RAILWAY BOARD

No. 2007/Track-III/TK-12/Vol.2

New Delhi, dated 27.01.2012

Principal Chief Engineer,
All Indian Railways.

Sub: Improvement in TGI Values of Agra Division of NCR

North Central Railway had issued directions to Divisions to monitor the blocks of TGI locations where TGI values were less than 50. Substantial improvement has been obtained on Agra Division between two consecutive runs of TRC by carrying out detailed foot by foot survey, recording track parameters and taking action to rectify the defects (details enclosed).

Board (ME) has appreciated this improvement and desired that other Railway should also consider such a practice.
