Sub: Operation and Maintenance of Mobile Bridge Inspection Units

The matter of operation and maintenance of Mobile Bridge Inspection Units has been reviewed by Bridge and Track Machine Directorates of Railway Board. It has now been decided with the approval of Board (ME) that Mobile Bridge Inspection Units will be operated and maintained by Track Machine Organisation of respective Zonal Railways. The Bridge Department will be user departments in a manner similar to the P.Way Organisation who are user departments for various track machines operated and maintained by Track Machine Organizations.

Action may please be taken for handing over operation and maintenance of Mobile Bridge Inspection Units to the Track Machine Organisation of your Railway and compliance may be reported for Board's information.
