

GOVERNMENT OF INDIA  
MINISTRY OF RAILWAYS  
RAILWAY BOARD

No. 2010/Track-III/TK/Policy

New Delhi, dt. 13.04.2016

Principal Chief Engineers  
All Indian Railways

Sub: Posting of officers in Track Machines Organization.

Ref: (i) Railway Board's letter of even No. dt. 10.02.2010.  
(ii) Railway Board's letter No. 2010/Track-III/HUM/inspection dt.  
25.10.2010.

\*\*\*\*\*

Indian Railway is gradually moving to a regime of fully mechanized maintenance of Track. Track Machines therefore are backbone of the track maintenance activities. Upkeep and maintenance of track machines which is a specialized activity also becomes very vital. This calls for posting selected Officers with requisite training, aptitude and background for manning various posts in Track Machines Organization. It is also desirable to have long and stable tenure for Officers posted in Track Machines Organization.

PCEs may carry out a review of Officers in Track Machines Organization to ensure that only suitable Officers are posted to man these vital posts.
