Sub: MCDOs – Standardisation of Formats: Clarifications.

Pursuant to Board’s instructions calling for the MCDOs in the revised format as circulated vide letter of even number dated 21.10.2011, queries regarding certain items are being received from time to time. These are clarified as under:-

(i) Capacity - Total and Utilised:

(a) CTIs are required to furnish the ‘Total Training Capacity’ and ‘Total Capacity Utilised’ in terms of Trainee Days as per Annexure-1 of the letter dated 21.10.2011. It may be clarified that under ‘Total Training Capacity’, the CTIs are expected to furnish the figure of the available total training capacity of the CTI that month and not the training capacity allotted. CTIs may ensure that the sheet complete in all respects is to be sent to Board.

(b) Training capacity utilised is to be arrived at by dividing ‘Trainee days used x 100’ by the ‘Total Training Capacity’ mentioned at (a) above.

(c) For calculating the available ‘Training Capacity’, CTIs may follow Board’s instructions circulated vide letter No. E(MPP)2011/3/5 dated 02.08.2011 (RBE 113/2011).
