Subject: Appointment at the post of General Manager (Project-Railway Siding) in NTPC
on deputation basis – Reg.

Dear Sir,

Kindly refer to our earlier communication dated 19.04.2019 (copy enclosed) on the above subject. There is a little change in the requirement for the above-mentioned post.

In NTPC, about 20 GW thermal projects are under construction in different phases. Availability of Railway siding is found to be critical prerequisite for capacity addition of these undergoing projects. NTPC is dealing with the issues related to completion of Railway siding works, MGR works, approvals/clearances required from railways, such as approval for Engineering Scale Plans, Signaling Interlock Protection, Land lease agreements, land acquisitions, etc.

Keeping in view the requirement of expertise for streamlining the above-mentioned works, it is required to appoint a Railway Official on deputation in NTPC at the post of GM (Project-Railway Siding) for a period of one year. The proposed incumbent shall review the construction of Railway Siding in ongoing projects and also coordinate with Railways for necessary approvals.

This is to inform that we have requested DPE/ MOP for permission and issuance of exemption from the immediate absorption to the post of GM (Project-Railway Siding), E8 level for a period of one year.

We may therefore request you to kindly forward few names of IRSE/IRSE/IRTS officers in Senior Administrative grade from Civil or Signaling & Telecommunication or Traffic discipline (preferably Civil) with the requisite background alongwith their detailed biodata and willingness for appointment in NTPC as GM (Project-Railway Siding) on deputation basis for a period of one year.

Thanking you,

Yours Sincerely,

(A.N. Verma)

Executive Director (HR)
