No.2011/Track-III/TK/4

New Delhi, dt. 01.09.2016.

The Principal Chief Engineers,
All Zonal Railways.

Sub: Permission for Manual Deep Screening.

Certain references have come from railways seeking permission for carrying out manual deep screening citing the reasons that some locations are not feasible for screening with machines due to proximity of platform wall copings, water hydrants etc.

In the matter above, railways are advised to send their proposals furnishing the details of locations for manual deep screening in A, B, C, D & special routes for consideration and approval.
