4. PERIODICAL TRANSFERS:

4.1 TRANSFER OF SUPERIOR OFFICERS WITHIN THE ZONAL RAILWAY:
Transfer of superior officers within the zonal railway may be made by the concerned Principal Chief Security Commissioner with the concurrence of the Director General.
However, this shall not restrict the power of the Director General to order transfer of any superior officer *suo moto* within a zonal railway.

### 4.2 TRANSFER OF ENROLLED MEMBERS OF THE FORCE:

Transfers of enrolled members of the Force may be ordered by the Principal Chief Security Commissioner concerned and other officers specified in Schedule- II.

### 4.3 GENERAL PRINCIPLES FOR EFFECTING PERIODICAL TRANSFERS:

I. In the interest of continuity of command, discipline and accountability, the Director General may prescribe a tenure of posting for various ranks in various places.

a) Ordinarily, no member of the Force shall be transferred from one station to another unless he has been at that station for the normal prescribed tenure nor he shall be allowed to remain at that station for more than one year thereafter without the specific approval of the Principal Chief Security Commissioner concerned in respect of enrolled members of the Force and of the Director General in respect of superior officers.

b) Provided that the members of the Force posted to bad climate areas or out of the way places may be transferred after they have served in such area or place for about two years.

III. No one shall ordinarily be so posted to his hometown nor to a place where he holds or acquires immovable property nor he be posted back in the same capacity unless it is considered essential in public interest.

IV. Members of the Force who have been transferred out of a particular place or division on complaint of corruption or misconduct shall not be posted back to that post or place or division even if they so request.

V. Members of the Force who have got adverse entries or enjoy poor reputation shall not be posted to sensitive posts till they get good entries for three consecutive years.

VI. Any member of the Force temporarily transferred to any place shall not be allowed to continue at that place for more than four months without the specific approval of the Principal Chief Security Commissioner concerned and such member shall not again be temporarily posted to the same place without an interval of two years.

VII. Where a member of the Force before completion of his normal tenure at a particular place, wishes to get himself transferred to another place so that his children may have continuity of education at the new station for next few years, such member may be allowed transfer, before completion of normal tenure, after taking into account the interest of administration.

VIII. Any members of the Force facing departmental proceedings and who is due for periodical transfer on completion of normal tenure may not ordinarily be transferred unless such transfer is in public interest or where such transfer is in the interest of expeditious finalisation of disciplinary proceedings.
IX. If a member of the Force under order of transfer applies for leave, it shall not be granted to him without prior permission of the transferring authority:

a) Provided that where a transferred member is hospitalised as an indoor patient or in such other serious cases, he may be allowed leave under intimation to the transferring authority:

b) Provided further that the provisions contained in sub-rule (2) and (3) shall not apply to members of the Force, who are going to their last posting before superannuation.

4.4 TRANSFER OF MEMBER DEPUTED FOR TRAINING:

A member deputed for training shall, as far as possible, be posted back to the place from where he has proceeded on training if he is otherwise not due for transfer or promotion.

4.5 GUIDELINES FOR PERIODICAL TRANSFERS:

I. Ordinarily, all members of the Force shall be transferred after completion of tenure. No member of the Force shall remain at a particular place/office on completion of tenure unless extension of tenure has been granted as prescribed.

II. While making routine periodical transfer, option for choices of three Divisions/Battalions, Posts/Outposts, as the case may be, should be obtained by the competent authority. However, the same shall be considered subject to administrative requirement, vacancy position, previous posting, length of service, seniority, etc.

III. While transferring members of the Force from one station to another, the fact that his/her spouse is posted at a particular station, if brought to notice by the concerned RPF personnel, should be duly taken into consideration and working couple should be posted at the same or nearest station, as far as possible, but within the constraints of administrative and operational feasibilities.

IV. Periodical transfer, on completion of prescribed tenure, shall be done in such a way that the movement of member of the Force may, as far as possible, be completed before new academic session begins so that children's education is not disrupted.

V. No enrolled member of the Force shall be posted back or attached to the same Post/Outpost for at least 10 years (12 years for Inspectors). The period of 10 years shall be counted from the date of his relieving from that post.

a) Provision of posting back of RPF staff in same Post/Outpost before 10 years in case of Constable to SI and 12 years in case of Inspectors does not apply in case of RPSF personnel.

b) This condition of not posting back to same place (before 10 years/12 years) shall not apply to postings in Training Centres, SIB and HQ Units of Zones/Divisions.

c) RPF personnel who have satisfactorily completed their tenure in Training Centres and
SIB Units shall, as far as possible, be given choice posting

d) RPF personnel on being transferred from a post shall not be posted or attached to the outpost of the same post for the next tenure.

Since transfer of staff has been prohibited within the jurisdiction of a Post (which also includes jurisdiction of Outpost), transfer of staff from Post to Outpost or vice-versa is not allowed.

VI. If an enrolled member of the force is posted on promotion to the same Post / Outpost / Coy / Detachment/Battalion/Office / HQ, his / her tenure will be counted from the date of joining at that place in the previous rank.

VII. Periodical transfer shall invariably be ordered on or before 31st March each year. For counting period of posting, deemed date of start of tenure shall be 31st March of the year if the transfer order is issued before 31st March in that year or the person joins new place of posting on or before 30th September in that year. In other cases, the tenure shall start from 31st March of next year.

VIII. Once the member of the Force has been transferred, he / she shall be immediately spared to join the new place of posting. Cases of non compliance of transfer order shall be informed to the authority who had issued the order within one month from the date of issue of the order for further necessary action along with reasons for non compliance of transfer order and non-reporting of such cases shall be liable for disciplinary action.

IX. Members of the Force transferred on request shall not be entitled to avail transfer related facilities like transfer Pass, Kit Pass, Journey Time, Transfer Grant, etc.

X. Particulars of enrolled member of the Force, who have undergone specialized training courses like 'Commando Course', 'Bomb Detection/Disposal Course', 'Band Course', 'Dog Handlers training', 'Driving Course', Armourer, etc. shall be mentioned in the relieving letter, so that their service are utilized in their respective fields of expertise as far as practicable.

XI. Enrolled Members of the Force posted in Dog Squad, Commando Units (upto the age of 35 years), Bomb Squad or as Artisans (Cobbler/Tailor), Armourers, Drivers and Ancillary staff shall not be generally considered for periodical transfers. However, they can be transferred on request or in administrative interest. This provision will not be applicable to RPSF.

XII. Wireless staff of RPSF shall be exempted from periodical transfers.

XIII. Service Record should immediately be forwarded to the place of posting of the concerned personnel. Transfer of Provident Fund should also be ensured without delay.

XIV. Submission of false grounds / documents by Force personnel for request transfer may be dealt under DAR.

I  PCSC/RPSF may consider request of inter-battalion transfer by the end of March in a year.

II All applications for inter zonal transfers on request on "working couple" and care giver of specially-abled child ground will be forwarded with remarks by the Divisions to zones and by Zones to Railway Board within 15 days of receipt in concerned divisional and Zonal Offices. These applications shall be considered by Railway Board as and when received.

III The priority of inter zonal transfers (on request) will be based on duration of service. If the duration of service in same, then the priority will be decided based on age.

IV The gist of applicants (i.e. sl. no, name, rank, zone, ground of transfer, date of request transfer to zone, duration of service, age, category, whether recommended by PCSCs of both zones, whether vacancy exists in concerned category in recipient zone) of inter zonal transfer on request and on mutual exchange ground received by Force HQ will be uploaded in the website twice every year, by 15th June and by 15th December respectively.

10. **LAST POSTING BEFORE SUPERANNUATION:**

Members of the Force having good record of service and free from disciplinary/vigilance angle, may be posted near their home town, two years
before attaining age of superannuation subject to availability of vacancy and suitability for the job, as assessed by the competent authority.

11. **POSTING IN METRO CITIES/CLUSTER:**

I. In cities/towns where more than 02 RPF units are located, officer and other personnel may be allowed posting for maximum 10 years at a stretch and 15 years in broken spells subject to availability of vacancy.

II. Cases of transfer of RPF staff, who have completed 10 years at a stretch and 15 years in broken spells in a city/town, shall be considered during periodical transfers i.e. such staff may be transferred out of the cities/towns, where they spent 10 years at a stretch and 15 years in broken spells, at the time of periodical transfers. While counting 10 years at a stretch and 15 years in broken spells, deputation period shall also be counted in case of Non-Gazetted RPF personnel.

III. Since, RPSF personnel are performing mobile duties and need based deployment of RPSF Coys is being done throughout the Indian Railways, the provisions of metro cities / cluster postings are not applicable to RPSF personnel.

IV. Whosoever has served for the maximum duration (senior most in station seniority) will be transferred first even if they have not completed tenure at their present places of posting.

V. With regard to instruction of posting of working couple at the same or nearest station. Vs-a-vis “instruction that staff to be transferred on completion of 10 yrs. At a stretch and 15 yrs in broken spells. It is clarified that working couple cases should be posted at same or nearest station, as far as possible, but within the constraints of administration and operational feasibilities.

As such, administration/operational feasibilities have to be kept in view while considering working couple cases. Accordingly, provision relating to transfer of working couple shall be subject to provision regarding posting in Metro cities/Cluster.

In respect of a provision that RPF personnel who have successfully served in SIB, as far as possible, may be given choice posting, it is clarified that while considering such cases of choice posting, provisions regarding posting in Metro Cities/Cluster shall have to be kept in view by the transferring authority.

VI. 1. In respect of the following Metro cities, the units falling under the areas mentioned against each shall be considered as RPF units location under the respective metro city:

*and any other contiguous area decided by PCSC. If the area is to be reduced, approval of DG/RPF shall be taken.

2. In case of any other Metro City/City/town/cluster where more than 2 RPF units are located, the PCSCs concerned will identify the units located under the concerned Metro City/City/town/cluster based on the territorial jurisdiction of the respective Municipal Corporation/Municipalities.

3. The exercise of transfer of RPF personnel having completed 10 years in continuous spell or 15 years in broken spells will be completed first before undertaking the regular tenure transfers at Zonal/Divisional level. The exercise will be conducted invariably at the Zonal HQ level.

4. The RPF personnel posted in Metropolitan area/cluster in their last tenure (terminal posting before superannuation when reckoned with effect from 31st March may not be considered for transfer.

5. A list of RPF personnel in each rank completing 10 years at a stretch or 15 years in broken spells in Metro cities/clusters may be prepared in descending order of station seniority, i.e. the staff who has spent the maximum time will be on the top of the list and the staff who has spent the minimum time will be on the bottom. The names of those in the last tenure (terminal posting) will be deleted from the list.

6. The RPF personnel who have completed tenure in non metro areas and are eligible to be posted to the metro area of the same division shall be listed out in each rank. For example, For Howrah Division of Eastern Railway:
   - RPF personnel who have completed tenure in-
     - Howrah division in units out of Kolkata Metropolitan region; and
     - Are eligible to be posted to units of Howrah division located in Kolkata Metropolitan region shall be listed out.

7. The RPF personnel who have completed tenure in non metro area (in respect of the same metropolitan area) of another division and are willing to be posted to the metro area of this division shall be listed out in each rank. For example, For Howrah division of Eastern Railway:
   - RPF personnel who have completed tenure in-
     - Sealdah division in units out of Kolkata Metropolitan region Or
     - In Sealdah/Asansol divisions; and
     - Have given willingness to be posted to units of Howrah division located in Kolkata Metropolitan region shall be listed out.

8. RPF personnel in the list mentioned in Para 6 will be transferred based on their station seniority to such extent that the resultant outflow balances the
inflow of RPF personnel in the lists mentioned in Para 7 & 8 in each rank.

9. RPF personnel mentioned in Para 7 and 8 will not be ineligible to be posted to Metropolitan area on the ground of having spent 10 years in continuous spells or 15 years in broken spells in the metropolitan area earlier. However, their station seniority must be less than those in the zone of consideration for transfer from the list mentioned in Para 6. It must also be kept in mind that they will be liable to be transferred out of the metropolitan area on the basis of their station seniority at a later date.

For example Mr X and Mr Y both have completed tenure in non metro area and are willing to be posted to metro area. However Mr X has spent 17 years of his career in broken spells in metro area while Mr Y has spent 13 years continuously in the same metro area earlier. The lowest station seniority in the zone of consideration in the list mentioned in Para 6 is 16 years. Mr X will not be eligible for posting back in the metro area. Even though Mr Y is eligible for posting back in the metro this year, he will have to be shifted probably in subsequent years when his station seniority will fail in the zone of consideration and therefore, will not be able to complete his tenure in the metro area unless he is serving his last tenure.

VII. A clarification issued by Railway Board vide its letter No. No.2014/Sec (Spl)/6/12 dated 22.3.2019 in reference to PCSC/ER’s letter No. SC.30/33-E/TR/Policy/10/15 Years dated 10.3.2019 in connection with Directive 32 (Revised ) - clarification is enclosed as “ANNEXURE-B”.

VIII. Cases of terminal posting, Critical illness and children education:

III Transfer requests of Ex Servicemen for posting to their home zones and home divisions in case of RPF or Battalions headquarters nearest to their home towns in case of RPSF should be considered liberally subject to availability of vacancies and administrative exigencies.
13. **APPLICATION OF EXTRANEOUS INFLUENCE:**

Any extraneous influence for seeking transfer, including that which is resorted to through relatives, Hon’ble MPs / MLAs and other outsiders, shall be treated as an act of indiscipline as well as an act unbecoming of a member of the Force and defaulters may be taken up under relevant rules and instructions on the matter.

Sub: Directive 32 (Revised) – Clarification.

[Authority: Railway Board’s letter No.2014/Sec (Spl)/6/12 dated 22.3.2019]

In view of the problems encountered by Eastern Railway in effecting transfer of large number of RPF personnel having completed 10 years in continuous spells or 15 years in broken spells in Kolkata metropolitan area, the following provisions are suggested for Eastern Railway for transfer of non gazetted RPF personnel having completed 10 years/15 years in Kolkata metropolitan area.(Hereinafter called Kolkata area)

1. **Transfer of IPFs:**
   
since inter divisional transfers are permitted in case of Inspectors, the IPFs having completed 10 years/15 years may be transferred out of Kolkata area to other parts of Eastern Railway to fill up existing vacancies in non-Kolkata areas and to replace IPFs who have completed tenure in non Kolkata area. The IPFs having completed their respective tenures in other parts of Eastern Railway beyond Kolkata area and eligible for posting in Kolkata area may be posted to Kolkata area. The IPFs not having completed 10 years/15 years but having completed the irrespective tenures in Kolkata area may be posted in exigency of administration provided other provisions of Directive 32 (revised) are not violated. If the PCSC wants to exceed the outflow from Kolkata area as compared to the inflow into the Kolkata area, it is suggested to fill up some important posts in non-Kolkata area as per administrative exigencies.

2. **Transfer of non-gazetted officers/staff below IPFs:**
   
i) A list of RPF personnel in each rank completing 10 years at a stretch or 15 years in broken spells in Kolkata area may be prepared in descending order of station seniority, i.e. the staff who has spent the maximum time will be on the top of the list and the staff who has spent the minimum time will be on the bottom. The names of those in the last tenure will be deleted from the list.

   ii) The RPF personnel who have completed tenure in non Kolkata areas of Howrah and Sealdah divisions and are eligible to be posted to the Kolkata area of Howrah division, Sealdah division and Kolkata Metro may be listed out in each rank.

   iii) The RPF personnel who have completed tenure in ASN division, Malda division or CLW and are willing to be posted to the Kolkata area may be listed out in each rank.

   iv) Officer and staff having completed 10/15 years in Cities/Towns/Clusters of Eastern Railway other than Kolkata area like Asansol, Jamalpur, Malda, CLW etc may be listed out in each rank.

   v) Officers and staff other than included in the list mentioned in para (iv) having completed tenure in ASN division, Malda division and CLW and also having completed two or more tenures in these divisions/PU may be listed out in each rank.

   vi) RPF personnel in the list mentioned in Para (i) may be transferred based on their station seniority to such extent that the resultant out flow balances the inflow of RPF personnel in the lists mentioned in Para (ii), (iii), (iv) and (v) in each rank.

   vii. PCSC will be free to let the outflow from Kolkata area exceed the inflow into Kolkata area in any particular rank to deploy more manpower in non-Kolkata area as per administrative exigencies, subject to availability of sanctioned posts.

3. **Other guidelines mentioned in Directive 32(revised) and 2018/Sec(E)/TR-3/512(Tenure) dated 22.01.2019 and No.2014/Sec(Spl)/6/12 dated: 04.02.2019 will remain the same.**

1.4 The report of the Inquiry Officer may be treated as classified where the controlling officer for reasons to be recorded in writing so directs.

2. **INTERNAL VIGILANCE GROUP ( IVG ) FOR RPF**

2.1. Internal Vigilance Group ( IVG ) will work as a watch - dog and keep an eye on the activities of the members of the Force, so that highest standard of honesty and integrity is maintained. The purpose is to have a wholesome fear on the minds of RPF/RPSF personnel that there exists an agency under the control and command of DG/RPF, the head of the Force, having knowledge of all cases of corruption and is charged with the duty of detecting them and taking steps to have the offenders punished. This will also help to rouse public opinion and once the railway user is convinced that the Head of the RPF has an independent machinery to enquire into the complaints, they will be more resolute in making complaints and will also be able to display greater resistance against any pressure for succumbing to corrupt practices.

2.2. The Internal Vigilance Group ( IVG ) will strive to achieve the following objectives:

i) Suggest systemic improvement in the functioning of the RPF, so as to create such conditions in service as well as completely eliminate the chances of corruption.

ii) Suggest ways and means for better supervision and firmer control to prevent chances of corruption.

iii) Detect cases of corruption either suo - moto on receipt of complaint, enquire into these matters thoroughly, and pursue the matter for awarding suitable punishment to the defaulted.

iv) Suggest ways and means to create awareness amongst the rail users against corrupt practices by RPF.

v) Ensure compliance of Standing Orders/ Instructions specially those meant for helping the traveling public and streamlining operational procedure to eliminate malpractice.
3. **THE SET-UP:**

For achieving these objective dedicated staff to enquire into complaints of corruption is necessary. A large number of complaints are received in the Security Directorate as well as in the offices of the Principal Chief Security Commissioners, alleging malpractice, abuse of authority, connivance with criminals, harassment of passengers for extorting money, misbehavior and distortion of facts in cases etc at the hands of RPF personnel. These complaints are normally looked into by the Zonal PCSC concerned, as it is their primary duty to eradicate corruption and malpractice in their jurisdiction. The complaints of more serious nature are, sometimes, looked into by Rly. Board Vigilance/Zonal Rly. Vigilance. However there is no effective mechanism at present to do a proactive vigilance check and work as a watch-dog for 70,000 strong RPF/RPSF.

4. **Internal Vigilance Group (IVG) of the RPF** will function in the Zonal Railways under the direct supervision and control of the Principal Chief Security Commissioners. The IVG will be headed by a specially selected officer of the rank of DSC. If a DSC is not available, it will be put under the whole-time charge of an ASC. Two specially selected Inspectors will be posted in the IVG. Prior clearance from Rly. Vigilance will be obtained in respect of the staff posted to IVG. Special care will be taken to ensure that officers with high integrity and reputation are posted to IVG.

5. A special IVG monitoring cell will be set up in the office of DG/RPF. An officer of the rank of joint Director will be in-charge of this monitoring cell. The main function of the cell will be to coordinate the activities of IVGCells, review their performance periodically and help DG/RPF in the matters relating to Vigilance.

6. To start with the staff for IVG will be provided from the existing resources of the RPF. When the system gets stabilized and its utility has been established, regular staff will be sanctioned.

7. **FUNCTIONS:** The complaints, which the IVG will enquire into, will not be complaints of corruption only but even of misbehavior, rudeness, negligence, connivance with undesirable elements, distortion of cases, and unruly behavior in public etc. Following will be the main functions of the IVG:

   (i) Assessment of scope, extent, modes and points of corruption in RPF/RPSF.
   (ii) Preventive action in the form of secret watch, preventive checks, surveys and raids with a view to eliminating corruption or other malpractice.
   (iii) Collection of information regarding operation of gangs with the implicit or explicit connivance of RPF/RPSF.
   (iv) Inquiries into complaints of Corruption and malpractice against
RPF/RPSF officers and men and their prompt disposal.

(v) Enquiries into allegations of criminal misconduct breach of discipline, negligence, corrupt practices, abuse of authority, disobedience of Standing Orders issued from time to time, insubordination, and breaches of provisions of RPF Rules.

(vi) Elimination of delay, inefficiency and other lapses in official work particularly from the angle of corruption.

(vii) Compilation of lists of RPF/RPSF officers and men having bad reputation whose honesty and integrity is held doubtful.

(viii) Surprise raids in areas where large-scale pilferage is taking place due to complicity and/or negligence of RPF/RPSF.

(ix) Monitor progress of enquiries and quantum of punishment in enquiries initiated as a result of IVG recommendations.

8. **PROCEDURE:**

The following procedure will be followed by the IVG for conducting enquiries:

(i) Complaints received in DG/RPF's office will be processed by JD/Vigilance and orders of DG/RPF will be obtained for entrusting it to IVG for enquiry.

(ii) Complaints received in the office of PCSC will be examined by DSC/ASC i/c IVG to decide whether an enquiry by the Internal Vigilance Group is called for. Orders of the PCSC will be obtained in such cases.

(iii) In case any DSC/CO feels that an enquiry into complaint should be conducted by IVG, he may refer the matter to PCSC concerned who will decide whether the enquiry needed a probe by the IVG.

(iv) No enquiry will be made by the IVG into complaints containing vague and general allegations except for special reasons or when specifically ordered by DG/RPF &PCSC.

(v) In cases where the information is sent by an M.P, M.L.A, or is forwarded by them, all such complaints will be acknowledged.

(vi) A Complaint Register will be maintained in respect of each complaint received and a serial number will be given to it. ASC/DSC IVG will make physical checking of this register and record his observations once a month.

(vii) In all cases of complaints against GOs prior approval of DG/RPF will be obtained before open enquiries are taken up. However, if such enquiries are made for secret verification into specific information concerning a G.O. such prior permission would not be necessary. However immediate information about it should be sent to DG/RPF.

(viii) All complaints in which formal enquiries are to be conducted by the IVG will be registered as Preliminary Enquiry (PE).

(ix) Before starting enquiries, the E.O. will make analysis of the allegations and points on which probe will have to be conducted. He will thereafter submit a fortnightly report wherein he will briefly indicate the progress of enquiries pending with him.

(x) All Enquiry Officers will submit a fortnightly diary on the 15th and 30th
of every month, giving details of duties carried out and information/intelligence collected by them during the fortnight.

(xi) A P.E. will normally be finalized within one month and where it is not possible, the E.O. will prepare a brief report on the progress of the P.E and the points on which enquiries remain to be carried out and will obtain PCSC's order on it. On the conclusion of enquiries of each PE, the E.O. will submit a final report.

(xii) As soon as sufficient material disclosing commission of a criminal offence is available and it is felt that the enquiry will result in prosecution, the file will be submitted to PCSC with brief report giving conclusions.

(xiii) When PCSC comes to the conclusion that it is necessary to set process of law in motion for regular registration and investigation of a criminal case, he will initiate steps to get a case registered.

(xiv) An Index Register will be maintained in PCSC's office in which the names of officers against whom enquiries have been conducted should be entered. This register will have an alphabetical index and will be kept up to date. Whenever a P. E. is registered, an entry shall be made in this register. The index sheet and the P. E. registration report will form the basis of entry in Index Register.

9. **RETURNS:**

The following periodical returns and statements would be submitted to DG/RPF by each Zonal IVG:

i) the substance of the imputations of misconduct or misbehavior into definite and distinct articles of charge;

ii) a statement of the imputations of misconduct or misbehaviour in support of each article of charge which shall contain,-

a) a statement of all relevant facts including any admission or confession made by the enrolled member of the Force, and

b) a list of documents by which and a list of witnesses by whom the articles of charge are proposed to be sustained.

18.5 The disciplinary authority shall deliver or cause to be delivered to the delinquent member, at least seventy-two hours before the commencement of the inquiry, a copy of the articles of charge, the statement of imputations of misconduct or misbehaviour and a list of documents and witnesses by which each article of charge is proposed to be sustained and fix a date when the inquiry is to commence; subsequent dates being fixed by the Inquiry Officer.
18.6 Where the enrolled member charged has absconded or where it is not possible to serve the documents on him in person or where he deliberately evades service, the procedure laid down in sections 62, 64, 65 and 69 of the Code of Criminal Procedure, 1973 shall be adopted by the Inquiry Officer for service of such documents and the same shall be deemed to be a conclusive proof of service.

18.7 For securing the presence of private prosecution witnesses, the Inquiry Officer may allow free travel passes according to their status in accordance with extant Railway Rules.

18.8 The enrolled member charged shall not be allowed to bring in a legal practitioner at the proceedings but he may be allowed to take the assistance of any other member of the Force (hereinafter referred to as “friend”) where in the opinion of the Inquiry Officer, the enrolled member charged cannot put up his defence properly. Such “friend” must be a serving member of the Force of or below the rank of Sub-Inspector for the time being posted in the same division or the battalion where the proceedings are pending and not acting as a “friend” in any other proceedings pending anywhere. Such “friend” shall, however, not be allowed to address the Inquiry Officer nor to cross-examine the witnesses.

18.9 If the enrolled member charged fails to turn up on the day fixed for the start of inquiry and no reasonable excuse is offered for not being present on the fixed time and day, the Inquiry Officer may commence the inquiry ex-parte.

18.10 At the commencement of the inquiry, the party charged shall be asked to enter a plea of “guilty” or “not guilty” after which evidence necessary to establish the charge shall be let in. The evidence shall be material to the charge and may either be oral or documentary. If oral-

i) it shall be direct;

ii) it shall be recorded by the Inquiry Officer in the presence of the party charged; and the party charged shall be allowed to cross-examine the witnesses.

18.11 If the witnesses are government officers of a rank superior to the party charged, the Inquiry Officer may, at the request of the party charged, put the questions to such officer.

18.12 All evidence shall be recorded, in the presence of the party charged, by the Inquiry Officer himself or on his dictation by a scribe. Cross-examination by the party charged or the fact of his declining to cross-examine the witness, as the case may be, shall also be recorded. The statement of each witness shall be read over to him and explained, if necessary, in the language of the witness, whose signature shall be obtained as a token of his having understood the contents. Statement shall also be signed by the Inquiry Officer and the party charged. Copy of each statement shall be given to the party charged who shall acknowledge receipt on the statement of witness itself. The Inquiry Officer shall record a certificate of having read over the statement to the witness in the presence of the party charged.
18.13 Documentary exhibits, if any, are to be numbered while being presented by the concerned witness and reference of the number shall be noted in the statement of the witness. Such documents may be admitted in evidence as exhibits without being formally proved unless the party charged does not admit the genuineness of such a document and wishes to cross-examine the witness who is purported to have signed it. Copies of the exhibits may be given to the party charged on demand except in the case of voluminous documents, where the party charged may be allowed to inspect the same in the presence of Inquiry Officer and take notes.

18.14 Unless specifically mentioned in these rules, the provisions of the Code of Criminal Procedure, 1973 and the Indian Evidence Act, 1872 shall not apply to the departmental proceedings under these rules.

18.15 The party charged shall then be examined and his statement recorded by the Inquiry Officer. If the party charged has pleaded guilty and does not challenge the evidence on record, the proceedings shall be closed for orders. If he pleads “not guilty”, he shall be required to file within 10 days a written statement together with a list of such witnesses as he may wish to produce in his defence and giving therein a gist of evidence that each witness is expected to give. If he declines to file a written statement, he shall again be examined by the Inquiry Officer on the expiry of the period allowed and his statement, if any, recorded.

18.16 If the party charged refuses to produce any witnesses or to produce any evidence in his defence, the proceedings shall be closed for orders. If he produces any evidence, the Inquiry officer shall proceed to record the evidence. If the Inquiry Officer considers that the evidence of any witness or any document which the party charged wants to produce in his defence is not material to the issues involved in the case, he may refuse to call such witness or to allow such document to be produced in evidence, but in all such cases he must briefly record his reasons for considering the evidence inadmissible. When all relevant evidence has been brought on record, the proceedings shall be closed for orders after recording the statement, if any, of the party charged and obtaining any clarification, if necessary, from him.

18.17 Under no circumstances additional prosecution witnesses shall be examined after the defence has been let in unless supplementary defence witnesses have been allowed on that ground. However, if at any stage during the inquiry, it appears to the Inquiry Officer that examination of any witness who has not been produced by either party so far or recall of any witness who has already been examined is essential in the interest of justice or to clear any doubt, he may summon him for the purpose and examine him as a witness of the Inquiry Officer after recording his reasons for doing so. Such a witness may also be cross examined by the party charged, if desired.

18.18 Whenever any Inquiry Officer after having heard and recorded the whole or any part of the evidence in an inquiry, ceases to exercise jurisdiction therein and is succeeded by another Inquiry Officer who has and exercises such jurisdiction, the Inquiry Officer so succeeding may act on the evidence so recorded by his predecessor, or partly recorded by his predecessor and partly recorded by him or himself record it afresh as he deems expedient.
18.19 At the conclusion of the inquiry, the Inquiry Officer shall prepare a report of the inquiry recording his findings on each of the charges with reasons therefore. The findings must be of “guilty” or “not guilty” and no room shall be allowed for “benefit of doubt” or personal surmises. A charge shall be deemed to have been proved if after considering the evidence before him, the Inquiry Officer believes the ingredients constituting the charge to exist or considers their existence so probable that a prudent man ought, under the circumstances of the particular case, to act upon the supposition that they exist.

18.20 If in the opinion of the Inquiry Officer, the proceedings of the inquiry establish charges different from those originally framed, he may record his findings on such charges:

Provided that findings on such charges shall not be recorded unless the party charged has admitted the facts constituting them and has had an opportunity of defending himself against them.

19. **ACTION ON THE INQUIRY REPORT**:

19.1 If the disciplinary authority, having regard to its own findings where it is itself the Inquiry Officer or having regard to its decision on all or any of the findings of the Inquiry Officer, is of the opinion that the punishment warranted is such as is within its competence, that authority may act on the evidence on record.

However, in a case where it is of the opinion that further examination of any of the witnesses is necessary in the interest of justice, it may recall the witness, examine him and allow the party charged to cross-examine him and further reexamine him. After that, it may impose on the party charged such punishment as is within its competence according to these rules.

In cases where the disciplinary authority himself is not the enquiring authority, he shall forward a copy of the enquiry report to the Party Charged with the remarks of the Disciplinary Authority if any to submit his representation within 15 days.

After receipt of the representation, if any, the disciplinary authority should pass the final orders.

19.1.1 While communicating the order imposing the punishment, a copy of the findings of the Inquiry Officer shall also be given to the party charged.

19.2 Where such disciplinary authority is of the opinion that the punishment warranted is such, as is not within its competence, that authority shall forward the records of the inquiry to the appropriate disciplinary authority who shall act in the manner as hereinafter provided.

19.3 The disciplinary authority, if it is not itself the Inquiry Officer may, for reasons to be recorded, remit the case to the Inquiry Officer for further inquiry and report. The Inquiry Officer shall thereupon proceed to hold further inquiry according to the provisions of rule 153 and submit to the disciplinary authority the complete records of such inquiry along with his report.

19.4 The disciplinary authority shall, if it disagrees with the findings of the Inquiry
Officer on any article of charge, record its reasons for such disagreement and record its own findings on such charge, if the evidence on record is sufficient for the purpose.

19.5 If the disciplinary authority having regard to its findings on all or any of the articles of charge is of the opinion that any of the minor punishments should be imposed on the party charged, it shall, notwithstanding anything contained in rule 158, make an order imposing such punishment.

19.6 If the determining authority, having regard to its findings on all or any of the articles of charge and on the basis of evidence on record, is of the opinion that any of the major punishments should be imposed on the party charged, it shall make an order imposing such punishment and it shall not be necessary to give to the party charged any opportunity of making representation on the punishment proposed to be imposed.

20. DETERMINATION OF PUNISHMENT:

In determining the punishment, the character, previous bad record and punishment of party charged shall not be taken into consideration unless in a case where they are made subject-matter of a specific charge in the proceeding itself. Offences connoting moral turpitude shall be carefully distinguished from smaller lapses of conduct. It is essential that the punishment shall be inflicted keeping in view the nature of duties expected from the member of the Force and the misconduct by him.

21. IMPOSING OF PUNISHMENT OF DISMISSAL, ETC.:

Before coming to any lower punishment, the disciplinary authority with a view to ensuring the maintenance of integrity in the Force shall consider the award of punishment of dismissal or removal from service to any member of the Force in the following cases, namely:-

(ii) serious misconduct or indulging in committing or attempting or abetting an offence against railway property;

22.1 No enrolled member of the Force shall be reduced to a rank lower than that to which he was first appointed to the service nor shall he be reduced permanently in the sense that he shall never be eligible for repromotion however meritorious his subsequent service may be.

22.2 When reduction to a lower rank, grade or a lower stage in the scale of pay is ordered, the order shall also specify:

(i) the date from which it will take effect and the period (in terms of years and months) for which the punishment shall be operative;

(ii) the stage in the scale of pay (in terms of rupees) to which the enrolled member of the Force is reduced; and

(iii) the extent (in terms of years and months), if any, to which the punishment referred to at (i) above shall be with or without cumulative effect:

Provided that when the punishment of reduction to a lower stage in the scale of pay is imposed during the currency of reduction in rank, the disciplinary authority shall clearly indicate in the punishment order whether the two punishments shall run concurrently or the subsequent punishment shall be implemented after the expiry of the first punishment.

22.3 Withholding of increment:

In the case of withholding of increment as a punishment, the order shall state the period for which the increment is to be withheld and whether it shall have the effect of postponing further increments.

23. PROCEDURE FOR IMPOSING MINOR PUNISHMENTS:

23.1 The disciplinary authority may impose any of the minor punishments provided in sub-rule (3) of rule 148 and in rule 149 after –

i) informing the enrolled member of the Force charged in writing of the proposal to

ii) taking the representation, if any, submitted by the party charged under clause (a) into consideration and recording a finding on each imputation of misconduct or misbehaviour.

23.2 Notwithstanding anything contained in clause (a) of sub-rule (1), if it is proposed, after considering the representation, if any, made by the party charged under the said clause (a) to withhold increments of pay and such withholding of increment is likely to affect adversely the amount of pension payable to the party charged or to withhold increments of pay for a period exceeding three years or to withhold increments of pay with cumulative effect for any period or to reduce him by more than three stages in his scale of pay, an inquiry shall be held, as far as possible, in the manner laid down in rule 153 before making any order imposing on the party charged any such punishment.

27.4.2 Without prejudice to the rights of the accused on final acquittal, such proceedings shall be taken up as soon as the first trial court has passed orders of conviction and disposed of immediately in order to avoid the wasteful expenditure involved in allowing the enrolled member of the Force to remain under suspension.

27.5 **Proceedings in case of discharge:**

When an enrolled member of the Force is prosecuted before a court but discharged for insufficiency of evidence or on any technical ground or by giving him the benefit of doubt, the disciplinary authority shall examine the possibility of instituting departmental proceedings after an objective consideration of all the facts and circumstances of the case and may take such action as deemed appropriate.

CHAPTER –XV :- SCRIPTORY WORK IN RPF (REPORTS & RETURNS)

1. List of Reports/Returns/Periodical statements to be submitted by the offices of the Principal Chief Security Commissioners, Sr. Divisional Security Commissioners, Assistant Security Commissioners, RPF Post and Out-Posts is given at Annexure I to V. It should be ensured that the Reports/Returns/Periodical statements are submitted to the authorities indicated in the Annexures punctually.

2. In addition to the periodical Reports/Returns prescribed in the Annexures, the Principal Chief Security Commissioners may introduce such other Reports/Returns/Statements as may be considered necessary.

3. Besides the statements etc. mentioned in this Chapter and those which may be prescribed by the respective Railway Administrations may also be submitted to the authorities concerned. It should, however, be kept in view that the scriptory work should be kept to the minimum.

4. PROTOCOL FOR OFFICIAL CORRESPONDENCE:
   Important correspondences with the Security Department/ Railway Board should be signed by Principal Chief Security Commissioner.
   The CSC or Dy.CSC may sign letters in the absence of the PCSC from headquarters or when urgent replies are called for, but the practice of allowing all fair copies of letters to be signed by the CSC or Dy.CSC is undesirable and should be reduced to the minimum.
   Whenever CSC or Dy. CSC is to sign a letter, the following procedure will be adopted
   a) Once a draft has been prepared and signed by the PCSC, fair copy is to be put up to the CSC / Dy.CSC for signature due to the PCSC’s absence, the fair copies should be signed as follows:
      Sd/- XYZ
      True copy: PCSC/XR
      ABC
      Dy.CSC/XR
   b) When the PCSC has passed a remark in the file indicating line on which the reply is to be sent but has not actually drafted the letter, the officer who actually drafts and signs the letter should commence with words “I am directed by the PCSC to reply etc.”
   c) When any officer sends a reply without the PCSC having seen the original due to his absence from headquarters or by engagement in some important work, the officer signing the reply will sign “for PCSC/RPF”.

4. Thus when a letter is not signed by the PCSC himself, (a) will indicate that the views as well the language are of the PCSC, (b) will indicate that the views but not the language are of the PCSC and (c) will indicate that neither the views nor the language are of the PCSC himself.

5. The PCSC when sending letters to superior formations or the headquarters should make an effort to sign all communications himself. Similarly, all letters received from superiors should be opened and attended to by the PCSCs personally.
   The PCSC/CSC/ and the Sr.DSC/DSC will be held responsible for breach of procedure by their subordinate rank. Similarly, will ensure compliance in all the correspondences made by the Security Directorate.
5. **SCRIPTORY WORK AT THE FIELD UNITS:**

5.1 A Standing Committee, comprising among others, the Post Commanders or Company Commanders shall be formed in every Security Commissariat for examining once in three years whether:
   i) some of the returns can be altered or lumped together or even discontinued; and
   ii) for standardising and updating the proforma for collection of data; with a view to reducing the load of repetitive and purposeless scriptory work in the field formations.

iv. The selection board will consist of officers not lower in rank than senior scale.

v. Every effort should be made to include a SC/ST officer in the selection board. However, inclusion of an SC/ST officer is not necessary when selection is conducted to fill up unreserved vacancies only.

vi. When a selection post is to be filled, the authority empowered to
constitute the selection board shall nominate the officer who shall act as the chairman of the board.

vii. The test should be conducted in a confidential system with roll numbers.

The selection Board should consist of JA Grade Officers for selection to the posts carrying GP Rs.4200 and above, and officers in the rank of Sr.Scale should be nominated for the posts carrying GR.Rs.2800 and below.

4. PROMOTION FOR FILLING UP OF THE SELECTION POSTS:

Selection posts shall be filled by a selection made by a duly nominated selection Boards and selection shall consist of written test and record of service to assess the professional ability of the candidates for which a reasonable advance notice should be sent. Candidates should be called for in 1:3 ratio of the vacancies.

5. PROMOTION FOR FILLING NON-SELECTION POSTS:

5.1 Non-selection posts will be filled by promotion of the senior-most suitable Railway employees, the suitability, whether of individual or a group of employees, being determined by the authority competent to fill the posts on the basis of the record of service and/or departmental tests as considered necessary. The categories where such tests are to be conducted should be specified by the Railway Administration in advance.

5.2 A senior employee may be passed over only if he/she has been declared unfit for holding the post in question.

5.3 When a senior Railway employee is passed over, the authority making the promotion shall record briefly the reasons for such supersession.

6. ASSESSMENT OF VACANCIES:

6.1 The calculation of vacancies for promotion to non-selection posts should be made on the basis of the number of existing vacancies plus those anticipated to arise during the next one year for non-selection post and 15 months for selection posts.

6.2 The concept of anticipated vacancies connotes the following type of vacancies:-

i. Vacancies on account of normal wastage, viz; retirement or superannuation;

ii. Vacancies likely to be caused as a result of staff having given notice for voluntary retirement provided the same are likely to be accepted;

iii. Vacancies in higher grade in the channel, the filling of which will result in the need to make consequent appointments from the proposed panel;

iv. Vacancies likely to be caused due to staff approved to go on deputation to other units;

v. Number of staff already empanelled for ex-cadre posts;

vi. Vacancies likely to arise due to creation of additional posts in higher grade and also in the same grade. This may include only those proposals which have been concurred in by the Accounts and approved by the competent authority; and

vii. The vacancies arising out of cases where staff are likely to go out on transfer to other Railways/Divisions during the period under consideration.
7.1 The minimum period of service for eligibility for promotion should be two years in the immediate lower grade irrespective of whether the employees belong to reserved community or not.

7.2 Service for this purpose shall be the service rendered on regular basis.

7.3 The condition of two years minimum service has to be satisfied at the time the promotion is actually made. Thus employees who are regular in the relevant lower grade can be considered according to the procedure laid down but a person, who is empanelled, can actually be promoted only when he completes two years service in the immediate lower grade. Accordingly, a suitable note to this effect should be inserted in all suitability lists which included names of candidate who have not completed two years of service in the lower grade at the time suitability was adjudged.

7.4 If by virtue of operation of the above, a junior is eligible for promotion to the relevant next higher grade, his/her senior also will be eligible for promotion even though he/she might not have put in a total of two years service in the immediate lower grade.

7.5 In cases where promotion could not be made on account of a Stay Order or injunction of the Court of Law and the employees in the meantime becomes due for promotion to higher grade but could not be promoted on account of non-fulfillment of two years service in the immediate lower grade, relaxation can be granted in such cases with the personal approval of General Manager.

7.6 If the post is to be kept unfilled due to candidates with two years service in the immediate lower grade not being available the posts should be downgraded and operated in the lower grade.

8. SELECTION/SUITABILITY TEST, NUMBER TO BE CALLED, CONTINUATION/SUPPLEMENTARY TEST, INTERVAL BETWEEN TWO TESTS ETC :-

8.1 The number of eligible candidates to be considered at a selection/suitability test should be the same as the number of vacancies calculated for this purpose for non-selection posts and in 1:3 ratio for selection posts. While calculating the vacancies, it may be ensured that the number of vacancies notified for selection should be calculated category wise.

8.2 Next selection/suitability test should be held after a gap of not less than one year.

8.3 An employee failing in a selection/suitability test should be considered only for a fresh test after a lapse of one year and not in a supplementary test or suitability/selection test held in continuation of the earlier one which has to be done within one year.

8.4 If a person fails in selection/suitability test but is called up again for a selection/suitability test after a time lapse of one year and he/she passes the same, he/she should be given preference for promotion over his/her junior, who
had passed the test earlier but is still waiting to be promoted for want of a vacancy.

8.5 If a Railway servant is promoted after qualifying in a selection/suitability test and is subsequently reverted on grounds of unsuitability, he/she should not be further promoted to the said post, irrespective of time limit, till he qualifies afresh in a test and held next for promotion to such a post.

8.6 Once an employee has been placed on a merit list he should not be denied the promotion simply because of subsequent adverse confidential Report. However, it is open to the Administration to revert him on the ground of general unsuitability, in case his work is found unsatisfactory after promotion, which also applies to promotion to non-selection Posts mutatis mutandis.

8.7 However, a person promoted after being found/declared suitable cannot be reverted for unsatisfactory work after 18 months without following the procedure prescribed in the Discipline and Appeal Rules.

9. **QUESTION PAPERS:**

Question papers are required to be prepared in bilingual form for all the Departmental tests. The staff will have the option to write their answers in Hindi. At least 10% of the total marks prescribed for the test should be on Official language policy and rules, but answering the same shall not be made compulsory.
10. **MODE OF EXAMINATION:**

10.1 The question paper will be 100% objective type and the mode examination will be CBT.

10.2 All the questions will be of multiple choice only.

10.3 A large question bank may be created from which the questions can be selected randomly for conducting CBT.

10.4 There shall be negative marking for incorrect answers. One third of the marks allotted for each question will be deducted for wrong answers.

10.5 Responsibility for evaluation shall be with the officer/agency nominated for evaluation.

11. **ASSESSMENT OF MARKS:**

Written examination - 85 Marks  
Record of service - 15 Marks

For non-selection posts - The candidates who secure 60% of marks in aggregate including marks of written examination and service of record (50% in case of reserved categories) will be eligible for empanelment. Panel shall be issued as per the seniority with 80% and above classified as outstanding in the order of seniority allowing them to supersede not more than 50% of the total candidates in the field of eligibility.

For selection posts – The candidates who secure 60% pass marks in the aggregate including marks of written examination and record of service (50% in case of reserved categories) will be eligible for empanelment. Panel shall be made as per the merit.

12. **REPRESENTATION AGAINST SELECTION/SUITABILITY TEST/LIST:**

12.1 A selection/suitability list once approved should not be normally cancelled. If after the announcement of the merit list, procedural irregularities or other defects are found and it is considered necessary to cancel or amend such a list, this should be done after obtaining the approval of the authority next higher than the one who approved the merit list.

12.2 Representations, if any, in this regard should be submitted to the competent authority within a period of two months from the date of announcement of the merit list. However, the authority that approved the list or higher authority may use his discretion and take such action as is considered necessary if he is satisfied that an irregularity has occurred and on that account some staff have been put to hardship.
13.  **EFFECT OF REFUSAL OF PROMOTIONS:**

13.1  The following principles may be followed in respect of staff who refuse promotion on transfer from one station to another:

   i.  The employee concerned should give in writing his refusal to accept promotion accepting the condition that he would not be eligible for promotion to that post for a period of one year. Employee who refuses promotion for a period of one year on account of some unavoidable domestic reasons should not be transferred for that year.

   ii.  At the end of the one year period, if the employee still refuses promotion, his name will be removed from the suitability list and he will be required to appear against for a suitability test before being promoted to that post. In such cases, the Railway Administration can transfer the employee should they consider it necessary to do so.

   iii.  An employee who refuses promotion on transfer will not lose seniority to another employee promoted to the same promotion category during the one year penalty as a result of fresh suitability test subsequently held.

   iv.  It is left to the Administration to entertain requests from employees for postponement of promotion for a very short period on account of some domestic difficulty or other humanitarian considerations. The employees concerned should be promoted after that period if there is a vacancy. They will take their seniority only from the date of their promotion.

13.2  Staff promoted at the same station cannot decline such promotion. Refusal to accept the promotion in the higher grade, whether on short term or long term basis should be treated as refusal of duty entailing action under Discipline and Appeal Rules against the recalcitrant staff. However, action under Discipline and Appeal Rules for good and sufficient reasons may be initiated for refusal of ad hoc promotion only in those cases where such refusal affects train operations. Other conditions like debarment for one year etc. specified in Railway Board’s instructions would apply.

13.3  It is for the competent authority to decide in which cases D&A action is necessary and in which cases the difficulties or reasons given by the employees concerned are genuine. In the latter type of cases, the competent authority can always accept the request of the staff and allow them to continue in the existing grade.

13.4  In the case of an employee who neither gives the refusal in writing nor joins duty on being promoted, it should be treated as refusal of promotion and action taken accordingly.

13.5  Refusal of promotion has relevance to a particular grade at any station and not to a particular post at a particular station.

14.  **FILLING UP OF THE VACANCIES OF OFFICE SUPERINTENDENTS UNDER LDCE QUOTA:**

Concerned PCSCs shall co-ordinate with the PCPOs for inclusion of the vacancies of Office Superintendent under LDCE quota of Security Department and names of willing staff in the selections to be conducted at railway level by the Personnel department.
PART-B: TRANSFER OF MINISTERIAL STAFF

1. Transfer may be ordered either on a temporary basis or on a basis otherwise than temporary on the basis of the administrative reasons. Wherever the transfer of a Railway servant is temporary, the same should be mentioned in the transfer order.

Transfers otherwise than on temporary basis, are necessitated by administrative requirements or occasioned by consideration of requests received from the Railway servants.

Transfer of a Railway servant, ordered as a result of his promotion should be carried out by the employee as early as possible in his own interest.

A competent authority may also transfer a Railway servant from one post to another, provided:

1. On account of inefficiency or misbehavior; or
2. On his written request.

Transfers are ordered in certain cases at the instance of the Vigilance Organization/Special Police Establishment, to facilitate proper enquiries being made etc. In order to ensure that there is no harassment and/or victimisation on this account, the Competent authority may hear representations of genuine grievance, if any made, before a final decision is taken to effect the transfer.

2. TRANSFER ON THE BASIS OF REQUESTS:

The requests are normally based on family convenience, sickness or educational facilities, etc. Such requests should be registered as per the practice already prevalent and processed.

Ordinarily a Railway servant shall be employed throughout his service on the Railway or the Railway establishment to which he is posted on first appointment and he shall have no claim, as of right, for transfer to another Railway or establishment. However inter zonal/departmental transfers are allowed as per the rules and guidelines issued by the Personnel department from time to time.

While transferring Railway servants from one station to another, the fact of an employee's spouse having been posted at a particular station should be kept in view. Requests for transfer to a station where a Railway servant's spouse is working should also be considered sympathetically as far as possible, having regard to the administrative convenience and the merits of each case.
NOTE:

1. All the selections and suitability test will be held centrally and a nodal officer of suitable rank will be nominated by DG/RPF for this purpose who will in turn nominate the Selection Committees for joint selections for promotion in the cadre of Ministerial staff working in Security Department in all Zonal Railways in co-ordination with the Concerned Personnel Branch Officers.

2. Ministerial staff are liable to be transferred after working for a period of 10 years at a stretch or 15 years in broken spells at a place subject to the availability of vacancies and administrative exigencies.

3. The instructions regarding Promotions and Selection of ministerial cadre issued by the Establishment Directorate/Railway board from time to time shall be applicable to the security department cases also.
