C. & C/P., Calcutta and D.G., R.D./S.O., Lucknow (in triplicate) ADAI(Rlys), New Delhi.

Subject: Incentives to Class III Railway employees/apprentices for acquiring higher or additional scientific/technical/accounts qualifications.

A number of directives have been issued from time to time by the Board in regard to the grant of incentives to Class III serving Railway employees/apprentices for acquiring higher or additional professional qualifications. As references, keep on pouring from Railways as to whether passing of a particular examination will make a person eligible for the grant of incentives, the following comprehensive instructions embodying all the relevant instructions issued from time to time on the subject are sent herewith, in supercession of all the previous orders for guidance:

(a) Incentives should be granted to such of the Scientific/Technical/Accounts staff, who pass technical/professional examinations as in (b) below and for whom a degree or equivalent (in the case of Scientific/Technical staff) and Membership of the Institute of Cost and Works Accountants (in the case of Accounts Staff) is not obligatory, as condition of recruitment.

(b) Such qualifications must be equivalent to Degree examinations and must have been recognised by the Central Govt. for the purpose of recruitment to posts and services under the Central Govt. For this purpose, reference should be made to the qualifications prescribed for recruitment to "SUPERIOR" posts and services in the Pamphlet "List of Technical and Professional qualifications recognised by the Govt. of India" issued by the Ministry of Scientific Research and Cultural Affairs in March 1963 as amended from time to time by the Ministry of Education, Government of India, New Delhi.

(c) If, in a grade posts are filled both by promotion from lower grades and also by direct recruitment of persons possessing specified professional or equivalent qualifications the promotees in that grade will be eligible to the incentive/or cash award if they acquire the same qualification while employed in that grade.
(d) On passing the relevant examinations the following
awards shall be given to the Railway employee/
apprentices:

(i) For passing Part-I or 'A' List as Cash awards.
Intermediate or Pre final examination or advance
or Final examination.

(ii) For passing part II or 'B' advance increments,

(e) Incentives are to be granted only once and not twice
over and over.

(f) Except what is provided in Cl.(g), the benefit of
Incentive scheme will be made available to all the staff,
permanent or temporary, irrespective of their working in
the parent department or any other Department or Railway
in a cadre or ex-cadre post.

(g) Non-Accounts staff who are temporarily working in the
Accounts Department may also be granted the benefits of
incentive scheme for passing the Cost Accountants Exam.
so long as they continue to work in the Accounts Deptt.

Note: Efforts should be made to absorb such staff in
the Accounts Department as far as possible but if the
contingency of their transfer to their parent Deptts.
does not arise eventually, the benefits of two advance
increments granted to them in the Accounts Deptt.
should be withdrawn. In such cases the cash award made,
ned not, however, be recovered.

(h) The grant of advance increments cannot of course be
extended to such staff who have already reached the
maximum of the scale on or before the date of passing
the examination and subsequently promoted to a higher
grade or post.

(i) The staff concerned will draw their annual increments on
due dates i.e. the date on which their normal increments
would accrue but for the grant of advance increments.

ticeship, the cash award may be given on passing the
examination but the advance increments on passing Part-II

On the other hand, an employee is promoted to a higher grade after being granted advance increments in a lower grade, the pay drawn by him at the time of promotion should be taken as pay for fixation of pay under the normal rules.

(m) The cash award given to the employees/apprentices should not be recovered in the event of their resignation but the fact of their having drawn cash awards should be taken into account when determining the quantum of special contribution to Provident Fund or gratuity in cases where resignation takes place within one year of the draw of the award.

(n) The benefit of advance increments admissible in the form of incentive should be extended to the Chemists in Railway laboratories and Research Assistants doing Metallurgical work if they were possessing a Degree in Chemistry at the time of recruitment and passes an examination equivalent to a degree in metallurgy.

(o) The benefit of cash award/advance increments is not admissible in the case of persons who have passed the part-I or 'A' Intermediate or pre-final and part-II or 'B' or final examinations prior to their appointment to Railway Services.

2. Keeping in view the above principles, the Heads of Departments may decide the qualifications on merits of each case that would entitle the employee to the grant of incentives.
