Sub: Premature Condemnation of Wagons

Ref: This office letter of even number dt. 28.12.07

Under Board’s above referred letter, instructions for premature condemnation of wagons were advised to ZRs. In terms of these instructions CME of the ZR was empowered to sanction premature condemnation of all wagons including non-accidental wagons (with residual life of more than one POH cycle) in concurrence with Associate Finance on the lines of procedure prescribed for accidental and other wagons having residual life of less than one POH cycle. The above instructions were to remain in force for a fixed period of two years i.e. upto 31.12.2009 and reviewed thereafter.

2. It has now been decided as an interim measure to extend the above instructions upto 30.6.10.

3. ZRs should continue to furnish a monthly report to Board on underage condemnation of wagons. The monthly reports should be sent to EDME/Freight/Railway Board by the 10th of every month.

4. This issues with the concurrence of the Finance Dte. and approval of the Board (MM & FC).
