

GOVERNMENT OF INDIA
MINISTRY OF RAILWAYS
RAILWAY BOARD

2019/Track-III/TK/6

New Delhi, dated 1.03.2023

General Manager,
All Zonal Railways

**Sub: Deployment of Track machines for Construction projects on
Indian Railways.**

**Ref: Action Points noted during Capacity building Conference of
CAO/Construction held on 04.2.2023 at IRICEN, Pune.**

A CAO's conference was held at IRICEN, Pune on 04.2.2023 for capacity building of CAO(Construction) Organization units for enhancing projects deliveries in line with the demand and CAPEX allotted.

In this context it is pertinent to mention that sufficient number of track machines have been made available to all zonal railways, and the numbers include the construction requirements as well. In spite of this frequent representations are received in Railway Board regarding inadequate availability of track machines on Construction projects.

In view of the above General Managers of all Zonal Railways are requested to ensure that Track Machines are made available to all construction projects on priority.

This is issued with approval of Board (MI).

Vijay
