New Delhi dated 26.12.2018

Principal Chief Mechanical Engineer,
All Zonal Railways.

Sub: Implementation of uniform maintenance practices for all
coaching stock.

2. As all rolling stock have been brought under the overall control of Member Rolling Stock, it has been decided that one ADME should be posted in each of the EMU & MEMU Sheds to strengthen the under gear maintenance.
3. This issues with the approval of Member Rolling Stock.
