

**GOVERNMENT OF INDIA/BHARAT SARKAR
MINISTRY OF RAILWAYS/RAIL MANTRALAYA
(RAILWAY BOARD)**

No.TC-1/2005/108/3 –pt.

New Delhi 01-06 -2011

**Chief Commercial Managers
All Indian Railways.**

Sub : Installation of electronic in-motion weighbridge.

Ref : Board's letter of even number dated 11.11.2009 & 31.03.2011.

Vide Board's letter of even No. dated 11.11.2009, it was stipulated that existing static weighbridges whose weighments are presently accepted by Railways may be replaced with Electronic in-motion weighbridges or arrangements may be made to have weighment at Associated/Alternative Associated electronic in-motion weighbridges as per Board's Rates Circular No. 86/2006, latest by 31.03.2011. In case of **specific constraints where static weighbridges could not be replaced with electronic in-motion weighbridge or weighment could not be done at associate/alternate weighbridge at a particular siding, Railway should approach Board and obtain specific sanction on case to case basis.**

Based on representations received from a few Zonal Railways, Board had decided that replacement of Static Weighbridge with electronic-in-motion weighbridge may be extended for a period of three months from 01.04.2011 to 30.06.2011, **during which time a plan should be prepared for converting them into electronic in-motion weighbridge at such locations.**

However, despite clear instructions contained in the penultimate para of Board's letter No. TC-1/2005/108/3-Pt. dt. 11.11.2009, neither any proposal seeking exemption for replacement of existing Static Weighbridges by In-Motion Weighbridges because of specific constraints nor any plan of the Railway to convert the existing Static weighbridges to in-motion weighbridge at such locations as contained in the letter of even no. dated 31.03.2011, have been received from the concerned Zonal Railways till date.

In view of the above, you are requested to send your specific proposals on the above duly approved by your General Manager latest by 10.06.2011, so that they can be processed in time before expiry of the extension period on 30.06.2011. If the proposals are not received by the target date, no proposal for dispensation or further extension will be considered by Board.

Please treat the matter as urgent.
