

27/1-4

**Government of India  
Ministry of Railways  
Railway Board**

**No. 98/Track-III/TK/18**

**New Delhi, dated 17.08.2009**

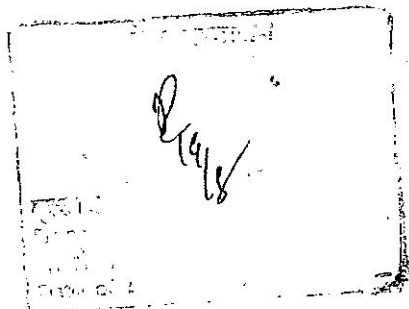

**Principal Chief Engineers,  
All Zonal railways**

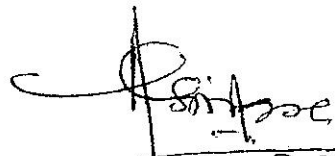

**Sub: Track Machines – Measure to improve the utilisation.  
Ref: Board's letter of even number dated 24.02.2000**

With reference to above, all Zonal Railways were advised to implement recommendations as accepted by Board (ME, MT, FC & CRB) on subject matter for improving utilisation of track machines (copies enclosed).

During past, Railways have been referring issues on creation of new posts for track machine organisation, availability of traffic blocks etc. and problems experienced thereupon.

In view of these, the referred letter is re-iterated wherein Railway Board's guidelines exist in all such related issues. Railways are required to take action following the above instructions and guidelines to sort out the inter-departmental issues to achieve the target.
