(RAILWAY BOARD) (रेलवे बोर्ड)

No. 2020/Track-III/TK/2

New Delhi, dated 25.05.2023

The General Manager,
North Western Railway,
Jaipur.

The General Manager,
East Coast Railway,
Bhubaneswar.

Sub: Development of application on COA for implementation of Rolling Block Programme.

Proper advance planning of traffic blocks has already been emphasized from time to time. Board has now approved development of a Rolling Block Programme of 12 weeks at divisional level. It will be prepared in the division and approved by DRM with a weekly review. Another one week will be added every week so that at any time planning for 12 weeks will be available.

It shall fulfill the requirement of traffic/ power block for the renewals, maintenance and new asset creation work of all the departments including blocks committed for outsourced track machines.

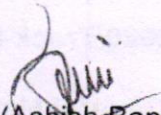

The following course of action should be taken:

- 1) DRM/Bikaner will work out the methodology for implementation of the programme. Thereafter he will co-ordinate with CRIS for the development of a suitable application, which will be developed on COA.
- 2) EDTK(M&MC) & EDTT(S) have been nominated from Railway Board for monitoring and according necessary inputs for development of Rolling Block Programme and the connected app.
- 3) To start with, Rolling Block Programme will be implemented in two divisions of IR viz. Bikaner Division of NWR and Khurda Road Division of ECoR.

: 2 :

Subsequent to development of Rolling Block Programme developed for Bikaner Division and hosting it on the app developed for this purpose, DRM/Bikaner will give a presentation to Board.

North Western Railway & East Coast Railway are advised to take urgent necessary action for complying with aforesaid Board's directives.
