

भारत सरकार **GOVERNMENT OF INDIA**
रेल मंत्रालय **MINISTRY OF RAILWAYS**
(रेलवे बोर्ड **RAILWAY BOARD**)

No. 2007/M(C)/137/16 Vol. XI Pt.3

New Delhi, dtd. 26.09.2018

**General Managers,
All Indian Railways.**

Sub: Infotainment System in coaches.

To enhance the overall experience of passengers, it has been decided to provide wi-fi hot spots for streaming of pre-stored and pre-verified content on-board. In this reference, following directions are issued for compliance over Zonal Railways:-

- (1) Wi-fi hot spot devices will be provided on coaches by Mechanical-Rolling Stock department. AMC/Maintenance of the system will also be the responsibility of Mechanical Department. However, with mutual agreement between Mechanical & Commercial Departments, the maintenance activity can also be made a part of package offered by content provider.
- (2) Commercial Department will enter into earning contract for providing licensed content for entertainment. Slots will be defined for advertisement and revenue generated would be shared between Railways and content provider.
- (3) Till such time, commercial department enters into earning contract, provision of infotainment content will be arranged by Mechanical Department.
- (4) In the beginning, all Rajdhani, Shatabdi, Tejas, Humsafar and Uday Trains are to be covered under this scheme. Further, the wi-fi hot spot device should be made available on AC coaches of Project Utkrisht trains as part of Project Utkrisht. The scheme should progressively be expanded to cover AC coaches of other important Mail/Express trains also.

This issues with the approval of Board (CRB,MRS,MT).
