Sub: Counting of period of apprenticeship
for the purpose of Passes/P.T.Os
facilities.

A reference is invited to the instructions contained
in Board's letter No.E(G)57PS5-1 Pt. dated 25.2.1959, in terms of
which the instructions contained in Board's letter No.E(G)57PS5-1
dated 19.8.1958 will also be applicable to apprentices of all
departments including Trade Apprentices who are eligible for

passes and P.T.Os. A question has been raised whether on absorption against regular posts after completion of apprenticeship, staff recruited initially as Apprentices can count the period of apprenticeship towards the total service of five years for eligibility for three sets of passes. It is clarified that the period of apprenticeship of all apprentices can be taken into account to determine the eligibility for three sets of passes, after their absorption against regular posts.

(This also disposes of the Director General,
R.D.S.O's letter No.G/Pass/PR dated 18.8.1964.)
