The General Managers,
All Indian Railways

Ref: This office letter of even no. dated 17.09.2015 & 09.10.2015.

Vide above referred letters, Railways were advised to proceed with the tendering process for 15 projects for which in-principle approval (IPA) was granted by NITI Aayog. However, in view of urgency and with a view to ensure timely fund utilization in respect of above important capacity augmentation projects, it has now been decided that Railways will be allowed to go ahead with the tendering process for those projects also which have been sent to NITI Aayog for obtaining IPA. List of 13 such projects has already been communicated vide this office letter of even number dated 09.10.2015.

Railways are, therefore, advised to take further necessary action in this regard. As already advised vide Board’s letter of even number dated 14.08.2015, Railways would however, finalize the tender and incur any financial liability only after CCEA clearance is communicated in respect of above projects.

This issues with the concurrence of Finance Directorate of Ministry of Railways.
