C. – VI

1. Co-ordinations/liasioning with other Ministries/Departments & Directorates of Railway Board in connection with implementation of 6th CPC recommendation.

2. Implementation of the 6th Central Pay Commission’s recommendations in regard to the revised pay structure.

   - Applicability and scope of revised pay rules.
   - Adoption and implementation of revised pay structure and issue of schedules of pay.
   - Exercise of option.
   - Fixation of initial pay in the revised pay structure.
   - Stepping up of pay.
   - Fixation of pay in the revised pay structure of employees appointed as fresh recruits on or after 1.1.2006.
   - Increment in the revised pay structure.
   - Fixation of pay in the revised pay structure subsequent to 1.1.2006.
   - Fixation of pay on reappointment after 1.1.2006 to a post held prior to that date.
   - Fixation of pay on promotion on or after 1.1.2006.
   - Interpretation and relaxation of the rules.
   - Clarification and modification of the rules.

4. Fixation of pay on promotions in same Grade Pay.

5. Fixation of pay on placement in higher Grade Pay on non-functional basis.

7. Departmental Anomalies Committee.
8. General Classification of Railway Service posts in the 6th CPC pay structure.

10. Dearness Relief to Railway pensioners w.e.f. 1.1.2006 onwards.

11. Railway Board Tenure Allowance to officers of organized Group ‘A’; services.

12. Additional Allowance payable to running staff.

13. Court cases on subjects dealt by the branch.

15. Parliamentary Committee matters on subjects dealt by the branch.

16. PNM/NFIR, PNM/AIRF, PNM/AIRPFA items.

17. NC/JCM, DC/JCM, Staff Council items.

18. FROA, IRPOF items etc. on the above policy issues.

19. Other misc. issues arising out of 6th CPC not allotted to any other branch.

*****
**E(P&A) – I**

Formulation of policy and issue of instructions/clarifications on the following subjects:

1. Age of superannuation.
2. Voluntary retirement.
3. Premature retirement in the public interest.

17. Outturn Allowance to Teleprinter Operator.

18. Anomaly in the matter of implementation of pay scales of certain staff of Stores Deptt.(pre-revised scales).

19. JCM/PNM/Staff Council items, Court cases/filing of SLPs,

20. Parliament questions on above including exodus of employees from Railways.

21. Liberalized Active Retirement Scheme for Guaranteed Employment for Safety Staff (LARSGESS).

*****
Formulation of policy and issue of instructions/clarifications on the following subjects:

1. Running allowance and other allied issues pertaining to Running staff and revision of rates thereof:
   (i) Kilometreage allowance.
   (ii) Allowance in lieu of kilometreage.
   (iii) Allowance in lieu of running room facilities.
   (iv) Breach of rest allowance.
   (v) Outstation (detention) allowance.
   (vi) Outstation (relieving) allowance.
   (vii) Accident Allowance.
   (viii) Shunting duty allowance.
   (ix) Waiting duty allowance.
   (x) Officiating allowance for undertaking duties in higher grade posts.
   (xi) Classification of trains as High Speed Trains for the purpose of grant of Trip Allowance.
   (xii) Classification of Ghat sections for the purpose of grant of inflated kilometreage.
   (xiii) Computation of kilometreage for passenger services.
   (xiv) Computation of kilometreage for slow moving trains.
   (xv) Incentive scheme for Through Goods trains.
   (xvi) Identification of services/sections/special circumstances for grant of minimum 120 kms.
(xvii) Running staff working pilots.

(xviii) Determination of pay element.

(xix) Identification of allowances/circumstances etc. for reckoning of pay element.

2. Classification of categories as Running staff.

3. Mode of filling up posts of Loco Running Supervisors.

4. Scheme of Productivity Linked Bonus and review thereof at regular intervals.

5. Ad hoc bonus to RPF/RPSF personnel.

6. (i) Grant of House Rent Allowance and Compensatory (City) Allowance.

   (ii) Classification of cities for the purpose of grant of House Rent Allowance and Compensatory (City) Allowance.

   (iii) Initial sanctions for grant of House Rent Allowance and Compensatory (City) Allowance based on dependency certificates.

7. Exercise of option for fixation of pay.

11. Stagnation increment prior to IV CPC scales of pay.

13. Pre-revised scales of pay of non-gazetted employees.

14. JCM/PNM/Staff Council items, Court cases/filing of SLPs.

15. Parliament Questions on above including recommendations of Running Allowance Committee.

*****

157

2. Annual Plans of other Central Ministries, State Governments and Union Territories.

3. Examine and recommend investment proposals of different Directorates.

4. Nomination of officers to represent Railways on Inter-Ministerial/Departmental Task Forces/Working Groups/Study Groups in respect of the above (1 to 3) developmental plans.

5. Review of rolling stock requirements.

6. Processing and clearance of electrification and dieselization schemes.

7. All aspects of Port connectivity projects.

8. Privatisation of Railway assets.

9. Dealing with IRCA.

10. Ongoing MUT Project – scrutiny of various works, planning, financing through multilateral agencies.

11. WB/ADB – all issues except DFC.

12. Integrated Planning. Coordination of work in different Directorates in Boards’ Office in relation to the planned development of Railways.

14. All issues/proposals related to new Railway Crossing/Block Stations (Construction/Policy). Norms for New Station.

15. R3i Policy and R2Cl Policy.

16. RFD and related issues.

17. Matters pertaining to PCPIR.

18. Policy and Individual cases of 15 to 17 above.
19. Company Affairs of all Central Public Sector Enterprises (CPSEs) under the administrative control of Ministry of Railways.

20. All policy issues in regard to PSUs.

21. Issue of GOI guarantee to all PSUs of MoR.

22. Foreign visits of Chairman and MDs of PSUs.

23. All issues related with High Speed and Very High Speed Rail System.

24. Creation of posts in CPSEs requiring approval of Ministry of Railways.

25. Other establishment issues including ‘Revision of Pay’ in all CPSEs.

26. Initiation and coordination of annual MOUs to be signed between CPSEs and Ministry of Railways. (the above issues will be dealt in consultation/coordination with nodal directorates)

27. Audit Paras of RITES, IRCON and KRCL and other paras requiring coordination with all CPSEs.

28. Coordination and approval of DPE from the Rule of Immediate absorption for below Board level posts for all CPSEs.

29. Issues related to Performance Related Pay (PRP) and Performance Management System (PMS).

30. Appointment of part time Chairman and Government as well as Independent Directors on the Boards of all CPSEs.

31. Coordination with MEA and MOF.

32. Cost sharing arrangements on projects jointly with the State Governments other than the DFCCIL.

33. Coordination with various Missions and Embassies of India in cases related to PSUs.

34. CA-iii references of RITES, IRCON and Konkan Railway. Other such cases are dealt by the respective nodal directorates.

35. Co-operation with Foreign countries and co-ordination with MEA in cases related to PSUs.
36. Parliamentary Business i.e. laying of Annual Reports of PSUs and MOUs in the Parliament, replies to assurances given in the Parliament.

37. Co-ordination with DPE in regard to issues relating to CPSEs.

38. Dividend by PSUs and Review of Financial performance of PSUs.

39. Up-gradation and recategorization of CPSEs, grant of Mini-Ratna and Nav-Ratna status to CPSEs.

40. Nomination of President’s nominee for AGM/EGM of CPSEs.

41. Amendment in Memorandum & Articles of Association of CPSEs.

42. Transfer of shares, modification in share holding pattern etc.

43. RTI cases pertaining to RITES, IRCON and KRCL or on policy issues being dealt by Planning Directorate.

44. Policy on eligibility criteria for Board level posts in CPSEs.

45. Parliament Questions on above including requirement of funds for investment in various projects to create World Class Railway System, long term plan for acquiring coaches/EMUs, liaison with Planning Commission, existing crossing stations/construction of new crossing stations, criteria for opening new Railway Station, new terminal, shifting of goods shed, Funding of Railway Projects by Foreign Financial Institutions, missing link or trunk & feeder routes, terminal facility, utilization of line capacity, shifting of Railway Stations, over crowded rail routes, development of crossing stations, capacity constraints, etc.

*****
INFRASTRUCTURE CELL

1. All Issues related to Dedicated Freight Corridor.

2. Long term capacity enhancement programmes.

3. Preparation of Ministry of Railway’s Five year Plan and Corporate Plans.

4. Matters relating to Five year Plans of other Central Ministries, State Governments and Union Territories and their Public Sector Undertakings.

5. Coordination with Planning Commission and other Ministries in respect of (1) to (4) above.

6. Meetings in Cabinet Secretariat of Special Groups to review long term capacity and investment policy.

7. All issues related to Delhi, Mumbai Industrial Corridor (DMIC).

8. Transport Policy and other initiatives relating to energy and environment.

10. Technology upgradation – coordination with different directorates dealing with track, rolling stock and signaling system.

11. Railway expansion programme involving more investments on items like speed-raising, high-speed rail, Golden Rail Corridor etc.

12. Multilateral/Bilateral funding for DFC.

13. International cooperation.

14. Dealing with SAARC, UIC, BIMSTEC, UNESCAP.

15. International Rail Connectivity including Trans-Asian Railway etc.

16. LRDSS – Forecasting future freight demand under various growth scenarios by parametric analysis to assist in the planning process, Procuring simulation software modules for demand forecasting through CRIS, etc.

17. Nodal Directorate for PPP, Coordinating Role for all types of PPP Policy in rail sector and setting up of SPV for infrastructure projects including DFC.

19. Private Participation on Railways.

20. Matters relating to the Build Own Lease Transfer (BOLT) Scheme of the Indian Railways in respect of Infrastructure projects.

21. Conversion of existing station into sub-urban station.

22. Parliament Questions on above including Railway link with Burma, Vietnam, ASEAN countries, macro plan of Railways, participation of private sector in development of Railways, allocation of resources for laying new railway lines, assessment of expenditure for on-going projects in a Plan period, areas of work outsourced, running of passenger trains by Private Companies, share of Railways in handling countries transport sector, recommendation of Planning Commission to hive of non-core activities of Railways, efforts to make Railways World Class Network, parameters for recognizing sub-urban Railway Station, recommendation of Planning Commission for long-term development of Railways, issues related to PPP, multi-model logistic park, etc.

Note:- The executive responsibility for PPP Projects would be that of Nodal Directorates and the Zonal Railways. The Nodal Directorates and Zonal Railways would continue to identify projects for PPP. However, for synergetic and coherent development of such projects, they would inform the PPP cell and seek the advice of the Cell from time to time. In the case of identification and development of PPP projects by the PPP cell, the cell would involve the Nodal Directorates throughout the process to ensure that the Nodal Directorates contribute effectively in shaping the outline of the project and taking up the project for execution.

*****
PROJECT DIRECTORATE

PROJECT CELL

Dealing with all projects included in the Works Programme under the Plan Head “Metropolitan Transport Projects.”

This includes: -

1. Sanction of estimates.
2. Processing of tenders requiring Boards approval.
3. Formulating replies to draft audit paras received from PAC relating to the on-going MTP projects.
5. Legislative proposals on Metropolitan Transport Projects.
6. Five Year Plan/Annual Plan Budget.
7. Parliament Questions, briefs, cut motions, etc. on aspects relating to the on-going MT Projects.
8. Reference from VIPs, State Governments on the on-going MT Projects.
9. Consultancy assistance from abroad required for the MT Projects under executions.
10. Liaison with RDSO on the technical issues relating to the projects.
11. Points/information raised by RCC & Standing Committee on Railways relating to MT projects.
12. Processing of survey reports for sanction of the works under MTP Plan Head.

This includes:-

i) The operation and maintenance of all MTP Projects after completion-which will be dealt with by concerned directorates in the Board’s Office. However, this directorate will be the nodal directorate for all metro projects under construction and monitor the progress of works till they are completed.

ii) Processing of proposals for Development of Inter Modal Transport System in different cities. Including survey/studies.

iii) Liaison with National Capital Region Planning Board and co-ordination work in regard to proposals formulated by the Board for the rail projects for the NCR.
iv) Administration for the following Act:

v) All matters relating to the Technical planning and Coordination of all Metro Railways projects.

13. To deal with the references from Ministry of Urban Development in regard to technical aspects of the rail based Mass Rapid Transit Systems (MRTS) for the cities, such as given below, including scrutiny of project reports; Civil Engineering structures; rolling stock; signalling; tele-communication; traffic and transportation; ventilation; and safety measures etc.

14. Liaison and correspondence with the Ministry of Urban Development, Ministry of Surface Transport/Planning Commission on the policy issue relating to Mass Rapid Transit Systems for the cities, such as unified Metropolitan Transport Authority, Metropolitan Transport Consortium Fund etc.

15. MUTP – Mumbai Urban Transport Project.

17. Parliament Questions on above including integrated transport system for linking Railway Station, Metro Station and National Highways, Mono Rail Projects.

*****
PUBLIC RELATION DIRECTORATE

P.R.

1. Channelling of information for the Ministry of Railways to media through PIB.
3. Liaison for press work with various units of the M/o I&B such as DD, AIR, DAVP, Publication Division, Dte. of Film Festival, Dte. of Field Publicity, etc.
4. Organising special articles and features in the media for the Ministry of Railways on special occasions.
5. Entering special requests from the media for news material concerning the Ministry of Railways.
6. Organising press tours, press conferences and preparing briefs for MR/MSRs/CRB and other Board Members.
7. EQ reservation for media persons.
8. Advertising Policy in print and electronic media, conceptualising advertising campaigns for Indian Railways, advertising at Board’s level and monitoring of advertising at Zonal Railways/Production Units.
9. Production of Radio/TV spots, quickies, films/documentaries and their broadcast/telecast on AIR/TV Channels.
10. Printing of publicity materials, eg., Books, Information booklets, Brochures, Pamphlets, etc.
11. Participation in national/international exhibitions.
12. Permission for photography and film shooting in Railway premises and the policy thereon.
13. Publication/distribution of “Indian Railways” and “Bharatiya Rail Magazine”, Rail Bandhu.
15. Preparation/Co-ordination for material regarding achievement made by IR for PIB and for PMO.
16. Co-ordination with regard to various railway functions on PR aspects.
17. Allied matters relating to the above subjects.
18. Parliament Questions on above including amount spent on advertisement/advertisement issued by Railways.

*****

165
RAILWAY ELECTRIFICATION DIRECTORATE

RE(E)

1. Policy matters regarding electrification and electrification activities on various Railways including related subjects pertaining to RE(S&T) works.

2. Processing of new electrification schemes, scrutiny of study reports, preparation of memorandum for Board’s consideration and approval.

3. Processing of estimates of various electrification schemes including surveys for electrification and sanction thereof.

4. Scrutiny and processing of Tenders in connection with railway electrification schemes.

5. Inclusion of electrification schemes in the Works Programme and budgeting for various electrification schemes.

6. Planning of electrification schemes for inclusion in the Five Year Plan frames.

7. Review, coordination and overall control over the progress of various ongoing electrification schemes.

8. Fixing of target dates and review of economic benefits of electrification for various electrification schemes.

9. All matters of RE in connection with new proposals.

10. DC to AC conversion in Mumbai.

11. Co-ordination with DFCCIL for work relating to electrification with 2 * 25 KV system for Eastern and Western DFC.

12. Submission of performance reviews pertaining to Railway Electrification to World Bank, Planning Commission etc.

13. Preparation of paras, updating the data etc. on electrification for inclusion in various reports published by Indian Railways.

14. Technical guidance on electrification to other countries as & when required.
15. Coordination with P&T authorities, Ministry of Power, State Electricity Boards etc. in connection with supply of power for electrification projects all over Railways.

16. Coordination, control and processing of signal & telecom. Works and coordination with P&T authorities for all S&T and cabling works.

17. Processing of estimates for provision of colour light signalling and telecom cabling and sanction thereof in connection with electrification schemes.

18. Coordination and control with RDSO for various technical aspects in connection with electrification projects. RE/SE Railway etc. for indigenous development of components for overhead equipment/switching stations and traction sub-station and cable accessories.

19. Processing sanction for all staff matters and co-ordination with Establishment Directorate and Secretary’s Branch for RE projects and Traction Installations of various Railways including the work of creation of posts for gazette cadre for revenue, temporary and work charged including extension of currency of existing posts concerning entire Electrical Department.

20. Watching stores position with various electrification projects for progress, rationing of critical stores together with their distribution.

21. Processing and coordination with DRP, EA and other concerned Directorates for initial studies for extension of Electrification Projects, Planning of new projects for Board’s approval.

*****
RAILWAY ELECTRIFICATION (STORES) – RE(S)

1. Procurement of Railway Board controlled items of stores or any other critical item of stores which Railway Board decides to procure for Railway Electrification Projects.

2. Clubbing of requirements of open line.

3. For similar items of stores against the indents received from Railways.

4. Processing all cases pertaining to procurement of items of Stores for RE Projects at Railway Board level.

*****
SAFETY DIRECTORATE

Safety (Accidents)

1. Train accidents (consequential and indicative) excluding cases of train wrecking, trespassing and run over, persons falling out of running trains, casualties in roof-top travelling, cases of landslides, breaches, OHE breakdowns, public agitations, etc.

3. Receipt and circulation of consequential and indicative train accident messages.

5. Analysis of consequential train accident statistics and trends.

7. Preparation of briefs for visits of Ministers, Board, Parliamentary Standing Committee and other similar Committees.

8. Preparation of briefs for various meetings, such as Board’s Safety Meetings, Minister’s meetings with Board, PREM meetings, Consultative Committee of Members of Parliament, General Managers’ Conference, COMs’ conference CSOs’ Conference, etc.

14. Parliamentary business related to above items, including Calling Attention Notices, Cut Motions, Suo Moto Statements and Motions on Demands of Grants, etc. relating to Train Accidents and Safety.
15. Rajbhasha related work of Safety Directorate.

16. RTI cases related to above items.

17. Any other work assigned by senior officers.

*****
Safety (Rules)

1. All matters relating to General Rules and Subsidiary Rules.
2. Matters pertaining to Station Working Rules (SWRs).
3. Accident Manual related work.
4. Recommendations of Commissioners of Railway Safety relating to Rules.
5. References of Zonal Railways relating to Operating Rules.
6. Issues related to replacement of Guard’s Boxes.
7. Parliamentary Business related to above items.
8. RTI cases related to above items.
9. Any other work assigned by senior officers

*****
Safety (Inquiries)

1. Rules of Accident Inquires – Commission of Inquires, CRS Inquires, Departmental Inquires, etc.

2. Watching progress of finalization of accident inquires conducted by the Railways, including inquires entrusted to the Railway Administration by Commissioner of Railway Safety and Departmental inquires.

3. Examination of Reports of Departmental (Non-CRS) Inquires conducted by Zonal Railways in Board reported cases and recommendations made therein.

4. Monitoring of finalization of DAR cases against staff involved in train accidents (including CRS cases).

5. Norms for award of punishments in train accidents.

6. Maintenance of statistics regarding punishment in train accidents (including CRS cases).

7. Review of adequacy of punishments in train accidents (including CRS cases).

8. Criteria for award of Safety Shield

10. Suggestions/proposals regarding safety in train operation or enhancement of safety by way of innovations from outsiders.

11. Reference of PMO, MPs, VIPs and other dignitaries.

12. References of staff Federations and Unions.

14. All Safety related issues pertaining to ACD, TPWS, VCD, Fog Safe Device and other such technologies.

15. Nodal section for execution of SIMS work.

16. Condonation of infringement of Schedule of Dimensions relating to S&T.
17. Parliamentary business related to above items.

18. RTI cases related to above items.

19. Any other work assigned by senior officers.

*****
**Safety (CRS)**

1. Examination of the Accident Inquiry Reports of the Commissioners of Railway Safety and Judicial Commissions on serious train accidents.

2. Examination of the recommendations made by the Commissioners of Railway Safety and Inquiry Commissions in consultation with various Directorates in Board’s office.

3. Monitoring the implementation of the accepted recommendations of CRS/Inquiry Commission on the Railways.

4. Liaison with the Ministry of Civil Aviation and Commission of Railway Safety regarding train accidents inquired into by the Commission of Railway Safety and other issues related to IR.

6. Compilation of material connected with CRS inquiries for inclusion in the Annual Safety Performance Review.

7. Maintenance and updating of data-base of Accidents inquired into by CRS including recommendations, follow-up, responsibilities, DAR, etc.

8. Issues connected with Railway Safety Authority.

10. Safety related issues of Level Crossings including Public Awareness Campaigns. Closure, Merger, Demanning of Level Crossings, replacement of LC gates with ROB/RUB/LHS.

2. Electronic Interlocking / Electrical Relay Interlocking for stations and sections.

3. Train Collision Avoidance Device (TCAS).

5. Continuous Automatic Train Control Systems/CBTC etc.

6. Train Protection & Warning System/ETCS etc.

7. Block Proving by Axle Counter and Block Instruments.

11. Cross Approval of Electronic Signal Equipment.

12. LED Signal lamps.

14. Signaling in 25 KV RE areas.

15. Electric Lifting Barriers.

16. Integrated power supply (IPS) and LM & VRLA Batteries.
17. DG set for Signalling systems.

18. Codal life of S&T equipments

20. Procurement Policy for safety items – Cables, IPS, Batteries, LED Signal, etc.

**Development of Advanced Signalling**

1. Prototype Development & Trials for new Signal Equipment.

2. Train Protection & Warning System (TPWS) – Pilot Project on North Central Railway & Southern Railway.

3. Train Collision Avoidance Device (TCAS) – Development.

5. Electronic Interlocking.

6. Relays – Metal to Metal, Metal to Carbon.

7. Single Section Digital Axle Counter.

8. Multi Section Digital Axle Counter.

11. Private Number Exchange (PNE) Equipment for Gate Communication.

12. Battery Life Enhancer.

15. ICT Expert Committee.
Co-ordination with RDSO - Technical Wing of Railway Board

1. Development of FRS for Modern Signalling Sub-Systems.
2. TPWS Specification.
3. Specification, Inspection Reports & matters related with RDSO.
4. Working Groups for AFTC.
5. Working Group for Data Loggers.
8. CBRR & GCM of RDSO.
9. Nomination of Select Committee and Working Groups.
10. Signaling Cables.
11. Vendor Approval – Development of Sources.
12. Indigenous Development and Manufacturing of Signaling equipment.
14. Project Review Committee Meeting with DOE, DSIR etc.
15. Technical correspondence & reports.
16. Approved List – Updating every six months.
17. Expression of Interest.
18. Transfer of Technology.
II SIG/S - Safety Performance

General Performance:

1. Reliability/Availability & Safety improvement.
2. Punctuality position.
3. Asset Reliability - MTBF/MTTR.
5. PCDO to CRB.
6. PCDO to ML.
7. SPJ Shield for best performance.
8. Innovations.
9. Status to Board Members (ML, FC, CRB).
10. Monitoring of restoration works & Non-Interlocked working.
11. Achievements of Signal Directorate – Last 25 years (data).

Safety Performance

1. Unusual Incidents and wrong side failures – Investigation & corrective action.
4. General correspondence on Accidents.
5. Railway Safety Review Committee (RSRC-98).
7. Disaster Manager Review.
8. Signaling for operation during FOG, Modified Automatic Signalling.

**III SIG/T - Technical Issues**

2. G&SR – Co-ordination for correction slips related with Signalling.
6. Asset statistics.
7. S&T Work Load (ZISTUS).
8. MIS for S&T Deptt.
10. ODC movement clearance & clearance for running of new type of loco, rolling stock or composition.

**IV SIG/HS - High Speed Corridors & PSUs**

1. Modern Signaling in Dedicated Freight Corridors.
2. Modern Signaling in Metros.
3. Modern Signaling on High Speed Rail Link.
4. Technical & Safety clearance of Metro & other projects MRVC, DMRC, BMRCL, KMRCL, DFCCIL, RVNL, RCIL, IRCON, RITES.
5. G&SR and IRSEM for Kolkata Metro.
6. Co-ordination with PSUs like RVNL, MRVC, DMRC, RVNL, DFC, BMRCL, KMRCL, RCIL, IRCON, RITES.
7. Works assigned to RVNL
V  **SIG/M - Meetings and Conferences.**

1. MR’s Safety Review Meeting.
2. GMs Conference – Brief & Talking Points.
3. Board Meeting / Review.
4. SSC – Signal Standards Committee.
5. CSTE’s Conference & CSE’s Conference
6. Meeting with CCRS/CRS.
7. CSTE/C & Proj’s Works Planning & Review Meeting. Workshop Production Schedule
9. IRSTE/IRSE Seminars, Conferences & Conventions.
10. TCAS/TPWS- Implementation and Review Meeting.

VI  **SIG/TW- Training & Workshops**

Training

1. Training & allotment of IRSSE probationers.
2. STTC – including new Training Centers – Training facilities.
3. IRISET – Gazetted Training, Supervisors Training.
4. Equipment Training – India/Abroad.
5. Training on Advanced Technology Equipment – EI, Data Loggers, IPS, LED.
6. IRISET Advisory Committee.
7. Utilization of Training facilities.
8. Special course for SAG officers.
Workshops

1. Review of Workshop Performances & Products.
2. Monitoring of Production of important workshop items.
3. Modernization of workshops.
4. Setting up of new workshop called Rail Electronic Signal Component Factory at Coochbehar.

VII SIG/IC - International Co-operation

1. Funding of Railway Projects - JICA -DFC Project, KfW Loan.
2. MOU with Foreign Railways.
3. Foreign Technology Collaboration.
5. MR/PM’s visit to foreign countries.

VIII SIG/G - General Issues

1. Representation from staff/references from public.
3. Inspection note of CRB / Board members and Additional Member.
4. Brief to CRB / ML / AM(Signal) on visit to Railways.
6. Fire & Theft cases.
7. Assistance required from Board.
8. Patents, IPR and Copyright.

9. Committee of Directors / EDs / Advisers / AMs.

10. D&AR Cases of S&T Staff/Officers.

**IX SIG/E - Establishment Matters**

1. Staff Matters and S&T Cadre – Gazetted / Non-Gazetted.

2. Yard stick for NG staff for maintenance of Signalling.

4. Coordination with regard to Gazetted Establishment Matters pertaining to Signaling Department.

5. Inter-Ministerial issues – exempting S&T for disability quota.

**X SIG/WP - Works Programme, Budget, Works Planning and Expenditure Control**

1. S&T estimates – Procedure/Practice

2. PH 29 & 33 Works Programme (Preliminary, Final, Supplementary)

3. Funds Projection for Signalling works under PH 29, 33 & PH 16

5. Funds utilization and expenditure control.

6. Monitoring of Modern Signalling - TPWS, TCAS, TMS, Large EI, RRI, Auto Signalling etc.

7. Progress and Monitoring of Signalling works sanctioned under S&T Plan Head PH33, Road Safety under PH29 and Line Capacity Enhancement work under PH16.
8. Project Planning for 12th Five Year Plan.

9. Compliance of MR’s Budget Speech

10. Intra Division – Estimate verification / Comments with regards to signaling works sanctioned as a part of Doubling, New Line, Crossing Station, Yard Remodeling, Railway Electrification.

11. Sanction of Detailed / Revised Estimates at MR’s level.

12. Detailed / Revised Estimates and Other Plan Head – Sub-estimates

13. Annual / Five Year Plan / Coorporate Plan

15. IRPMU- KfW funded Modernization of Signaling on GZB-CN

17. Classification of Routes

18. Allotment of Budget

20. Re-appropriation of funds.

21. Mid Term Appraisal of 11th Five Year Plan.

22. M&P.

Parliament Questions on above including signaling system on Railways for safety of passengers, technology for preventing train collisions.

*****
1. Collection of material for addition/alteration/deletion to and from the existing list of subjects included in the General Managers' Annual Narrative Reports; issue of call letters to the Railway Administrations indicating subjects to be commented upon in their Annual Reports; receipt of General Managers' Annual Narrative Reports and their distribution to the various Directorates.

2. Collection of material for incorporation in Indian Railways Annual Report and Accounts; finalisation of paragraph headings and drafting of paras relating to Stat-I; editing of the various draft paragraphs in the chapters of Indian Railways Annual Report & Accounts, assigned to Stat. Directorate; co-ordination and preparation of final draft chapters for approval of ED(S&E); calling for photographs for inclusion in Indian Railways Annual Report and Accounts and submission for selection by ED (S&E); arrangements for the printing and distribution of Indian Railway Annual Report and Accounts.

3. Printing of Railway Budget publication – ‘Indian Railways Annual Report & Accounts’, which entails co-ordination, collection of material, drafting/editing & finalization of various chapters of the publication. Distribution of the publication to Zonal Railways and various organizations including Embassies, Indian High Commissions and various Missions abroad.

4. Receipt of the information from individual Railways for incorporation in the History of Indian Railways; arrangements for the printing of sketch maps of individual Zonal Railways for inclusion in the History of Indian Railways.

5. Compilation of Annual Statistical Statements No.18 (Engine Hour) and No.40 (Staff Statistics) and interpretation, clarification and revision of instructions relating to these Statements as contained in the Manual of Statistical Instructions Vol.II and issue of relevant correction slips.

7. Collection of data from Zonal Railways for updating and printing of Railway Map of India in the scale 1:3.5 M, from Survey of India, Dehradun.

10. Fixation of the cost of services payable to Zonal Railways by the Director General Commercial Intelligence and Services, Kolkata for supply of data of Inland Trade Statistics.

11. Audit paras and ATNs in respect of "staff productivity" as far as Stat Dte. is concerned.

13. Collection of the General Managers’ Annual Narrative Reports from the Zonal Railways, Production Units etc. and their distribution in Railway Board.

15. Parliament Questions, CA(iii) references and RTI cases in respect of subjects allotted to the Branch.

*****
1. Compilation of Periodical Tri-monthly 10-days Advance Statement of Approximate Gross Earnings and Traffic Handled on originating basis consisting of earnings under various heads, viz., Passenger, Other Coaching, Goods, Sundry as well as number of passengers booked under Suburban and Non-Suburban sections.

2. Monthly: -

(a) Compilation of monthly advance statement of gross earnings of the Indian Railways taken from the 10/11 day statements of advance figures of gross earnings and traffic handled and position of earnings to end of each month as compared with Budget Proportions, and submission thereof to the Board and other officers.

(b) Compilation of approximate figures of earnings under various heads viz. passenger, other coaching, goods, sundry and gross earnings, number of passengers booked under suburban, non-suburban and total, class-wise. No. of wagons loaded by various commodities and tonnage originating for Monthly Railway Statistics brought out by Stat IV Branch.

(c) Compilation of information relating to wagons loaded and tonnage lifted with manganese and iron ore for the use of the Director, Indian Bureau of Mines, Ministry of Steel and Mines, Government of India, Civil Lines, Nagpur.

(d) Compilation of wagon loading--Barometer showing total number of wagons loaded by various commodities for the use of Central Statistical Organisation, Ministry of Planning & Programme Implementation, Ministry of Food etc. and Traffic Directorate of Railway Board.

(e) Calculation of daily average wagon loadings--originating and transshipment--for each month and maintenance of these figures for the use of Traffic Transportation Directorate.

(f) Examination of the Test Check Reports on the variations between the approximate and the actual earnings of 40/50 selected big stations submitted by each of the Zonal Railways.

(g) Compilation of information of monthly actual and approximate earnings, number of passengers booked, details of wagon loadings by commodities as well as number of wagons loaded (in terms of 4-wheelers), Railway-wise, under 'Revenue', 'Non-revenue', and 'Total' in respect of Broad Gauge and Metre Gauge for and to end of each month for inclusion in ED(S&E)'s Monthly Economic Digest brought out by Stat (Econ) Branch.
(h) Compilation of figures of tonnage and earnings of parcel traffic of Indian Railways.

(i) Compilation and maintenance of figures of monthly wagon loadings by Plan-Heads, passengers originating and tonnage lifted for the purpose of preparation of Charts.

3. Half-Yearly maintenance of data relating to commodity-wise movement of parcel traffic between pairs of points on sampling basis.

5. Compilation of quarterly data pertaining to passenger traffic for MR's/MOS(R)'s meetings.

6. Interpretation, clarification and review of instructions relating to statements pertaining to the Branch.

9. Compilation of Annual Statistical Statements No.17 (Train and Engine Kilometrage) and No.25 (Density of Traffic) and interpretation, clarification and revision of instructions relating to these Statements, as contained in the Manual of Statistical Instructions Vol.II.

10. Parliament Questions, CA(iii) references and RTI cases in respect of subjects dealt with by the Branch.

*****
1. Compilation of Annual Statistical Statements No.2B (Capital outlay of Branch Lines worked by Government Railways), No.5 (Capital-at-Charge, Revenue Earnings and Expenses), No.6 (Details of Gross Earnings), No.7 (Working Expenses), No.8 (Kilometrage Statement), No.9A (Description of the Railway worked), No.9B (Number of Stations classified), No.10 (Rolling Stock in service on ownership basis), No.12 (Passenger Revenue Statistics), No.15 (Results of working of coaching and goods services), No.26A (Repairs of Rolling Stock), No.26B (Cost of Repairs and Maintenance of Rolling Stock), No.27A (Fuel Consumption by Classes of Fuel), No.27B (Fuel Consumption by Classes of Services), No.30 (Analysis of Working Expenses), No.38A (Value of Stores purchased), No.38B (Stores purchased through different agencies and modes of procurement), No.43 (Cost of Police Force and Railway Protection Force) and No.44 (Sub-standard Staff Quarters).

2. Co-ordination, printing and distribution of the publication ‘Indian Railways Annual Statistical Statements’.

3. Compilation of Passenger Revenue Statistics based on Monthly/Cumulative Statement No.6A.

7. Compilation of Passenger Revenue Statistics, based on Monthly/Cumulative Statement No.6-A for
   (i) incorporation in the monthly booklet of Statistics of Passenger and Freight Traffic.
   (ii) maintenance of monthly/cumulative statistics for record.
   (iii) supply of quarterly data for World Bank and MR's / MOS(R)'s meetings etc.

9. Compilation and supply of data required by Estimates Committee, Railway Convention Committee, Finance Commission etc., on various aspects of railway working.

10. Compilation and supply of data on various subjects required by different Directorates of Board's Office and other outside agencies like, C.S.O., Labour Bureau, Directorate of Employment and Training etc.

11. Interpretation, clarification and revision of instructions relating to statements pertaining to the Branch.

12. Consolidation of statistics of passenger and mixed trains according to composition as per Railway Time Tables.

13. Parliament Questions on above including Rail density.

*****
1. Compilation of Monthly Statements No.1A (Passenger Train Performance – Punctuality Statistics), No.1B (Passenger Train Performance), No.2 (Goods Train Performance), No.3A (Passenger and Goods Train Performance), No.4A (Rolling Stock – Locomotive - Performance), No.4B (Rolling Stock – Carriage & Wagon - Performance), No.5A (Fuel and Power Statistics), No.5B (Lubricating Oil Statistics), No.8 (EMU Suburban Train Performance), No.9 Part-I & II (Train Performance of Narrow Gauge Government Railways) and No.19 (Supplementary Information to Monthly Statements No.1B to 4B).

3. Compilation of yearly statistics of average number of trains run daily.

4. Compilation of yearly statistics of average speed of Mail and Express, Other Passenger and EMU trains (Broad Gauge & Meter Gauge).

5. Compilation of Annual Statistical Statements No.20 (Running of Trains and Speed of Goods Trains), No.21 (Shunting and Light Running), No.22 (Engine Usage), No.23 (Loads of Trains) and No.24 (Vehicles and Wagons and their usage).

7. Supply of Statistical data to Budget Branch for incorporation in the Railway Budget documents.

8. Supply of Statistical data to Efficiency and Research Directorate for the yearly Award of ‘Pandit Govind Ballabh Pant Shield’ to the best performing Zonal Railway.

9. Supply of information in respect of certain monthly operating statistics to the World Bank through Planning Branch.

10. Interpretation, clarification and revision of instructions contained in the Manual of Statistical Instructions (Vol. I and II) and issue of related Correction Slips as far as the statements dealt with in the Branch are concerned.

11. Compilation of statistical information as required by the officers of Board’s office from time to time in respect of statements dealt with by the Branch.

12. Supply of data to Stat (Drg.) for preparing graphs for Board Members.

13. Compilation of data regarding Wagon Turn Round.

*****

250
**STAT - V**

1. Compilation of Monthly/Quarterly Statement No.7A (Revenue Earning Goods Traffic on originating basis) showing Tonnes Originating, NTKMs, Earnings and Average Lead.

2. Collection of Monthly Statement No.7B – detailed Revenue Loading Statistics on originating basis.

4. Working out monthly/quarterly targets of NTKMs for each Plan Head Commodity.

5. Compilation and processing of Distance Zone-wise Annual Statistics of Revenue Earning Goods Traffic on originating basis.

7. Compilation of Annual Statistical Statements No.13 (Goods Revenue Statistics on carried basis), No.28 (Efficiency Statistics), No.31 (Oil Consumption Statistics), No.32 (EMU etc. Statistics), No.33 (Rail Car/Bus Statistics) and No.45 (Performance of Metro Railway, Kolkata).

9. Collection, processing and finalization of data in connection with Productivity Linked Bonus.

10. Maintenance of Station Code lists.

11. Compilation of monthly report of Revenue Earning Goods Traffic (with cumulative figures) for submission to the Prime Minister's Secretariat through Planning Directorate.

12. Analysis of monthly/cumulative Railway-wise Tonnes Originating, NTKMs and Average Lead as compared with corresponding month of the previous year.

13. Collection of statements and tapes from the Zonal Railways for compilation and processing of Distance Zone-wise Annual Statistics
of Revenue Earning Goods Traffic in co-ordination with the Computer Centre of the Board's Office for Traffic Commercial Directorate for their Budgetary exercises.

14. Compilation and supply of data for MR's/MOS(R)'s Quarterly Performance Review Meetings with Board.

15. Yearly updating of Commodity Code List in consultation with Traffic Commercial Directorate and supply to Zonal Railways and other Directorates for necessary action.

16. Compilation of quarterly commodity-wise figures of Revenue Earning Goods Traffic i.e. Tonnes Originating/NTKms as compared with the figures of corresponding quarter of the last year as well as targets for PREM meetings.

17. Compilation, printing and supply of the publication Goods Revenue Statistics of Indian Railways.

18. Compilation of monthly/cumulative statement of Non-Revenue Goods Traffic on All India basis as compared to previous year for submission to the Board.

19. Compilation and supply of statistics on Revenue and Non-Revenue Traffic (Goods) in various forms to:

(i) Traffic Transportation, Traffic Commercial, Planning, Efficiency & Research, Finance (Budget) and other Directorates for incorporation in Budget Documents.

(ii) RCC, Estimates Committee and other such bodies.

(iii) C.S.O., Indian Bureau of Mines and other agencies.

*****
STAT (Accdt.)

1. Compilation of quarterly and annual data in respect of number of accidents, casualties, cost of damage etc.
3. Compilation of Annual Statistical Statements No.16 (Tonne Kilometrage), No.19A (Vehicle & Wagon Kilometres), No.19B (Goods Train Performance), No.41 (Accident Statistics) and Annual Passenger Zone Statistics (Class-wise and Distance Zone-wise).
5. Estimation and compilation of monthly train kilometres data.
6. Bringing out in-house annual publication of ‘Statistics of Accident and Unusual occurrences on Indian Railways’.
7. Preparation of quarterly review of accidents, casualties etc. on Indian Railways and Production Units for circulation to the Commissioners of Railway Safety, Safety and other Directorates, Railways etc.
8. Preparation and printing of the annual publication Statistics of Accidents and Unusual Occurrences on Indian Railways.
10. Compilation of information in respect of accidents etc. for the annual publication Indian Railways Safety Performance brought out by Safety Directorate.
11. Compilation of total number of accidents and those falling under Section 113 to be sent to CRS by Safety Directorate.
12. Compilation of data in respect of casualties to Railway employees on Indian Railways for the Labour Bureau, Shimla.
13. Compilation of statistics for chapters on 'Safety' and 'Passenger traffic' of Indian Railways Year Book and Annual Report.
14. Preparation of history of Non-government Railways for incorporation in the publication History of Indian Railways.

*****
1. Printing of Railway Budget publication – ‘Indian Railways Year Book’ which entails co-ordination, collection of material, drafting/editing & finalisation of various chapters of the publication and its distribution to Zonal Railways and various organizations.

2. Collection of data from Zonal Railways for updating and printing of Railway Map of India in the scale 1:10 M from Survey of India, Dehradun.

5. Collection of data for supply to International Union of Railways for publication in the International Railway Statistics.

6. ABC analysis of commodity-wise revenue earning freight data in respect of Tonnage, NTKMs and Earnings.

7. Collection and compilation of statistical and economic data for the various studies undertaken by E.D.(S&E) in regard to the different aspects of railway working and the economics of transport; Compilation of statistics relating to the working of foreign railways--some special aspects--from time to time.

8. Calculation of operating efficiency indices of Indian Railways.

9. Collection and processing of data of ED (S&E)’s Monthly Economic Digest presenting current trends in economic conditions in the country having a bearing on rail transport, alongwith data of railway operations.

10. Analysis of data contained in Monthly Evaluation Reports of Zonal Railways.

12. Compilation of data required by various Ministries and other offices of Central and State Governments.

*****

254
**STAT (Inspection)**

1. Conducting spot checks to ensure accuracy and observance of the correct procedure in the compilation of various statistics at source, such as:

   (a) At Stations: Tri-monthly advance statement of gross earnings and traffic handled, Statement of wagons loaded with selected commodities, Statement of marshalling yard, Statement showing detention of wagons at Terminal Goods Stations, Statement showing detention of wagons at break-of-gauge transshipment points, Statement showing number of unserviceable wagons and detention of damaged wagons in traffic yards & sick lines and Statement of ineffective coaching stock in coaching sick line depots.

   (b) In Diesel and Electric Shed: Engine utilization statement, Statement of fuel and lubricating oil issued to locomotives and for other than locomotive purpose.

   (c) In Workshops: Statement of carriage and wagon performance and Statement of locomotive, carriage and wagon workshop repairs.

   (d) In Divisional and Headquarter Offices: Tri-monthly advance statement of gross earnings and traffic handled, Punctuality statistics, Engine failure statistics, Statement of average starting wagon loads and checking the method of compilation of fundamental units in the Compilation Offices.

2. Finalization and follow-up action on Inspections Reports.

3. Monitoring proper utilization of Statistical Inspectorial Staff on Zonal Railways.

4. Ensuring deployment of staff to attend various initial, refresher, orientation and special courses at ZRTI, N.W. Railway, Udaipur.

5. To conduct special investigations as directed by Board.

6. Initiating special statistical inspections and drives in connection with important facets of Railway operation and maintenance, processing reports received from the Railways and pointing out common irregularities for taking corrective action.

   *****

255
STAT (Cost Analysis)

1. Formulation/review of rules for allocation and determining ratios for distribution of joint expenses over different gauges; division of working expenses between Coaching and Goods Services; evaluation of operation of the Electrical Multiple Unit (Suburban) Services.

3. Formulation/review of procedure for determining the variable and fixed costs and incremental costs for specific movements.

4. Formulation/review of procedure for working out (a) Line haul costs of: (i) Through Goods (ii) Van and Shunting Goods Services and (b) costs of depreciation of railway assets for cost study purposes.

5. Collection of basic data from statistics of performances and annual Capital and Revenue Accounts (working expenses required for cost analysis).

6. Analysis of working expenses and performance data received from Zonal Railways for determination of All India Shunting and Train Engine Hour Costs in respect of Broad Gauge and Meter Gauge.

7. Annual analysis of working expenses for Coaching and Goods Services for All India Railways and each Zonal Railway, in respect of Broad Gauge and Meter Gauge under Rules of classification of Revenue Expenditures.

9. Study of special problems relating to costing of specific items of Rail Transport and economics of special movements as and when required by the Board.

10. Working out cost of Social Service Obligations.

11. Revision of hire charges for locos and coaches.

13. Study relating to economics of movement of certain selected commodities.
14. Disposal of Audit paras/points raised by Standing Committee/Railway Convention Committee (RCC) etc. and processing of ATNs thereof in respect of subjects dealt with in the Branch.

15. Working out Escalation Factor-Price Index based.

17. Special studies required for determining ratios for distribution of joint expenses of constituent elements under each functional group of coaching and goods services.

18. General review of booking of expenses under Rules of Classification of Revenue Expenditure as well as by different gauges by the Accounting Units on Zonal Railways.

******

2. Updating and printing of Railway Map of India in the scales 1:3.5 M and 1:10 M, from Survey of India, Dehradun.

3. Preparation of bilingual graphs showing Operating, Commercial, Revenue, Staff, etc. Statistics for distribution to Press Reports during CRB’s post-Railway Budget Press Conference.

6. Compilation of data in respect of State-wise Route and Track Kilometers.

8. Collection and preparation of important monthly statistical data with graphs for updating folders of hon’ble MR, MSRs, Board Members, etc.

9. Preparation of Name Plates and Certificates to awardees, etc.

11. Preparation of graphs, charts etc. on demand by various Directorates of Railway Board.

12. Maintaining information about new lines opened etc. as supplied by WDO-I and preparation of System Maps of Zonal Railways for incorporation in the publication History of Indian Railways.

*****
STORES DIRECTORATE

R.S.(B)

I. Rolling Stock Budget

1. Compilation of Board’s Rolling Stock Budget in respect of Locos, Coaches, Wagons and under frames including
   a) August Review
   b) Revised Estimates
   c) Final Modification.

2. Appropriation of accounts relating to subjects detailed at (1) above.

3. Compilation of Board’s Rolling Stock Programme.

4. Cash authorisation to Zonal Railways in respect of wagons, components, coaches, ex. BEM.

5. Compilation of pools of free supply items.

6. Exercising budgetary control over expenditure.

7. Processing of Itemized Rolling Stock Programme in respect of wagon portion of various Zonal Railways for financial vetting and inclusion thereof in the Pink Book against Programmed Delivery.

8. Processing of Itemised Rolling Stock Programme in respect of wagon portion of various Zonal Railway (New Acquisition) for Board’s/MR’s approval and inclusion thereof in the Pink Book against New Acquisition.

II. Planning and progressing work relating to wagon production and free supply items.

1. Preparation of estimates in respect of wheelsets, air brakes, HT couplers, CS Bogies and CTRBs.

2. Allotment and distribution of free supply items to wagon manufacturers in private and public sectors such as wheelsets and CTRBs.

3. Allotment and distribution of free supply items such as wheelsets, air brakes, HT couplers, CS Bogies and CTRBs to Railway workshops.

4. Release of CTRBs to railways for maintenance purpose.

5. Loan of free supply items to wagon manufacturers.

6. Matters pertaining to damaged wheelsets, air brakes equipment and CTRBs.
7. Compilation of wagon production reports.
8. Production programme and placement of wagon orders to be manufactured in railway workshops.
9. Maintenance of progress report about the manufacture of wagons in railway workshops.
10. Maintenance of registers for production programme of locos, coaches and wagons.
11. Maintenance of allotment registers for locos, coaches and wagons.
12. Maintenance of narrative reports received from RDSO in respect of wagon production.
13. Maintenance of records in respect of wagons released to traffic.
14. Maintenance of records in respect of wagons procured under IRFC’s funds.
15. Matter related to provision of free supply steel and physical verification thereof in liaison with steel cell Calcutta.
16. Liaison with other branches of Stores Directorate in connection with procurement of material for wagons.
17. Sanction of estimates received from Railways in respect of manufacture of wagons.
18. Meeting with the Board and wagon builders regarding problems in production of wagons.
19. Meeting with Board regarding progress of Plan Expenditure.

*****
1. Procurement of Wheels, Axles and wheel sets and from indigenous sources i.e. from RWF & SAIL.

2. Distribution of wheels, axles, wheel sets to Zonal Railways, PUs and other users.

3. Procurement of locomotives (Diesel & Electric), their equipments and Power packs from imported and indigenous sources including initial requirement of imported spares ordered with the locomotives.

4. Procurement of Accident Relief Cranes by import and spares/kits for them.

5. Import of Rolling Stock and its components without transfer of technology.

6. Procurement of other general items by import.

7. Progressing of contracts in respect of above.

8. Inspection of imported material abroad.

9. Placement of orders for Locomotives on CLW/DLW.

10. Procurement of Electrics for AC/DC EMUs.

11. Procurement of Oil Fired Steam Locos for Darjeeling Section.

*****
**R.S.(G)**

1. All policy matters pertaining to Stores Code correction.
2. COS Conference.
3. Consultative Committee pertaining to Stores.
4. Complaint cases of Railways & PUs.
5. All procurement policy and policy related to various aspects of supply chain management. Publishing of tenders on website-Framing of Policy guidelines and monitoring of its implementation.
6. Stores Rejection (including warranty rejection).
7. Write off sanction of irrecoverable cases, related to stores department.
8. Time barred cases.
10. Formation/implementation of recommendations of various Committees regarding review/functioning of Stores purchase and action plan of stores.
11. Policy for vendor development and approval.
12. Policy for Inspection by RITES/RDSO/Zonal Railways etc.
13. PCDO/MCDO from COSs/GMs.
15. Training of IRSS officers and Probationers.
16. All matters of general nature pertaining to Store Dte. including policy issues on Stores.
17. Centralisation and De-centralisation of items.
18. Co-ordination with other Ministries on procurement policies.
19. Nodal section for RTI pertaining to Stores Dte.
20. Compendium for ‘Rules for entering into contracts’.
21. IRS conditions of contract and other rules relating to Public Procurement.
22. Parliament Questions/Budget Information etc relating to policy of Stores procurement.

*****

262
**R.S.(I)**

1. Procurement of Wagons against Rolling Stock Program.

2. Excise duty matters relating to Wagon contracts.

3. Procurement of Centre Buffer Couplers and Draft Gears for Wagon manufacture in Railway Workshops.

5. Procurement of Composition Brake Blocks.

6. Court Cases/Arbitration cases relating to post purchase contracts of above items.

7. Co-ordination with DRS(I&S) for supply of Steel and supply to Wagon Builders.

8. Co-ordination with CMM(BI) for supply of free components to Wagon Builders and completion reports of various contracts.

9. Closure of various contracts.

*****
1. Distribution of Plan Outlay for Inventories under the heads Stores Suspense, Workshop Manufacturing Suspense (WMS) and Miscellaneous Advance Capital (MAC) for Budget Estimates, Revised Estimates & Final Modification.

2. Stores Suspense - Examination of Monthly statements of Stores balance submitted by Railways/PUs and correspondence therewith.

3. Fixation of Action Plan Targets in respect of Turn Over Ration of Stores Directorate.

4. Compilation of Stock sheets for items stocked by stores department, pending with Railways/PUs and monitoring.

5. Compilation of all Railway quarterly progress statements for Inactive, Surplus and Overstock stores items in Stores Department and its review.

6. Inventory Management.

8. Value analysis of inactive items separately for items not moved for 12-24 months and items not moved for more than 24 months.

9. Categorisation of stores stocked on Railways.

10. Study of Inventory on Foreign Railways for comparison with Indian Railways.

11. The concept of Value Engineering/Value Analysis Study with a view to reduce the cost of materials used on Railways.

12. Computerization of Purchase Offices & Stores Depots on Railways/PUs.

13. Printing of compendium of statistical information on Material management.

14. Periodical Inventory Control Meetings.

*****

264
1. Procurement of BVZC wagons by different parties through Railway Board.
2. Preparation of brief/rejoinders in connection with arbitration/court cases pertaining to final modification, escalation claims, bogies.
3. Procurement of defence wagon contract under ‘Deposit Work’ including finalisation of accounts.
4. Pre & post contract work in respect of procurement of N.G. Locomotives.
5. Pre & post contract work in respect of procurement of Constant Contract Slide Bearers.
6. Pre & post contract work in respect of procurement of Elastomeric Pads.
7. Pre & post contract work in respect of procurement of modified Adaptors.
8. Pre & post contract work in respect of procurement of Coaches from BEML.
9. Pre & post contract work regarding procurement of AC & DC EMUs: from BEML & Jessops.
10. Assessing demand of Free Supply Items of Coach order and advising to procuring authorities.
12. Pre & post contract work in respect of procurement of Rail buses, Rail cars.
14. Pre & post contract work in respect of procurement of Casnub, BCCN, BCX, High Speed bogies.
15. Pre & post contract work in respect of procurement of Co-Co bogies.
17. Placement of orders to ICF, Bharat Earth Movers Ltd. And M/s Jessops for the coaches etc.

18. Disputed warranty claims cases pertaining to wagon orders.

20. **FINALISATION COST OF MODIFICATION**
- Evaluate RAD claim in respect of wagon (all types), C.S. bogies, Couplers, Air brakes, Coaches/EMUs.
- Holding meetings with RDSO to sort out problem regarding RAD claims.

21. **OWN YOUR WAGON SCHEME**
- Coordination work between commercial, Stores Directorates, wagon builders, RDSO, traffic, mechanical and commercial Directorate.
- Prepare initial estimate for wagons being procured under the scheme.
- Advising demand of free supply steel to DRS(I&S)/ Kolkata and liaisoning for timely supply of steel to wagon builders.
- Pre & post contract work relating to procurement of BTPGLN, BTPN etc. wagons under “Own Your Wagon Scheme”.
- Finalisation of accounts in respect of all orders under ‘OYWS’ with coordination of FA&CAO’s Eastern, Southern, Northern Railways.

*****
RS (P)

Procurement work relating to following items is handled in the Section.

1. BHEL – Procurement of traction electrics.
   - Fixation of provisional/final prices for the same.

2. Procurement of locos from BHEL.

4. Manpower planning and establishment matter of stores department.

1. Assessment of requirements of steel for Railways, Production Units, Wagon Builders, Bridge Girders, Fabricators etc.
2. Policy and procedure for indenting and procurement of steel.
3. Policy and procedure regarding disposal of overstock and surplus of steel.
4. Policy and procedure for procurement and supply of steel to Wagon Builders from main plants as well as from Railway’s stocks.
5. Procurement of indigenous short-falls through imports.
7. Dealing with court cases, arbitration proceedings, etc. arising from contracts issued by Railway Board.
8. Watching progress of supply of steel for Railways/Production Units/Wagon Builders, etc. and dealing with relevant correspondence including P.C.D.O.
9. Dealing with Draft para, audit notes, P.A.C. recommendations, etc. relating to steel contracts.
10. Assisting EDRS(S) for preparation of notes and aid memoir for various periodical meetings, such as COS’s meeting, GM’s Conference, etc.
11. Liaison with other concerned Ministries, such as Ministry of Steel, Shipping and Transport, etc.
12. Collection of steel statistics from zonal Railways, production Units, Wagon Builders, maintenance of buffer stocks, etc.
13. Policy & Instructions to Railways regarding payment to the Steel Plants for supply of steel.
14. The work involving receipt of indents from Railways, preparation of tender documents, floating of tender, evaluation of offers, placement of contracts, processing of contracts in compilation of deliveries and finalisation of items etc.

*****
RS (Signal)

1. Processing Appreciation Committee cases received from DLW for approval of Board/MOS(R)/MR and other related issues.

2. Processing Appreciation Committee cases received from RCF for approval of Board/MOS(R)/MR and other related issues.

3. Processing Appreciation Committee cases received from MRVC for approval of Board/MOS(R)/MR and other related issues.

*****
R.S.(Tech.)

1. Maintenance and keeping up-to-date specification for Wagons, Draft Gear coupler, EMU Coaches and Bogies etc.

2. Verification of the cost of bought-out of various wagon builders to determine the block price of bought-outs while fixing wagon prices with a specified base date.

3. Critical Review & Finalisation of steel requirements consumed by the wagon builders for respective type of stock for the purpose of material escalation claims.

4. Review of all technical details/financial implications due to grant of relaxation/deviations/modifications to all wagon builders and Coach Manufacturers against the individual orders placed on them.

5. Preparation & revision of Annexure-V and PVC Clause for all type of wagons, EMU Coaches, Draft Gear, Coupler, Bogies and Bogie frame.

*****
**R.S.(WTA)**

1. Bulk Indent Planning of requirements of Wheels, Tyres and Axles for Indian Railways/Production Units. Procurement through Imports of WTA items not available indigenously.

2. Procurement of steel tyres.

3. Procurement of Wheels, Axles & Wheelsets from indigenous sources other than RWF & SAIL/DSP.

*****
1. **Procurement of Primary Oils consisting of:**
   i) High Speed Diesel (HSD)
   ii) Superior Kerosine Oil (SKO)
   iii) Light Diesel Oil (LDO)
   iv) Furnance Oil (FO).

2. **Procurement of Branded Crank Case Lube Oils for Diesel Locos:**
   Servo RR-606 Multigrade (IOC)/MAK RR-513M Multigrade Oil (BPC)/HPRR-813 Multigrade (HPC).

3. **Procurement of Branded Greases consisting of:**
   i) AAR approved Grease for CTRB.
   ii) Servo Gem RR-3 of IOC or equiv.
   iii) Servo Coat-170-T of IOC or equiv.

4. **Procurement of Branded Crack Lane Lube Oils for Locos & Rolling Stock:**
   Servo Prime-76 (IOC), Turbinol-77 (HPC) & Bharat Turbinol-78 (BPC).

5. **Conclusion of the Running contracts & Rate contracts through indigenous procurement of POL items and related matters:**
   i) Scrutiny of Indents.
   ii) Consolidation of Indents.
   iii) Vetting of Indents including the required quantity.
   iv) Floating of tenders.
   v) Preparation of tender.
   vi) Preparation of Comparative Statement and evaluation of offer of tender etc.
   vii) Finalisation and placement of Rate & Running Contracts for POL items.

6. **To monitor the current policy in regard to Administrative Price Mechanism (APM) before deciding the rate contracts.**

7. **Liaisoning in regard to the problem of Railways and Oil Companies.**

8. **Monitoring the progress of all contracts i.e. Rate Contracts and Running Contracts.**

9. **Streamlining of logistic movement of Branded Crank Case Oil for Diesel Locos.**
10. Updating of Railways Consumer Depots of Primary Oils.
11. On completion, finalisation of the contracts after obtaining Completion Reports from the Consignee Railways.
12. Maintenance of Quality files of each POL files.
13. Maintenance of Technical files relating to RDSO approval of POL items.
14. All Policy matter concerning Marine Insurance of Railway property from imports including marine insurance contract.

Note: “i) All past contracts will continue to be handled by Finance Directorate, as far as the post contract issues are concerned.

   ii) Stores Directorate will handle fresh contract entered into by Stores Directorate.

   iii) Delegation of powers for marine insurance tender will be as per delegation of powers for stores tenders.

   iv) Contracts for two years may be entered instead of having contract on year-to-year basis.

   v) The tender for 1st contract will be floated by Stores Directorate after six months or date of issue of suitable delegation whichever is later. Meanwhile, if there is any necessity of entering into fresh contract, the same may be handled by Finance Directorate.”

*****
RS (Tex)

1. Procurement of Textile items and related policy including KVIC, ACASH, WDC etc and all matters related to Uniforms.

*****
**R.S. (CAB)**

1. In regard to decentralized item viz. Railway Signalling Cable Unscreened (consisting of 18 sizes), Elastomeric Cable for Electric Locos (consisting of 15 sizes), Elastomeric Control Cable (consisting of 2 sizes), Elastomeric Cable for Diesel Locos (consisting of 8 sizes) and Dynamic Breaking Resistors, finalisation of tenders floated and post contract work.

2. Progressing of contracts and their finalisation on completion, after obtaining completion reports from consignee Railways.

4. Replies of PCDO/MCDO to the concerned Railways.

*****
**RS(L)-I Section**

1. Liaison with various Directorates of DGS&D.

2. Circulation of Rate Contracts, Periodical amendments thereof to all Railways.

3. Monitoring of rejection and recovery cases received from the zonal Railways/ Production Units for DGS&D RC items.

5. Receipt and issue of Liaison work.

6. MSE Cell to liaison with MSE to provide them necessary guidance on vendor development etc.

*****
R.S.(L)-II Section

1. Banning business dealings with firms.

2. Co-ordination of Policy Matters with DGS&D.

3. Representative of Ministry of Railways for CCMs and SRC Sub committee meetings conducted by DGS&D.

4. To co-ordinate with CCA regarding pending recoveries and transfer of credit to Railways towards rejections against DGS&D Rates Contract/Running contract.

5. Issue of circulars on suppliers issued by DGS&D.

6. Processing of cases of banning/suspension of business dealings with suppliers by Ministry of Railways.

*****
1. Work related with coordination, monitoring and logical implementation of MMIS over Zonal Railways.

2. Development, coordination and monitoring the progress of implementation of E-procurement excluding E-Auction.

TELECOM DIRECTORATE

TELECOM

1. Policy matters in regard to Telecommunication on Railways.

2. Policy matters in regard to provision of PSTN phones (wired or wireless) Railway Telephones, mobile phones, CUG schemes and services thereof.

3. To examine the Telecom works in Railways Five Year Plans and to give necessary directions and matters relating to Telecom Action Plan, Annual Plan, Corporate Plan etc.

4. To scrutinize the Telecom projects submitted by the Railways and deal with correspondence regarding estimates, Budget provision, Works Programme pertaining to Telecom works. To scrutinize tender committee proceedings submitted by Railways for acceptance of Board/MOS(R)/MR.

5. To give directions on technical issues referred to by the Railways on works, initiate proposal for their improvement and watch progress of the works.

6. To keep in touch with modern developments in telecommunications.

7. Policy regarding procurement of Radio Equipments MW/UHF/VHF equipment, Electronic exchange, Optic Fibre Cables and deal with correspondence arising out of the above orders placed by the Board in respect of floating of Tenders, technical clarifications, release of foreign exchange, issue of Import Licence, clearance from Ministry of Information Technology etc.

8. To provide new telephones (Mobile/Wireless) and other Telecom equipments including Colour TV VCR, Cable connection etc. and shifting of Telephones in Board’s office; provision of cordless phones at residences.

9. Arrange payment of MTNL/DOT telephones in Office and residences of Railway Board’s officers, its verifications/recoveries/adjustments/reimbursement etc. of the telephones bill and keep liaison with MTNL/DOT.

10. All matters relating to Facsimile, Trunk Board and Public Address System in Board’s office including those in conference/committee room.

12. Training of S&T officers.

14. All matters pertaining to Train Radio Communication. Driver-Guard communication, Universal Emergency Communication, MTRC, all VHF Sets.

15. Monitoring of freight computerisation projects on Railways (Telecom Segment).

16. Progress of Rail Tel Corporation of India Limited & Correspondence with other PSUs.

17. All matters in relation with satellite communication, satellite hub, VSAT terminals, transponders bandwidth etc.

18. All matters in relation with Real-time Train Information System.

19. All matters related data networks of Indian Railways examination of all proposals involving expenditure and data networks irrespective of application, use of networking technology for data network.

20. Matters related to IPv4 and IPv6 migration of all data networks on Indian Railways.

21. Matters related to mobile satellite TV terminal.

22. All matters related to provision of Passenger Information System at stations and on trains.

23. PA systems in trains.

24. All matters related to communication and networking for various application/systems like control, scada, data loggers etc.

25. Provision of OFC and Quad Cable in Railways.

26. Video Telephony and Video conference including IP telephony.
27. All matters related to Data Network Security.

28. All matters relating to Rail net & E-mailing system.

29. Internet in running trains including infotainment services.

30. All matters related to provision of CCTVs for security.

32. Video Surveillance System for Stations & Running Trains.

33. Review of monthly PCDOs received from the Zonal Railways and Preparation of brief for ML’s visit to Zonal Railways & Railway Board’s Review Meeting with Railways, Foreign delegates meeting with MR, MSR, CRB and Board Members.

34. To maintain and scrutinize the quarterly progress reports in respects of Telecom works in progress received from the Zonal Railways.

35. To help Railways in getting frequency authorization, site clearance and operating license for wireless stations and all correspondence in this connection with Ministry of Communications and Railways.

36. Power and Telecommunication Coordination Committee. To coordinate with Railways and Central Electricity Authorities in matters of PTCC.

37. Telecommunication Projects under BOLT scheme.

38. (i) Matters relating to National Capital Region Planning Board (ii) Bombay Urban Development Project, (iii) Calcutta Urban Development Project etc.

*****
**CIPHER**

1. To collect High Grade Cipher Documents from Joint Cipher Bureau, Ministry of Defence and then distribute same to the Zonal Railways. Maintenance of ledger account of all cipher documents received and supplied to the Railways.

2. Encryption and decryption of all outgoing and incoming sensitive and secretive type of cipher messages.

3. To keep liaison between Railway Ministry and Cipher Policy Committee and Cipher Technical Committee, issuing guidelines and instructions to the Zonal Railways.

4. Inspection of Cipher offices of the zonal Railways.

5. Budget work connected with production of cipher documents for use on the Railways and distribution of expenditure share amongst Zonal Railways and Railway Board.

6. Represent Railways in the cipher committee.

*****
TRACK DIRECTORATE

TRACK – I

2. Planning, procurement, import and export of rails including endforged, corrosion free and head hardened rails, allotment of rails, issuing of bulk indents of rails and work relating to production schedule meeting. Allotment of track materials to private and assisted sidings.

5. Flash Butt Welding Plants on Zonal Railways and matters related to Mobile Flash Butt Welding.

7. Rail welds failures and USFD testing.

10. Matters related to Fish Plates.

11. Allotment of wagons for fabrication of End Unloading Rakes (EURs).

*****
1. Development, procurement, allotment & policy issues related to:
   (a) PSC BG line sleepers
   (b) Special Cement for concrete sleepers.
   (c) Setting up of New Concrete Sleeper Plants on Zonal Railways.
   (d) Shifting of Concrete Sleeper Plants from one Zonal Railway to other Zonal Railway.

2. Development, trial and all policy matters related to P.Way items viz.
   (a) Modern Elastic Fastening systems
   (b) Elastic Rail Clips
   (c) Grooved Rubber Pads
   (d) Metal Liners.
   (e) GFN liners.
   (f) SGCI Inserts.
   (g) HTS wire for PSC Sleepers.
   (h) BG/MG turnout Sleepers.
   (i) Composite Sleepers.
   (j) Alternative to wooden sleepers.
   (k) Zero Toe Load Fastening for Steel Channel and H-Beam Sleepers.
   (l) Anti-Vandal Elastic Fastening Systems.

3. Allotment and Policy matters related to use of wooden sleepers on Indian Railways.

4. Any other subject allotted by Member Engineering.
**Track – III**

1. Planning and procurement of Track Machines, projection in 5 year plan/corporate plan.

2. Inclusion of Track Machines in RSP, provision in Annual Budget.

3. Procurement of Track Maintenance and Track Relaying Machines through Global/Local tenders.

4. Procurement of different spares for various Track Machines through tenders.

6. Fixation of targets and compilation of progress of work of Track Machines/Track Relaying Machines, Track Recording Cars, OMS – 2000 Ballast Cleaners and other Track Machines working on zonal railways and submission to Board (ME).

7. Arranging courses of training for IR personals on Railways on principle of maintenance and operation of machines in Railway Workshops/Firms workshops.

8. Indigenization of spares/components, interaction with RDSO, Zonal Railways/manufacturers of Track Machines in this regard.

9. Recommendations of expert committee on Track Machines – follow up action thereon.

10. Development of organization and infrastructure, resting facilities including camping coaches on Zonal Railways for operation and maintenance of Track Machines.

11. Follow up action on recommendation of Committee on machines and manpower deployment.

12. Implementation of Mobile Maintenance Unit on Railways.

13. Standing Committee on Track Machines – follow up action and manpower deployment.
14. Monitoring the working of Track Recording Cars, up gradation and modification of Track Recording Cars.

15. Standing Committee on Small Track Machines – issue of orders conveying approval of small machines manufacturers, interaction with RDSO in this regard and follow up action.

16. Submission of periodical returns of important items concerning Track Machines to Board (ME), follow up action thereon and items of assistance forwarded by Zonal Railway.

18. Condemnation of track machines.

20. Finalization of specification of track machines and small track machines.

22. Replies to Audit Paras on above and submission of Action Taken Notes (ATNs).

23. Replies to Parliament Questions on above.

6. Rationalization scheme for booking and carriage of parcel traffic.
7. Refrigerated Vans (VPRs) for perishable cargo.
9. Assessment for requirement of all type of parcel stock.
10. Proposal for procurement of all type of Parcel Vans (VPH/VPU/VPR etc.).
11. Policy for running of Parcel Express trains (Railway operated).
12. Client specific logistics.
15. Restriction/Ban on movement of parcel traffic.
16. Attaching/Balancing of VPs.
17. Mechanical handling & Palletisation of parcels.
19. Forwarding and Clearing Agents working in parcel office.
20. Freight Forwarder scheme for parcel traffic.
21. Tatkal Parcel Service for parcel traffic.
22. Implementation of PMS project – issues related to commercial matter.
23. Clarification to all policy matters.

I.1
1. Revision of rates for parcels, luggage, and other coaching traffic.
2. Carriage of election material.
3. Carriage of treasure by rail.
4. Concessions in regard to transport of consignments carried during natural calamities like floods, cyclones, droughts, etc.
5. Haulage rates for postal vans and mail bags.

II. Freight Marketing:
1. Policy for premier customers and classification of premier customers.
2. Development of new customer facilities.
3. Transportation of Automobiles traffic (in NMG rakes and other rolling stock).
4. Special scheme for freight traffic i.e. Freight Forwarder Scheme for goods traffic, Speed link Express, Quick Transit Service etc.
5. Development of Intermodal transport system
   (a) Road Railer system (Rail-Road Traffic).
   (b) Roll-on-Roll Off (Ro-Ro) system.
6. Marketing & Sales activities on zonal railways, MCDO of the CCM(FM)s of the zonal railways.
7. Compilation of performance of various marketing schemes.
9. Clarification to all above policy matters.
III. **Interaction of the Railway with trade & industry:-**

1. Organize meeting of –
   
   (a) Trade and industries.
   
   (b) CCM(FM)s of the zonal railways.

2. Coordination with groups of chambers of commerce viz. CII/FICCI/ASSOCHAM/CMA etc.

3. Meeting/Conference of CCM(FM)s of the zonal railways.

IV. **Customer Service - Infrastructure:-**

1. **Procurement of wagons through private investment.**
   
   (i) ‘Own Your Wagon’ Scheme
   
   (ii) Wagon Investment Scheme.
   
   (iii) Liberalized Wagon Investment Scheme.
   
   (iv) Special Freight Train Operator (SFTO) Scheme.
   
   (v) Auto Freight Train Operator (AFTO) Scheme.

2. **Development of terminal through private investment.**
   
   (i) Private Freight Terminal (PFT)
   
   (ii) Terminal Development Scheme (TDS)
   
   (iii) Terminal Incentive cum Engine-on-load scheme (TIELS)
   
   (iv) Development of Automobile and Ancillary Hub.

3. **Development of Warehousing through private investment.**
   
   (i) Formulation of policy for setting up of warehouses by CWC.
   
   (ii) Formulation of policy for setting up of warehouses through public private partnership.
(iii) Setting up of temperature controlled Perishable Cargo Centre under Kisan Vikas Project.

Clarification to all above policy matters I, II & III.

V. **Sidings:-**

1. Coordinating matters relating to marketing of sidings traffic.

2. Nodal branch for all issues related to working on Sidings after it is notified for commercial operation viz. non-recovery of damages and re-railing charges from siding owners, non-recovery of wagon repair charges from private siding owners etc.

VI. **High Profit Yielding Commodities:-**

1. Identification of,

2. Monitoring loading and earnings.

3. Coordination with trade to increase rail borne traffic.

VII. **Strategy to improve rail coefficient:-**

1. Marketing strategy to improve low rail coefficient traffic like automobiles traffic.

2. Development of special design for wagons.

VIII. **City Booking Agencies/Out Agencies:-**

1. City Booking Agencies.

2. Out Agencies.

3. Street Collection and delivery services.

IX. **Parcel handling contracts.**

Policy regarding absorption of Parcel porters in Railway Service, Court Cases.

X. **Uneconomic Branch Lines.**

Issue of Notification for closure of Uneconomic Branch Lines and Ferry Services.
XI. Rail Road Co-ordination

(i) Central Government (Railway) contribution to State Road Transport Corporation (SRTC).

(ii) Nomination of Railway Officer for SRTC.
