No. 2011/E(Sports)/4(1)/1/Policy Clarifications

New Delhi, 19th January 2012

The President/Secretary,
All National Sports Federations;
Indian Olympics Association; &
Association of Indian Universities.

Sub.:- Certificates issued to sports persons for their sports achievements.

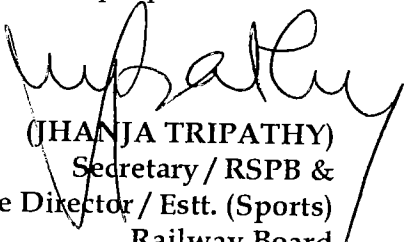

Indian Railways regularly recruits sports persons against sports quota, on the basis of their sports achievements. The suitability of the sports persons is examined based on the certificates issued by the different sports Federations/Associations, on their participation and medal winning performances in different International/National/State/University level sports events/championships.

It has been observed that the certificates issued by some of the Federations/Associations do not contain the complete details of the sports persons, resulting in the possibility of misuse of these sports certificates. It is, therefore, requested to incorporate the following details of sports persons, in each sports certificate, along with the other relevant details of the championship/event:-

- (i) Full name of the sports person as per school certificate
- (ii) Date of Birth
- (iii) Father's/Mother's name

It is also requested to serially number the sports certificates, to avoid misuse. The names of all medal winners of each International/National/State/University level championships/events may also be made available on the official web-site, immediately after the completion of the championship/event. It will help for verification of sports achievements at the time of considering the cases of sports persons for recruitment on Indian Railways against Sports Quota.

Issue of certificates for participation and medal winning performances on letter heads are liable to be rejected and will not be considered for recruitment purpose.
