File No.2018/FROA/1

dated 21.02.2018

The Federation of Railway Officers Associations representing 12,000 class-I Officers of Indian Railways, condemns the physical assault on the Chief Secretary, Delhi.

It fully supports the resolution passed by the IAS Association, DANICS Association and DASS Association both in content and spirit with regard to political intimidation of bureaucracy and preventing the officials from discharging their official duties professionally.
