RBA No. 5 /2017

No. 2016/AC-II/21/7

New Delhi, dated: 19 .01.2017

**FA&CAOs,
All Indian Railways & PUs**

Sub: Subscriber credit trend analysis for the month of November 2016 for the delayed credits.

~~~~~

It has time and again been reiterated to upload the SCF file immediately after the payment of salary irrespective of the wage period and that there should be no delay in the transfer of funds as it has a financial implication on the unit value. The subscriber is able to view the month for which the deduction has been made from his salary and the date on which the fund has been transferred by the administration for further investment giving scope for industrial unrest and RTI/Court cases compelling the administration to fix the responsibilities. However, it has been observed that the same is not being adhered to by the Railways. Please find enclosed the subscriber credit trend analysis for the delayed credits of all Railways/PUs for the month of November 2016 forwarded by NSLD. This statement indicates that almost 1.75 lakhs subscribers' contribution is uploaded between 7 to 15 days and contribution of about 90,000 subscribers are uploaded beyond 15 days.

It is pertinent to mention here that the matter regarding delayed upload of contribution is being taken up seriously by Ministry of Finance, the nodal Ministry of Railways and it is proposed to fix the responsibility for delay in crediting the subscribers contributions. It is requested to draw up a streamlined procedure and ensure that the contribution are uploaded **within 5 days** of the passing of the bills.

Further, instructions have been issued time and again to clear the unlinked amount lying in major head 8342 on several occasions. However, a substantial amount still is lying under this head. It has been observed that due to lack of proper details the same has not yielded any desired result. Accordingly, it is proposed to launch a one time exercise/special drive for identifying the contributions made by beneficiaries who were appointed between 2004 to 2011 by giving them a month's time to credit the amount in their accounts. FA&CAO may draw an action plan viz. calling for the details from the subscribers itself and map the unclaimed amount with those claimed by the subscribers after thorough scrutiny so that the amount can be credited in the account of the affected subscribers. Compliance report, in this regard may be sent to Board's office **by 15.02.2017**.

Ministry of Finance has also sought the amount lying with the Railways for period from 2004-2011 that has not been sent to the Central Recorekeeping Agency (CRA) viz NSDL. Kindly arrange to forward the same latest **by 30.01.2017** for onward submission to MOF through fax no. 011-23303672 or by email at [jda@rb.railnet.gov.in](mailto:jda@rb.railnet.gov.in).

DA: As above
